State Director's Message - Nancy Burbage

Hope everyone has been busy camping this summer.

Bobby and I have not been camping since spring campout. I have been back and forth to Lankenau Hospital in Pennsylvania with heart problems. I have had one surgery and waiting for the second one scheduled for August 29th. Hope everything will be finished before fall campout.

For the Fall Campout we have a great weekend planned. On Friday night we will have our potluck dinner, on Saturday after lunch with hot dogs, we will go to Camp Mardela for their annual dinner. We went last year and it was fun.

Don't forget Saturday morning business meeting at 9:30 on the 15th.

See you all then.

*Happy & Safe Traveling,
Nancy*

Notes from Editor - Glenn Michael

August snuck on me this year. I'm having some issues, and RVing isn't getting top priority. Not sure exactly why. It should always be first, but sometimes it just can't be. I will apologize for another late issue. Again I would invite anybody who would like to do the newsletter to volunteer. Perhaps the Director can be talked into appointing you. I am not sure I can continue to do the job, at least not as I believe it should be done.

Part of the way it should be done, I am finding it more difficult to get the material that should be in the newsletter. A newsletter should have news on what has happened and what is scheduled to happen throughout the year. And it should have that information from all levels, Chapter, State, Region and National.

We are not as active as a group as we once were. For sure I am not as active. Sometimes there just isn't much, or not much has happened and not much is planned. And, when items are planned, it's tough to get the information.

In going to the National website I am not finding a reservation form for the Campvention for 2019. I have included some photos from the 2018 Campvention at Dosell, VA thanks to Barbara Turner, who does a wonderful job of putting out an email that is very informative, and in that email includes a link to her extremely extensive collection of photos from Campvention.

Also the information for the 2018 Northeast Regional was hard to come by and I thank MD/DC for that Reservation form.

Happy Trails, Glenn

Some fun

DIFFERENT WAYS OF LOOKING AT THINGS

Two guys were discussing popular family trends on sex, marriage, and Family values.

Bill said, 'I didn't sleep with my wife before we got married, did you?'

Larry replied, 'I'm not sure, what was her maiden name?'

HA

A little boy went up to his father and asked: 'Dad, where did my Intelligence come from?'

The father replied. 'Well, son, you must have got it from your mother, because I still have mine.'

Mr. Clark, I have reviewed this case very carefully,' the divorce Court Judge said, 'and I've decided to give your wife \$775 a week,'

'That's very fair, your honor,' the husband said. 'and every now and then I'll try to send her a few bucks myself.'

A doctor examining a woman who had been rushed to the Emergency Room, took the husband aside, and said, 'I don't like the looks of your wife at all.'

'Me neither doc,' said the husband. 'but she's a great cook and really good with the kids.'

An old man goes to the Wizard to ask him if he can remove a curse he has been living with for the last 40 years.

The Wizard says, 'Well, maybe, but you will have to tell me the exact words that were used to put the curse on you.'

The old man says without hesitation, 'I now pronounce you man and wife.'

Two Reasons Why It's So Hard To Solve A Redneck Murder:

1. The DNAs all match.
2. There are no dental records.

A blonde calls Delta Airlines and asks, 'Can you tell me how long it'll take to fly from San Francisco to New York City?'

The agent replies, 'Just a minute.'

'Thank you,' the blonde says, and hangs up.

HA

Two Mexican detectives were investigating the murder of Juan Gonzalez.

'How was he killed?' asked one detective.

'With a golf gun,' the other detective replied.

'A golf gun!!! What is a golf gun?'

'I don't know for sure yet, but it really made a hole in Juan.'

Moe: 'My wife got me to believe in religion.'

Joe: 'Really?'

Moe: 'Yeah. Until I married her I didn't believe in Hell.'

A man is recovering from surgery when the Surgical Nurse appears and asks him how he is feeling.

'I'm OK, but I didn't like the four letter-words the doctor used in

Surgery,' he answered.

'Oh, I'm sorry...what was it he said,' asked the nurse.

'Oops!'

While shopping for vacation clothes, my husband and I passed a display of bathing suits. It had been at least ten years and twenty pounds since I had even considered buying a bathing suit, so I sought my husband's advice.

'What do you think?' I asked. 'should I get a bikini or an all-in-one?'

'Better get a bikini,' he replied 'you'd never get it all in one.'

He's still in intensive care.

The graveside service just barely finished, when there was massive clap of thunder, followed by a tremendous bolt of lightening, accompanied by even more thunder rumbling in the distance.

The little old man looked at the pastor and calmly said, 'Well, she got there!'

**DE FCRV STATE MINUTES
MAY 12, 2018 YODER'S CAMPGROUND**

Present were Foxwell's, Miller's, C. Joseph, B. Robinson, Burbage, Talbot's, I. and D. Smith, D. Smith and Millie. J. Stutzman and Simpson's joined for the day on Saturday. 13 camping and 3 day only.

Nancy Burbage opened the meeting at 9:30 and we said the Pledge of allegiance. The Fall 2017 minutes were approved and the treasurer reported a balance of \$2,780.31 in the treasury.

Nancy reported that there are 12 members (families) in Delaware, 10 of which are active. We no longer get our Maryland members included in our count.

The question was posed "should we spend down the treasury funds". The balance has remained the same or within a few dollars for a long time. The consensus was that we should spend down the treasury. After several options were presented and discussed, a motion was made to "pay the fee for 2 nights camping for those attending the Spring and Fall 2018 campout at Yoder's" (when a State meeting is held). The motion was passed.

Tonight's dinner will be at Rudy's at 5PM.

The camping schedule for the rest of the year was reviewed. Campvention is in July and Dianna Smith and Millie, Ivan and Della Smith and Janet Stutzman plan to attend.

Aug 16-19 White Oaks in PA, Sept 13-16 at Yoder's (State Meeting) with dinner at Camp Mardela on Saturday (\$10).

Oct 18-21 Mardella with possibly a cruise or museum Saturday afternoon and dinner at the Irish Pub.

No campout planned for November at this time.

The Christmas dinner will be Dec 9th and Dianna will check locations.

Caddie reported that Chubby had his 17 staples removed yesterday from his broken femur mishap at the Buddy Rally. He hopes to come home Tuesday and then therapy.

Della broke her ankle in November and found out in December it was actually 3 breaks. They replaced the plates and screws in January and she is much better now. She has 2 more weeks of therapy.

Nancy and Bobby have a new address.

CAMPVENTION 2018

Not many from Delaware attended the 2018 FCRV Campvention in Doswell, VA. From all accounts it was a great Campvention. These photos are from Barbara Turner as posted.

I did recognize Joe and Peggy Linns from MD/DC and I see they spent some of their Campvention time manning the Food Bank.

Also, there is the frequently extremely moving Flag burning ceremony to retire old and damaged flags properly.

Campvention 2019 will be held in Hutchinson, Kansas, July 7-13, 2019.
