Editor

As Editor, my requirements are as follows: All information must be to editor before 25 Oct for November Issue, 25 Feb for March Issue, 25 Apr for May Issue, 25 June for Jul Issue, 25 Aug for Sep Issue, and 25 Dec for Jan Issue. Anything after that date will not be included in the issue. I will not call anyone. If the report is not in on time I will print without it. I will send copies to KCA members and vendors only due to printing costs. Please call and leave a message if you want a paper copy (1 only) or you are receiving a paper copy and want email. I will add additional items as they become available. Also send me any suggestions for future Newsletters. Either email or snail mail your reports, I will not take them on the phone. My address is 4769 N Portwest St, Wichita, KS 67204. If you want additional copies please print them yourself. Mail copies will be in black and white. I am getting my list from the State Treasurer so if you chapter member got one and you didn't then I have the wrong information. I printed 75 papers copies last month. Two rims of paper and one ink cartilage. Also postage. Please consider email.

Presidents Notes

Our thanks to all attending KCA Spring State May 4/6 at the Hutchinson Fair Grounds. Also, our appreciation to members of the Sunflower Ramblers and the Pratt Firelighters for all their work to make this campout a success. The weather cooperated for once and a good time was had. The silent auction raised \$270 for travel expenses for the teen queen & king and the offering Sunday of \$105 went to *First Call for Help* in Hutchinson.

We are looking forward to Fall State at Lake Herington September 28/30, 2018 with Area I as hosts. Register early and take advantage of the \$10 discount. See more information in this newsletter.

Remember it's only six months till Christmas. Start your shopping now and avoid the rush. Besides if you go around singing Christmas carols, it makes those hot days feel cooler (or so they say).

As we are camping in different parts of the state, check out any festivals or activities close to the camp site or maybe unusual areas. Seeing or participating in new events is always fun. For example, the small town of Marquette has a first-class motorcycle museum and an old fashion soda fountain with great ice cream. Marquette is home to *Thunder on the Prairie* which is a large motorcycle gathering with vendors and food vendors including *Road Kill*. Kanopolis Lake is close and Mushroom State Park is just north of the lake. It's fun to take a sack lunch and spend some time there. The first time I went was on a field trip from school when I was in the 4th grade. We rode in a farm truck out there and the mushroom rocks were in a farmer's field. Now it is a State Park. Check out the Kansas State Guides or Marci Penner's Guidebook to Kansas for suggestions. And then there is that thing called the Internet. No telling what you will find.

As everyone travels this summer, let's all drive defensively! You don't hear that phrase much anymore, but I think we need to be constantly aware of our surroundings and keep an eye ahead, so we have time to prepare for any circumstance that might happen. Continue to spread the word about FCRV and the many opportunities membership brings.

Stay safe as we crisscross these United States. Enjoy the summer.

President – Don & Eileen Naasz

NEWS AROUND THE STATE

AREA I

Campfire Campers:

In May we tried a campground (new to us) at Riverside East Campground, John Redmond Lake, Burlington, KS. It was a really nice campground, quiet, lots of wildlife and birds – so it's on our list for another time. June found us at the Group Camp #1, Canning Creek Area, Council Grove. In spite of the heat, we always had shade in the shelter and a breeze. We spent most of the weekend enjoying the activities at Washunga Days. Since the Sunflower Ramblers were close by it was nice visiting back and forth. Garold & Linda Smith attended Keith & Beverly Koontz's 60th Anniversary Reception on Saturday, June 16 and brought back pictures for others to see. It was a really nice party – Congratulations to the Koontz's! Vern & Pam Failor, Florence Fox, Steve & Diane Hitchens and Garold & Linda Smith plan to attend the 2018 FCRV Campvention at Doswell, VA. The rest of our Chapter will be camping at the Burr Oak Campground, Perry Lake, July 13-15. Some of our members also plan to attend the Heartland Regional Campout at Missouri Valley, Iowa, August 2-5, 2018. Meanwhile we wish our fellow campers a good rest of the summer!

