Editor

As Editor, my requirements are as follows: All information must be to editor before 25 Oct for November Issue, 25 Feb for March Issue, 25 Apr for May Issue, 25 June for Jul Issue, 25 Aug for Sep Issue, and 25 Dec for Jan Issue. Anything after that date will not be included in the issue. I will not call anyone. If the report is not in on time I will print without it. I will send copies to KCA members and vendors only due to printing costs. Please call and leave a message if you want a paper copy (1 only) or you are receiving a paper copy and want email. I will add additional items as they become available. Also send me any suggestions for future Newsletters. Either email or snail mail your reports, I will not take them on the phone. My address is 4769 N Portwest St, Wichita, KS 67204. If you want additional copies please print them yourself. Mail copies will be in black and white. I am getting my list from the State Treasurer so if you chapter member got one and you didn't then I have the wrong information. I printed 75 papers copies last month. Two reams of paper and one ink cartridge. Also postage. Please consider email.

Presidents Notes

It's difficult to believe that we are half way through 2019! Let's hope that the second half of the year's weather is a little more settled and serene. First ice changed our plans and now water is raging across the State closing lakes and damaging roads and bridges, not to mention damage to homes and lives. We are very thankful for all the people helping to keep us safe.

We have been talking about Campvention 2019 for the last year and longer. Now it is within reaching distance, July 7/12. Many have worked preparing for this event to be held in Kansas at the State Fairgrounds in Hutchinson. More will be involved in the day to day business of Campvention. On behalf of KCA, we want to say thanks to each of you. Nothing of this magnitude is accomplished by just a handful of people. It requires a lot of volunteers and we are all volunteers regardless of our title. We are working to show all those attending Campvention the best time ever.

Relax and enjoy having a Campvention right here in our state. It won't get any closer than this. Make some new friends and renew others.

After Campvention, remember that KCA Fall State is September 27/29 at Spring Lake Resort near Halstead. Registration information is in this newsletter.

Enjoy the rest of the summer.

Don & Eileen Naasz

State Directors Notes

Summer camping is HERE!!! Now if it just would dry up enough to be able to get into the campsites. We have been isolated several times but not kept home. Sorry but Mother Nature had other plans for the Sunchasers Spring Campout. Two days early, we all loaded up early and took off before the grounds were covered. Then they were covered again only two weeks later. Hate to think about the mud to be cleaned up. We haven't heard of any members having disasters but if you have, please let us know as soon as possible.

If you aren't aware of it, we are one of the states hosting the International Campvention this summer in Hutchinson. We hope that you will be part of the group there. If you need a registration form, check the web site at fcrv.org or give us a call. If you don't know that you can attend until the last day, drive in, there will be registration forms there. At last check, Colorado registrations were still ahead of Kansas. Not good.

We have been sort of wrapped up in the preparations for the Campvention. If we have missed doing something or letting you know about something, we are sorry. Please call us on whatever it is. We are here to help but we always need everyone else's help also. It will be over soon and then we will get back to normal. Wait a minute, what is normal?

Don't forget to check out the camping clubs site list. If you can join another group & visit, do it. You will get to see other friends besides your own club. Just call the number and get the details & plans for the time out.

We hope to see you all out camping soon. Take care and be safe.
Earl & Ivalee Vanderhoff

NEWS AROUND THE STATE

AREA I

Campfire Campers:

In May seven families camped at the Riverside East Campground below the dam at John Redmond. This was interesting because they were letting water out of the 14 gates and every few hours they would increase the outflow. There was so much water fowl to watch. The sites there are nice with individual permanent tables and covers so makes for nice camping regardless of the weather. While at Burlington we visited the Coffey County Museum which is a really nice and informative.

In June eight families camped at Bloomington East, Cedar Ridge Campground, Clinton Lake. This is also a really nice campground – and we didn't have to worry about flooding. We spend Saturday attending the Territorial Days at historic Lecompton, visiting Constitution Hall and the Territorial Capital Museum, eating at the United Methodist Church and enjoying the shops, etc. The highlight of this trip was taking part in the interactive Re-enactment of an 1855 Kansas Territorial Meeting. As you can see Steve Hitchens was armed with a “Beechers Bible” for this important meeting. Luckily we all survived and no one got escorted out of the meeting.

