Spring 2019

The Official Publication of the Missouri State Campers Association - 5023 N.E. 44th Terrace, Kansas City, MO 64117-1979

Message From the President

We hope you had a Happy Thanksgiving and Wonderful Christmas, and are healthy and happy in this new year. We were blessed to have special times with our immediate family and also with church families for the inspirational music, candle light and other services.

What a winter we're having! Did I mention snow? We've had 37 days of snow fall since December, around 26 inches along with periods of rain, sleet, and ice. Sometimes we hired a younger guy to do the removal due to the depth, being wet and heavy, and ice under and on top of the accumulation. We try not to grumble seeing how much more other areas have gotten and enduring other trials.

March 20 is the official arrival of Spring, our favorite time of the year. Our early blooming flowers are coming up indicating Mother Nature must also be ready for

Spring.

We miss seeing all of you and are anxious to go camping again. Our first outing is April 5-7 for the Area I April Fool Campout at Lathrop Antique Grounds, Lathrop, MO. The registration form and other details are in this newsletter. This is always a fun campout with crafts, family games, Easter egg hunt, good food and lots of visiting. Come join us; you'll be glad you did!

Reports from this year's FCRV booth at the St. Louis RV Show indicate that over 100 people signed for interest in FCRV. We extend a big thank you to those helping in the booth and assisting with follow-up meetings and communication with those prospective members.

Don't miss out on the fun and fellowship; Be sure you have MSCA 2019 Camping dates on your calendar: Spring Campvention April 26-28 at Cottonwoods RV Park in Columbia, MO (573.474.2747) and Fall Campvention September

13-15 at Lazy Day RV Park, Danville, MO (573.564.2949). Make your

reservations directly with the campground now to assure a campsite is saved for you. No charge will be assessed to your credit/debit card until you check in at the campground.

Thank you Don Hopkins for serving as our 2nd Vice President this year. See Don's article in this newsletter detailing events for the Spring Campvention at Cottonwoods RV Park the end of April. We are eagerly look forward to seeing all of you there.

Happy St. Patrick's Day and Easter. Everyone enjoy these holidays and have safe travels. Take care of yourselves—you're special to us.

In Memoriam

Gerald Everett Herweck of Saint Peters, Missouri died on Friday December 21, 2018 at the age of 71. Preceded in death by his parents the late Everett M. and Marion G. Herweck and his sister, Debbie Heisler; Survived by his beloved wife, Leona Mae Herweck; Devoted father to Heather Mae (Andrew) Herweck-Luckner and Jeremy Everett (Ryan) Herweck; Loving grandfather to Ethan Herweck and Christopher Luckner; Dear brother of Wesley (Linda) Herweck. Gerald was born in St. Louis, Missouri. He and his wife shared a wonderful life together raising their two children, they loved to travel and enjoy time together. Gerald attended Gateway Church. He was a true outdoorsman who could often be found enjoying activities such as hiking, fishing and hunting. Classic cars and coin collecting were a few hobbies he enjoyed. Above all things Gerald loved his family and treasured the time spent with his grandchildren. Gerald will be dearly missed by his family, friends and all who knew him. (Editor's note: Jerry, along with his wife, Leona, joined Slow Travelers and Gateway Campers in 2018.)

Missouri State Director's Report

By the time you read this, spring will have 'sprung' in some parts of the country. One part being southern Louisiana. Pack your stuff in the RV and come on down to the International Retiree Rally in Houma. We would like to see you come and enjoy the Rally.

For you not coming to the Rally, won't be long you'll need to de-winterize and start camping with your local chapters. MSCA is scheduled for April 26-28 at Cottonwoods RV Park in Columbia. Make your reservations and mention you're with MSCA.

Also, the Campvention is in Hutchinson, Kansas this year. Probably as close to home, as it will be for a while. Plan on coming and the first 211 to register are full hook ups. All buildings are air conditioned. This is a good time to come support our Missouri Teen Queen. Dates are July 8-12, with early days starting July 5. Forms are in Camping Today or I can forward it to you.

Don't be afraid to volunteer, whether at the chapter, state or national level, this camping organization, runs with people willing to step up and help. There are always people willing to give you help or information, if you want to take on a position. Some say, "But I've never done that." We've all had to ask questions and/or ask for advice, so don't let that stop you. Thanks to all of you

that do volunteer!

Thank you!!, to all that participated, in membership recruitment, at the RV Show!

Take care and we'll see you down the road!

Field Director's Report

Dave and I thank everyone who helped to make the FCRV booth at the St. Louis RV show a success. For Missouri and Illinois combined, we had a record number of 109 people stop at our booth to chat and sign up for information, 62 of these were from Missouri. Jack Thomas, Mike Croxton and myself, called those families that did not respond to an e-mail regarding the get acquainted meeting. The meeting was held on February 16th with 4 families attending. I believe Gateway Chapter signed up 2 new families and The Slow

Travelers possibly 1 new family. I think the weather was a factor in the low attendance. We have some names for people outside the St. Louis area that we are sending info to and we will keep in touch with them. So we are looking forward to meeting new members around the campfire this year.