Mustangs:

In March the Mustangs had their last winter meeting at lunch at McFarlands in Gage Shopping Center, Topeka. Four families attended. Had a short meeting and enjoyed visiting. Mustangs did not camp in April, as members had too many conflicts. Three families (plus John and Phyllis Patterson, guests) camped at Lake Shawnee in May. Hunts were not available to camp but stopped by for a visit Tuesday evening. Had a campfire every night and ate at El Dorado Grill, 29th and Croco one evening. Maurice and Jim fished but did not have any luck.

AREA II

Kanokliners:

The Kanokloners camped at Idle Hour Lake south of Altamont the weekend of May 17th through the 20th. Hosting the event was Forrest and Faye Tennyson. Gabrielle Green, a friend of Bob and Neta Conway, joined us for dinner on Saturday evening. Club members recycled 128 lbs of paper, 15 lbs of plastic, 15 lbs of cardboard, 5 lbs of glass and 3 lbs of tin during the month of May.

In June we camped at Big Hill Lake on the Cherryvale side with John and Alberta Layton hosting. Joining us for dinner when we ate out at ABJ's Cruisers Cafe in Cherryvale on Thursday evening were Lindsey Clark of Columbus and Donna Tyler of Oswego. Camping with us were guests Randa and Becky Gallian of Olathe. All are friends of members Bob and Neta Conway.

Our next campout will be at the Post Oak campground on Lake Copan in Oklahoma the weekend of July 19th through the 22nd.

Kansa Travelers:

Since our last report the campers have been busy. We participated in Spring State at Hutchinson and Sunchasers in Winfield. This was followed by a great group of us going to Fall River. In spite of some rain fun was had by all who attended. We then went to Santa Fe Lake for the weekend which included going to town for the 60th Anniversary of Keith and Bev Koontz. We are still hanging in there with Tuesday evening dinners for anyone who can attend. We are almost to the halfway point of the summer but lots more fun to be had.

Ky O Tees:

The Ky-O-Tee's enjoyed a very nice campout below the dam at Fall River in mid May. We had members from eight of our twelve families. Some of us learned a new card game (Pokeno), for pennies, and those that walked away with more pennies had a very enjoyable experience, others, maybe not so much. The weather wasn't the very best a couple of nights, but no one got flooded out. The club enjoyed a Friday morning breakfast together and then a follow-on supper that evening. On Saturday morning we met at the Tri-corner store and had breakfast together. Worked out good because it rained quite a bit that morning. After breakfast most of us drove over to Chanute and visited the Martin & Osa Johnson Safari Museum. For those that have never been there, they have about a one-hour documentary on their experiences. Martin Johnson was a photographer who took many early wildlife movies in Africa, and also took movies of some tribes in the South Pacific. Very interesting and well worth the short trip over there. After visiting the museum we went to one of the local restaurants for lunch before heading back to Fall River.

AREA IV

Pratt Fireliters:

The Pratt Fireliters welcomed Steve and Janell back to the circle June 15-17, when they hosted the campout at Lake Afton. Dennis and Linda were also able to join us for the first time this season. It was a toasty weekend, but we had a shade tree and a stiff breeze. For the evening sandwich supper we moved to a picnic table between campers that broke the wind enough we could keep potato chips on our plates. A birthday cake and ice cream for Steve topped off the meal.

In May three families were at the state campout at the Kansas State Fairgrounds. It was good to meet with others around the state.

Peacemakers: Did not receive report this issue

Sunflower Ramblers: Weather is always a factor and especially when camping. The Sunflower Ramblers have endured extremes of all kinds this year. In May nine units went to Elk City Lake outside of Independence. It was a first trip for some of us and we found the area very pretty and that weekend very wet. It rained off and on all weekend with some wind and hail mixed in. We were glad Emory had reserved a shelter, so we had a mostly dry place to gather. The hardy were out for a potluck breakfast Saturday morning. It cleared enough for supper and a business meeting that evening. The Heins and Bartels had attended the International Retiree Rally in Tallahassee FL and shared some of their experiences at the Rally and their travels going and coming. One evening in Nashville, the Bartels were fortunate to discover a fire in their undercarriage. With the help of neighbors (Heins) and the local fire department damage was limited. Ask LeWayne for the rest of the story.