Seven of our families plan to attend and be a part of the 2019 FCRV Campvention in Hutchinson and we're sure we'll come back with plenty of stories.

Our August Campout we will be camping with the Mustangs at Pomona Lake where we plan to attend the Retro Vintage Trail-er Rally, August 17, 2019 in the Pomona State Park. We will either be at the Michigan Valley Campground (if it is open) or the Carbolyn Campground.

Mustangs:

May 10 the Mustangs met at I-HOP in North Topeka to discuss our May 17-19 Perry Lake reservations being canceled due to flooding. Six families attended and the decision was made to have a short meeting and dispense with may campout.

June 21-23 camping at Council Grove was changed to Clinton Lake due to cancellations due to flooding at canning Creek camp ground. Members attended two different restaurants Friday evening and had pulled pork sliders provided by Judy and Jim. Other members brought various salads and snacks. Polly's cherry desert was served with ice cream. We survived storms that produced an overabundance of rain on Friday and Saturday night.

Kansa Travelers:

May 17-19 Big Oak Campground, El Dorado Lake.

Attending: David & Sue, Berry & Leslie, Sharlene, Howard & Joyce, Bill & Dianne, Avis, Glenn & Lynda, Keith & Bev. Driving in for Friday dinner @ Braums all the above, except Avis, and Barney & Virginia, Forest & Carolyn, Dale & Leslie. Brief visit Sat. morning from George & Edie & Barnetts. David & Sue did a fabulous job of hosting the group. Nice Warm campfires each evening. It did rain Sat. but the day was good. Fellas sat around the fire & most of the ladies played Rummikub in Dennett's 5th wheel. We all brought meat to grill & side dishes for dinner Sat. After dinner, Travel Master, Glenn held a meeting & we voted in new members, Howard & Joyce Cleous and discussed a new banner for the club. We enjoyed ice cream & cookies after the meeting. Sunday we enjoyed Biscuits & sausage gravy, followed by short sermon by Bill. Full Fun Weekend.

Our next Pow-wow was at Osage State Park in Oklahoma. We had a good turn out with the Barnett's Bradley's Gary & Jeanie Dennett's with their grandchildren, the Schreck's with their grandchildren, the Horning's, the Snider's and Gwen and Avis. The Snider's started off Saturday with a wonderful breakfast sandwich. We went to the Mercantile in Pawhuska and then to the place they film the Pioneer Woman. The next day we went to Woolaroc Museum & Wildlife Preserve southwest of Bartlesville. We all met at Dinks in Bartlesville for dinner.

Weekend of June 21-23 we camped @ Melvern Lake, Outlook Area. Had lots of rain. Saturday night it rained all night. We had a delicious Salad supper Friday Evening. We scheduled a potluck for Saturday evening but storms were forecast for the dinner hour. Not having a shelter available we changed our meal to noon time. After lunch the ladies went in to Joyce's motorhome and played a good game of Hand n foot. The gents stayed out side and visited while watching for the storm. It didn't happen until later in the evening. Camping at Melvern was Barney & Virginia, Dale & Leslie, Don & Laura, Sharlene, Howard & Joyce, Keith & Beverly.

We're getting ready for the big Campvention in Hutchinson, July 7-13. Hope ya'll will be there.

Next KT campout is July 26-28 @ Cheney Lake, Smarsh Creek area. Come join us.

Sunflower Ramblers:

The Sunflower Ramblers combined their regular May campout with KCA Spring State the first weekend in May. Area II had a fun weekend planned. We played card bingo, bean bag baseball and Faye had a fun game of FCRV Trivia. Rhonda brought her painting supplies and Aikens brought more rocks. With help from others the rocks were painted for the virtual rock game to be played at Campvention. Check out "FCRV ROCKS" on Facebook for pictures and the purpose.

Mercedes Tennyson treated us to Biscuits & Gravy Saturday as her thanks for our support of her as she competed for Teen Queen. Very thoughtful of her.

The group G.A.S.S. performed Saturday night and little did we know that would be their last performance. Glad we were privileged to hear them once more.

Sunchasers followed Spring State so several of us just stayed where we were and relaxed. That was until Sunday night when the weather turned serious and the room beneath the grandstand was opened for a storm shelter. Nothing better than being with friends and their pets in a storm. As you know, we survived that storm with more to come. There were lots of activities planned for the rest of the week, but they were cut short when the river rose and began flooding the fairgrounds. The staff at the City are very diligent and early Wednesday morning, Rick came to tell us it was time to leave.