At the September MSCA meeting Mike Croxton mentioned an article that Edie Hensley had written for Conservation Magazine. Edie mentioned that it was available free to all MSCA members. After a follow-up with Edie it was determined that the magazine in question is no longer available to all members. Please see reply from Edie below.

Recently Conservation Federation of Missouri decided to feature affiliate in their Conservation Magazine. MSCA was selected and, at Mike's request, I wrote an article that

1st Vice President Report

Welcome all from beautiful Jonesburg, where we are again waiting for the snow and ice to begin once again. Hope this finds all of you happy, healthy and ready for camping. The 2019 St. Louis RV show is now history, and thank you to all that worked the FCRV booth. We had a lot of interest shown by the attendees, and many signed to attend the meet and greet. But as luck would have it, the day before the meet and greet, the snow and ice came again. The large number we were hoping for, I assume stayed away because of the weather. 2 families that did attend signed with FCRV and Gateway Campers. Also represented at the meet and greet were Slow Travelers. ALFS (Illinois) MISCA, and of course FCRV. Scott Serbousek made a great presentation to those in attendance.

Speaking of the snow, and we have had plenty, Lazy Daze Campground suffered damage

due to the heavy snow. The roof of the meeting room collapsed and the building is a total loss. I drove by there on February 18th to see what was happening. When I got there all I found was an empty slab of concrete, and snow. I called and spoke to the owners and was assured that the reconstruction of a new and improved meeting room would be complete by the beginning of camping season. So all is well at Lazy Daze.

Hope to see you all in April at Cottonwoods.
Lets Get Camping!

Daily Bread

As we camp together in a group (think "flock") we always need someone to lead us, (think "shepherding") that is, do the planning, set up the first campsite so others know where we all should be. Someone generally scouts the area for activities or plans the meals. Someone's campsite is chosen as where we should all gather. At the Spring Campout in April at Cottonwoods RV Park, the Sunday devotion will be on the 23rd Psalm. This Psalm, well known and loved by many, has some interesting meaning behind the words. While the words of the Psalm speak to our heart and offer comfort, I hope you'll join me

on Sunday morning to find a deeper meaning behind them and give you even more reason to love it. In the meantime, here's an easy, heart-warming recipe to hopefully put you in the right frame of thought to review this Psalm.

Easy Shepherd's Pie Recipe from SimpleRecipes.com

Prep time: 15 minutes
Cook time: 50 minutes
Yield: Serves 4

INGREDIENTS

- 1 1/2 to 2 pounds potatoes (about 3 large potatoes), peeled and quartered
- 8 Tablespoons (1 stick) butter
- 1 medium onion, chopped (about 1 1/2 cups)
- 1-2 cups vegetables—diced carrots, corn, peas
- 1 1/2 lbs ground round beef
- 1/2 cup beef broth
- 1 teaspoon Worcestershire sauce
- Salt, pepper, other seasonings of choice

1 Boil the potatoes: Place the peeled and quartered potatoes in medium sized pot. Cover with at least an inch of cold water. Add a teaspoon of salt. Bring to a boil, reduce to a simmer, and cook until tender (about 20 minutes).
2 Sauté vegetables: While the potatoes are cooking, melt 4 tablespoons of the butter in a large sauté pan on medium heat. Add the chopped onions and cook until tender, about 6 to 10 minutes.

If you are including vegetables, add them according to their cooking time. Carrots should be cooked with the onions, because they take as long to cook as the onions do.

If you are including peas or corn, add them toward the end of the cooking of the onions, or after the meat starts to cook, as they take very little cooking time.

3 Add the ground beef, then Worcestershire sauce and broth: Add ground beef to the pan with the onions and vegetables. Cook until no longer pink. Season with salt and pepper.

Add the Worcestershire sauce and beef broth. Bring the broth to a simmer and reduce heat to low. Cook uncovered for 10 minutes, adding more beef broth if necessary to keep the meat from drying out.

4 Mash the cooked potatoes: When the potatoes are done cooking (a fork can easily pierce), remove them from the pot and place them in a bowl with the remaining 4 Tbsp of butter. Mash with a fork or potato masher, and season with salt and pepper to taste.

5 Layer the meat mixture and mashed potatoes in a casserole dish: Preheat oven to 400°F. Spread the beef, onions, and vegetables (if using) in an even layer in a large baking dish (8x13 casserole).

Spread the mashed potatoes over the top of the ground beef. Rough up the surface of the mashed potatoes with a fork so there are peaks that will get well browned. You can even use a fork to make creative designs in the mashed potatoes.

6 Bake in oven: Place in a 400°F oven and cook until browned and bubbling, about 30 minutes. If

necessary, broil for the last few minutes to help the surface of the mashed potatoes brown.

