Message From the President

We hope you had a relaxing and safe Memorial Day weekend. We were in Iowa for graduation class reunions, all-school alumni event, and decorated graves of

family members at three cemeteries. They've had lots of rain there too. It was a scary night in Kansas City Tuesday with tornadoes all around us and warning sirens sounding. So thankful for no damage in our neighborhood (just lots of rain), but communities not far from us had touchdowns and extensive damage. Our thoughts and prayers go out to the many victims of such devastating loss across the Nation.

MSCA Spring Campvention is history, but we're still thinking of the great time and happiness of seeing everyone after the long winter. An added benefit was having distinguished guests for the weekend: Reigning Retiree King and Queen Matt and Marla

Mantia from Illinois, friends Dale and Rose Schreck from Illinois, and former FCRV President David Ludwig and spouse Linda. The weekend began with a bountiful potluck meal together Friday evening. Saturday was a busy day with breakfast served by Gateway and Slow Travelers Chapters, business meeting, Chinese auction ticket sales, website seminar by Paul Standiford, evening meal with MSCA furnishing cookout meats of hamburgers, brats, and hotdogs and participants sharing other foods. The day concluded with the drawings and distribution of Chinese auction items and more visiting. The finale of the weekend was an inspiring devotion and sing-a-long led by Chaplain Beth Standiford. We missed those of you who were unable to camp with us.

Be sure you have on your "must-do" list the MSCA Fall Campvention September 13-15 at Lazy Day RV Park, Danville, MO (573.564.2949). We look forward to seeing you there. Make your reservations directly with the campground now to assure a campsite is saved for you. No

charge will be assessed to your credit/debit card until you check in at the campground.

MSCA 2020 camping locations will be selected at the Fall Campvention. Please bring suggestions for consideration. It is imperative to have confirmed details for each location--cost, and availability of meeting room, number of sites, and spring and fall dates.

This is also MSCA officer election time. Darrell Thomas is chairing the nomination committee. He's anxious to hear from you on the area you want to serve. President, 1st Vice President, 2nd Vice President, Secretary, or Treasurer. Duties for each is clarified in the bylaws.

Other campouts this summer include the 7-State Region 2 Campvention June 27-30 at Texarkana RV Park, Texarkana, TX and FCRV International Campvention July 8-12 at

In Memoriam

Austin S. Duncan, 84, went home to be with the Lord March 24th 2019. Austin honorably served his country with pride and dedication for 20 years. He was awarded the Bronze Star in Vietnam when his platoon came under fire and a fellow soldier was wounded. Austin took that soldier to an aid station, then immediately returned to his platoon to help in the fighting. His actions that day saved at least one life and were considered heroic by the men of his platoon. He was awarded the Air Medal after he served more than 200 hours in a Huey as an air observer over enemy territory and the Distinguished Service Medal during the Tet Offensive when he was off duty and about to head away from the fighting and instead hitched a ride on a Huey and spent the next 25 hours as an air observer directing fire onto three battalions on North Vietnamese who were attacking. He was proudest to have received the Purple Heart.

He was respected and loved by those who knew him as the genuine man he was. His sense of humor and loving devotion to family, friends and Sophie (his 4-

Missouri State Director's Report

Mother Nature has been putting us all through tests this spring. Barb and I made a trip the first week of May to Winfield,

Kansas, to attend their Retiree Chapter (Sunchasers) camp out. We were awakened early on Wednesday morning and told we needed to evacuate the fair grounds. Seems as the Walnut River was already out of it's banks (we had been watching weather) and would continue to rise. We left 2 days early and it did indeed flood that day. I also know the the Slow Travelers had to leave their camp out at Hidden Valley Outfitters, near Lebanon, (on the Niangua River) early because of flooding.

Hope you are planning to attend the Campvention at Hutchinson, Kansas, July 8-12 (arrive July 7). There is also a SCWR Regional at Texarkana, TX June 27-30. They are planning to travel from the Regional to Campvention, with a couple of stops along the way and arrive for early days (July 5 & 6).

Support your local chapters, attend your state and national camp outs and meetings. Don't be afraid to volunteer, our organization is run by volunteers just like you!

See you down the road!

Dal & Barb Dodson

Field Director's Report

Missouri had a good turnout for the Retiree Rally in Houma Louisiana in March. Not only Slow Travelers but other chapters were represented as well. We got used to the warm weather there but Mother Nature gave us a rude awakening when we got back home. Our camping has been delayed due to rainy and chilly weather. Dave and I missed the MSCA campout but heard everyone had a good time. We want to encourage everyone to check Shutterfly for all the different chapter camping schedules. It would be fun to camp with other chapters this year and see what kind of activities or tours others groups are doing. I know all the chapters are fun, friendly and welcoming. If you need info on camping schedules you can also contact us. So everyone take care and we will see around a campfire somewhere. area