Fast forward to June and we are blown up to Council Grove at Canning Creek #3. This weekend the wind blew, and the temperatures pushed 100 degrees. Last year at Council Grove the temperatures were mid 70's. This is a well-maintained park and the shelter in the group areas provide shade for all. This was Washunga Days so there were many activities to entertain our group. John & Barb Geuy celebrated their 49th Wedding Anniversary Friday evening with dinner at the Hays House. Hosts Richard & Betty Stucky cooled us off with ice cream sandwiches later that evening.

Biscuits with Sausage Gravy was the breakfast fare for Saturday morning. We ate early so we could attend the parade in town and take in some other events. The heat dictated how much fun one could have. And the wind said no to a fire, so the polish sausages and hot dogs were done on a grill for supper. Put several guys together and they will figure out a way to get it done! A business meeting and visiting filled the evening.

We attended Sunday services at the Lake. The setting is peaceful, and the leader is always so appreciative of us coming and shares a timely message. Songs are our choice. Another tradition for us is to have lunch at the Saddlerock Café before we leave for home. The food never disappoints and the service rocks.

Our grandchildren are all special and accomplish many things. I want to tell you about one. Daniel Ochs, grandson of Larry & Betty McConnell, began his racing career in the winged outlaw sprint karts at the age of 7. Now at the age of 17, he drives flat karts. These Race Karts are just a few inches off the ground, they can go up to speeds close to 80 MPH, depending on the size of the track. Last year was his first full year competing as an adult driver. Daniel won the Adult Medium weight class in the Ozark Kart Series and finished in the top 3 in Maxxis Mid-West race series with having 16A feature wins in 2017. Daniel has raced at more than 35 different tracks in 10 different states during his career. Racing is a sport that demands long hours at the track, often he is at track for more than 12 hours at a time. This hobby has taught Daniel discipline and self-reliance. Larry & Betty enjoy watching Daniel race and try to make as many races as possible.

STATE WIDE CLUBS

Sunchasers:

The Sunchasers gathered for their Spring Rally May7 -10 at the Cowley County Fairgrounds in Winfield. Although we did not officially begin our meeting until Monday, a large group traveled from Spring State gathering in Hutchinson Sunday evening for fellowship. Our theme for week was CINCO de MAYO. Monday evening we had an enchilada potluck meal followed by our opening ceremony, table games and conversation. It had been about six months since we had seen some of our friends and it was great to catch up on what they had been doing and where they had been. It was also good to be able to welcome some who had not there before.

Activities for the week included a CAMP walk each day, a game of chair volleyball, beanbag baseball, dexterity games, card games, dominos, and table games. Our group walked and biked 75 miles! No couch potatoes in our group!

One of our meals was a Cinco de Mayo mystery meal. Our hosts the Buggeln's and the Hitchen's had created a delicious Mexican meal where each item had a mystery name. We were provided with a menu to order from and when your order arrived at your table, you were surprised to see what you got. It was great fun.

#

Tuesday evening we were entertained by the music of Hugo Chavez from Wichita. I personally could not understand the words because he did all of his singing in Spanish and I do not know Spanish, but could enjoy his voice and the quality of his talent.

#

Thursday was a full day with Betty Hollman from northwest Oklahoma who told us about raising llamas and sharing with us several varieties of llama fibers. It can be spun into a very soft yarn or felted to make hats, purses or wall hangings. It can be dyed any color desired. After her presentation, we were given an opportunity to try our hand at spinning, weaving, or felting. In the afternoon, Mark Meadows from the local school brought a couple of Robotics that his students had made and shared with us

about the program available to the students. Those students are smarter than me! The evening and our week ended with a wrap-up of the week's events and some strawberry shortcake.

We are looking forward to our next gathering October 1-5. If you are able to camp during the week, come and join us some for football fun.

Care Notes

Kansas FCRV Care Notes – May 1, 2018

To our Camping Friends,

It's been awhile since we sent out the last Care Notes. The Snowbirds are probably all back home and we hope they've had safe travels. Those of us that stayed in Kansas for the winter are more than anxious to get out camping and it's always good to see our fellow campers that have been gone. Don't hesitate to send us a note about yourselves or fellow campers whether it's something to celebrate or a concern. Remember our motto: "Where strangers become friends, friends become like family." Another quote: "Our organization is only as strong as our weakest link". So let's keep in touch with each other! We have a couple of notes to share:

From the Campfire Campers: "Vern Failor had some problems with his eyes a few weeks ago and had emergency surgery. All went well and he is doing fine – he reports some things are still a bit fuzzy." We wish Vern continued recovery!