Our membership contact in CFM has been out of the office thus responded this week to my inquiry about MSCA members receiving the subject magazine. I was unaware that a few years ago the CFM board made the cost-cutting decision to mail this publication only to officers of affiliates listed in their annual report, which I complete in March. Their form has one space for Vice President so I have used 1st VP name and address.

Old Business.

None

New Business.

Mike Croxton asked whether there was interest in sharing a booth again with ILSCA if they decide to participate. Sharing the booth helps with the vendor fee. In the past, Scott Serbosek, FCRV Vice President of Planning and Development, has been able negotiate the price to rent the booth for half price us and then

MSCA and ILSCA split the fee. Making a significant reduction in the price of the booth.

If the Board decides to have a booth at the St. Louis show volunteers are needed for: set-up and tear down; to work the booth; packet preparation; participate in follow up activities after the show which consists of contacting people who sign-up for more information and then with hosting the get acquainted event following the show.

There was discussion about having a booth at the Kansas City RV show or other recruitment activities to promote membership in the western part of Missouri. The price of the booth for this show is substantially higher and in recent years MSCA has elected not to have a booth at that show. Pat Crow suggested that it might be possible that the Kansas State Campers Association would be willing to split the cost of a booth at the KC RV show similar to what is done with Illinois.

There was discussion about alternating years for participation at the St Louis and Kansas City RV shows.

Don Hensley agreed to find out the cost of a booth at the Mid-America RV Show in Kansas City. The dates for the show are January 17-20, 2019 at the Kansas City Convention Center. He will provide the information to Dal Dodson. Mike Croxton appointed the following people to work as a Membership Committee:

- Dave & Pat Crow*
- Dallas & Barb Dodson*
- Dave Gish*
- Jack Thomas*
- Don Hensley*

There was no other New Business.

Jack Thomas moved to adjourn the meeting and David Gish, seconded the motion. Motion carried.

Meeting was adjourned at 10:15.

Respectfully submitted,

Sharlene Miller, Secretary.

Members enjoyed a great 2018 camping season with a week at the Amana Colonies and all they have to enjoy and also included a day trip to Pella, Iowa for the annual Tulip Festival. Our next campout was at Thibaut Point Park in Warsaw, MO where we visited the Truman Dam, one afternoon the gals did a painting project and we enjoyed outdoor movies. Our final camp out was at Table Rock State Park in Branson, MO where we went to the annual Vintage Trailer Meet at the KOA. If you enjoy seeing the older trailers, they had nearly 100 there! It makes a great afternoon activity. We also went to Dogwood Canyon Nature Park, dinner on the Branson Belle and some went to Silver Dollar City. We ended up the year with a wonderful Thanksgiving dinner and a Christmas meal followed by awesome desserts.

We started 2019 with lunch and several members attending the Kansas City RV Show where one of our couples purchased a brand new trailer (Congratulations to them!!). We are all looking forward to our 2019 camping season with trips planned for May 1-4 to Mark Twain Cave Campground in Hannibal, MO and Sept 8-13 at Majestic Oaks Campground in Eldon, MO followed by a final campout Oct 7-11 at DamSite COE Campground in Hermitage, MO. We also have several couples planning to attend Campvention in Hutchinson, KS in July.

Editor's Note: I have also added these pictures to the MSCA web site on the Pitch "N" Pull tab. Check them out full size.

Newsletter Information

At the current time, the plan for the newsletter is to publish on a quarterly basis. I am willing to do it on a more frequent basis if you, the reporters, are willing to contribute.

Until then, the deadlines for contributions to the newsletter will be March 1, June 1, September 1 and December 1. A request for articles will be sent out approximately 2 weeks prior to the deadline and again about 2 days prior to the deadline. I plan to send out requests for Christmas ads in early November to allow plenty of time for receipt of your ad and payment.

Previous newsletter editors were using Microsoft Publisher. Since Microsoft Publisher will not run on a Mac (and all of my computers are Apple products) I have begun using a different application. The first two issues were done with Microsoft Publisher but this issue and future issues are being done on a native Mac application. I know many could care less about this and really, the only reason I am telling you all of this is that I will need to adapt the Christmas ads to the new application. I'm not sure yet how I am going to go about doing this but I'll try to keep them looking as much like the previous ads as possible.

Please feel free to make suggestions or write an article for the newsletter. Maybe you took

an RV trip and would like to share your experience. Or maybe you had a new addition to the family. Feel free to share. And pictures are always welcome.

And one more thing about the deadlines. for articles. I will begin producing the newsletter as soon as articles begin coming in. I will take articles after the deadline but will not hold up publication of the newsletter. So PLEASE, PLEASE, PLEASE get your articles in as soon as possible.

So, once again,

Next Newsletter Deadline June 1, 2019

Don't forget - Daylight Savings Time begins on Sunday, March 10, 2019 at 2:00 a.m. So be sure to set your clocks forward by one hour.