Feed My Sheep
 - Food Bank
 I am looking forward to the Fall Campout at Lazy Days. Once again we will be taking a collection for the food bank run

by the First Baptist Church there. In the past, the support you have provided has been outstanding and I am hoping for similar results this year. Since this food bank is run by a church they are able to provide more than food to the many families they assist, so please feel free to donate non-food articles such as cleaning supplies (dishwashing soap, laundry detergent, dryer sheets, hand soap) feminine supplies, paper products, personal care items (shaving supplies, deodorant, toothpaste, toothbrushes, bars of soap) for both men and women, and even pet food. Kids like treats so cookies are always appreciated. Regretfully, they cannot take home baked goods. If you would prefer to give cash it will be used to stock the church's freezer with meat and poultry and to fill in when donations run low. This food bank serves over a dozen families every month and while that may not seem like a lot you have to remember it's a small community and they are usually only remembered by other donations during major holidays. While we are having fun, we provide a much needed boost to this community and they want you to know they are very grateful. Two things they currently have an overabundance of are canned tuna and green beans so if at all

possible, please shy away from those two things. Let me thank you now for your generosity in this endeavor.

I want to thank everyone who attended the Spring Campout Devotion on The 23rd Psalm. I hope it brought something to each of you. I hope you will return at the Fall Campout at Lazy Days when my topic for devotion will be on birds of the Bible. Once again there will be coffee cake served at the devotion but it will be a different kind.

Slow Travelers

I hope everyone had a good time, that is what time we had at Hidden Valley Outfitters.

Just a reminder, Lazy days campout is September 13 through the 15th. We will be leaving from there to go to Osage beach on September 16 through the 20th.

Don't forget at Lazy Days we will be picking where we want to go for next year. Also let Al Bahl know if you plan on going to Branson for Veterans week.

For those that are going to Campvention in Hutchison Kansas the dates are July 5 through the 12. We will see you there.

And for those that didn't know we are the chapter of the year.

President, Slow Travelers

Pitch-"N"-Pull

It is with much sadness that I must report that our dear friend Austin Duncan went to his heavenly home on March 24, 2019. He will be greatly missed by all in Pitch-"N"-Pull and those that knew him. Our hearts go out to his wife Dorothy. May you Rest in Paradise Austin

In other news, two P-N-P members were able to attend the MSCA rally at Cottonwoods RV Park in Columbia and enjoyed visiting will all including Dave Ludwig who is a past member of Pitch-"N"-Pull.

Following our stay in Columbia we moved on to Mark Twain Cave Campground in Hannibal, MO where we were joined by 4 club members and a guest. We really enjoyed meeting you Susan and hope you consider joining our group.

It began as a cold and wet campout and we even wondered about needing to move due to flooding but all was well and by the end of the week the sun came out and we had 2 beautiful days of sunshine. We visited the Mark Twain Museum and boyhood buildings, ate at Becky Thatcher's

Diner and a couple of other town eateries, walked around town, and thoroughly enjoyed our visit including the show, "Mark Twain Himself". If you ever get a chance to camp in Hannibal I'm sure you will love it.

Our next adventure will be Campvention in Hutchinson, KS. Hope to see you there!

Carl Staas thanked Paul Standiford for his work as the Missouri Camper editor. No report. Debbie Ludwig absent.

Membership

Darrell Thomas gave an update for the Membership Committee:

- Darrell and Pat Thomas and Dave and Pat Crowe attended the St. Charles Show in the fall of 2018. They reported that it is a better location than the St Louis RV Show for trying to promote MSCA because the area is in a better location; parking charge is much less; the time of the year is better. In St. Louis there

have been issues with parking when other conventions and activities are scheduled at the same time.

- It was decided that the Kansas City RV Show is too expensive (\$800 per booth) and MSCA will not have a booth at that show.
- Darrell Thomas made a motion to participate in the St. Charles RV Show rather than the St. Louis Show. Beth Standiford seconded the motion. The motion carried.

Newsletter Information

Thank you to all who contributed to this newsletter. There is always room for more information. As stated previously, the deadlines for contributions to the newsletter will be March 1, June 1, September 1 and December 1. A request for articles will be sent out approximately 2 weeks prior to the deadline and again about 2 days prior to the deadline. I plan to send out requests for Christmas ads in early November to allow plenty of time for receipt of your ad and payment.

I have asked each chapter to contribute articles but anyone is welcome to contribute. Don't think you have to be a great reporter - just send the information and if you want it massaged we can do that. In the past I have only sent the request for articles to a small group but from here on I will send it to all MSCA members to remind you that anyone can contribute articles.

This year Gateway Campers has participated in two chapter campouts. The first was at Whittington Woods (Benton IL). The weather was threatening but we were able to break camp with a lot of sunshine. Some went antiquing. Some went to the winery. Most went to Pop's BBQ. I believe all had a good time. (Knock, knock... Who's there?.... Never seen this guy before....)

The second campout of the season was at Onondaga State Park. The weather was not quite so good. We did manage to get to Belmont Winery (wonderful food). Several of us managed to play a bit of bean bag toss. A Saturday evening potluck was enjoyed by all even though our fellowship was cut short by a downpour.

Our next campout is June 21 - 23 at Mark Twain Cave Campground. Join us if you can.