The water wasn't finished changing our plans! We were to go to Marion Reservoir in June, but that lake was closed, and our money refunded. Most lakes in Kansas had the same problem and are still waiting for flooded areas to recede and the damage to be evaluated.

We chose a safe State Park with no river running thru it – Sand Hills State Park, northeast of Hutchinson. Sand Hills is a peaceful park and we had warm but good weather during the day. The evenings were nice until the bugs came out and we went in.

Griffins and Freys were hosts and served Biscuits & Gravy Saturday morning. This gravy was made the way that Elaine did for many years at their food booth at the State Fair. Emory grilled brats that evening and everyone brought something to complete the meal.

John & Twila Birdeno rejoined our chapter. It's nice to have them back.

Sunday after devotions we had lunch at the Pizza Ranch.

General Information

Tornadoes

After awhile I began to check RV parks where I stayed for an emergency shelter. Most didn't have one. I asked a Minnesota RV park owner if there was a place to wait out a storm if necessary — severe weather was in the forecast. She said the church a short walk away would open its basement. Sometimes there is such a place to go, but my experience is it's not common.

I realize that people in Tornado Alley and other areas where severe weather is common don't worry much: They have survived so many scares they simply assume they'll never be a victim.

But for those of us not accustomed to violent storms, the fear can be real.

Joke:

A couple is sitting in their living room, sipping wine. Out of the blue, the wife says, "I love you." "Is that you or the wine talking?" asks the husband. "It's me," says the wife, "talking to the wine."

REGIONAL RAMBLINGS FROM THE HEARTLAND

BY Gerry Pfirsch – April 29, 2019

Well everyone we are at the start of another new camping season. Have you been able to get the rig out and go camping this year? I hope you have. I must say that I have not yet. Weather has been something for us here this year. Sunday morning, I woke to about 1 inch of snow on the ground. It has been a rough spring here in the North West. May is the first planned outing now for me. Many of our members have had a rough go of it this Spring from unsettled weather to Major Flooding including heavy spring snows in our Region. We need keep our members in our prayers as they work to put life back to normal. We have lost long time members, please keep the families in your prayers. Reach out to them with cards and calls as I know that you are and have been doing.

Planning is ongoing for July and It is growing closer each day. We still need volunteers and have positions to fill. We need each of you in July. There will be many jobs that you will be able to help with after getting to Campvention and are on site. It is time to get your registration in and we would love to see you there. I am going to take this time to let you know that the Regional Directors have been looking at the Future of Campvention and FCRV. We have a job and a half ahead of us and that job is going to be many folds. We need to increase membership and the membership recruitment work in the days to come. This will take each of us to reach out and sign up family, friends, neighbors that we know that are camping families. It becomes each of are jobs to make them part of our camping family. This will be hard for some of us to do and will be easy for others to do. Let me say it is not as hard as we build it up in our mind when we go out and talk to them. At the end of this I will have a short survey that I will ask that you send me with your thoughts and answers to questions that we need information for what we are working on. I will keep it short and ask that you return your answers by email or regular mail to me as soon as you can. I would like to have these by mid-June to take with me to Campvention. Your input is very important to me as your Regional Director. Like Uncle Sam I need You and Your Voice so please take a moment and help us out with your answers. You will be also getting a survey from the National Office this is a survey for National and I ask that you also answer it as well It will be a different list of question and we will use this to look at the future. Pleas take a few moments and answer both.

As you know in 2019, we will not be holding a Regional Campvention here in Region 3 with the hosting of Campvention in Kansas. I ask each of you to support your State outing and be involves in the activities that they have planned. I also ask that you support your State Directors as they have stepped up and are doing the job that in many cased no other person would step up and take. Many of them go above and beyond to fill the job that they have taken on. Your support is critical to help them fill the needs of your state. I also ask that you help by being willing to take on a job and help by filling and doing a job that is open in your state and ask that you just do the best that you can to fulfill that job. Many states have open positions that need someone to step up and take the job and make it the best that they can. Please consider a position and just do the best that you can your state needs you and your talent. Just as we need you and your talent at Campvention this year.