From the Kansas Travelers: **Congratulations to George & Edie Snider on the celebration of their 50th Wedding Anniversary March 2, 2018.** We hope they can celebrate all year long and we wish them many more Happy Anniversaries! Their e-mail is: gesnider@gmail.com.

From the Ky O Tees: "Ann Newport fell in their camper while at the District Two Campout and is still having considerable pain. She has been sleeping in her recliner rather than the pain of trying to get in and out of bed. She is under doctor's care receiving medications and treatments." Ann, we're sending our wishes to you for a complete and speedy recovery! Cards can be sent to her at: 19353 S W Meadowlark, Rose Hill, KS 67133-8526.

From the Man-Kan's: "Daryle and Marilyn Frank are still having a lot of health problems and waiting for test results, etc." We wish Daryle and Marilyn better health and strength in the days ahead.

Let's take a minute to send a note to Larry Kahle: "We've heard that he is enjoying the cards from fellow campers. Cards can be sent to: Larry Kahle, Reflection Living, 1377 N. Iroquois, Wichita KS 67203." We'll be keeping him and his family in our prayers and if anyone in the Wichita area has a chance to visit with him, we're sure it will be appreciated.

From the Campfire Campers: "Jane Alft's Mother, Phyllis Cornwell, was taken to the hospital Friday, April 27 with heart problems. She has had numerous tests, surgery is a possibility and she is currently in critical condition." Our thoughts and prayers to Jane & Ed Alft, Jane's Dad and the rest of the family. Their e-mail is: jalft@alftinsurance.com or ealft@alftinsurance.com.

To the Man-Kan's: "Congratulations on 55th Anniversary in FCRV" What a milestone!

Congratulations to Keith & Beverly Koontz at their 60th Wedding Anniversary Reception!

If you know of someone that should be remembered in the Care Notes, send us a note so that we might share the information. We also like to get happy news, i.e. weddings, Special Anniversaries, etc. Staying in touch is one way to help keep our organization a little stronger. Please pass the above information on to those that might not have received the Care Notes. Thanks!

KCA Fall Campvention 2018

It's not to late Register for Fall State in Herington KS. See the registration form elsewhere in this issue.

Come have fun and enjoy the activities at the KCA Fall Campvention at the Old City Lake Campground in Herington, Ks Sept. 28-30. The theme is: "Experience Herington & the Historic Santé Fe Trail". The Campvention will be Friday September 28 through Sunday Noon September 30, 2018. **The weekend cost will be \$65 with a discount of \$10 if you register before September 17, 2018 making this FUN weekend \$55.00** There is a building and plenty of 30/50 amp electrical service. Parking will be Hobo style as you arrive except for the host committee and the handicapped campers. There will be activities planned for all ages: such as Fishing, Hiking/bicycling, CAMP, a FREE breakfast, covered dish dinner, programs both Friday and Saturday evening. We hope to have the raining KCA King & Queen. **We ask each chapter or family to bring 1 door prize.**

There is limited outdoor toilet facilities, but you all bring one with you so that should not be a problem. There is no water in the camp ground so everyone needs to have their water tank full when they arrive. For those that do not travel with a full water tank there is water at the fairgrounds at 801 S. Broadway. We will have a large sign there. Directions to the camp ground and the registration form is elsewhere in this issue.

Joke:

Many RVers will identify with these "laws of nature":

"OLD" is when your sweetie says, "Let's go upstairs and make love," and you answer, "Honey, I can't do both!"

"OLD" is when your friends compliment you on your new alligator shoes and you're barefoot.

"OLD" is when a sexy babe catches your fancy and your pacemaker opens the garage door.

"OLD" is when going bra-less pulls all the wrinkles out of your face.

"OLD" is when you don't care where your spouse goes, just as long as you don't have to go along.

"OLD" is when you are cautioned to slow down by the doctor instead of by the police.

"OLD" is when "getting a little action" means "I don't need to take any fiber today."

"OLD" is when "getting lucky" means you find your car in the parking lot.

"OLD" is when "all-nighter" means not getting up to go potty!
