Presidents Notes

Greetings! The **year 2020** has been anything but business as usual. Covid 19 needs to be considered in all activities. We all need to be careful and attentive to our surroundings and actions. Precautions will be taken for everyone's safety.

KCA will have their Fall State campout September 25/27 at the Fairgrounds in Winfield with Area II hosting. This gathering will be scaled back from what we normally do at a State event.

The reason for coming is still there – to see and visit with friends. To catch up, spend time and relax.

The cost of camping at the Fairgrounds was \$12/night and is now \$17/night. (I'm sure they had lots of flood damage last year.) That amount was rounded off to \$20/night. If you stay Sunday night, pay the City \$17.

The cost for Fall State is \$40 with \$3 for a drive-in. The four days for Sunchasers will be \$80 (September 28/October 1). Both fees are payable at the beginning of each event.

Water is available in the area to fill your tank. Neighbors are good at assisting with water and electricity, if needed. Registration for Fall State begins at 3:30 pm Friday afternoon. Evening activities at 7:30 pm.

Fall State will **NOT** have any potluck or group meals. We will not have any water in Building 10. Plan to eat on your own. There are tables in Building 10 for us to use. Winfield has several good restaurants if you prefer to eat out. **NO** cold drinks or coffee will be in the building. Please bring your own drinks.

The KyOTees will have several games to play and John Hendrick will set up for movies. You may bring a favorite movie on DVD and the group will decide which they want to see.

Bill & Dianne and Steve & Diane have more information about Fall State and Sunchasers in this newsletter. Pack your RV's and head south to Winfield for a relaxing, fun time with friends. Moments together is great therapy. An opportunity to shake off some of the stress of the times.

Don & Eileen Naasz.

State Directors Notes

We are ready to see fellow campers!!! Are you??? It has sure been a different year. Several chapters plan to gather at the state fair and of course that isn't happening this year besides all of the chapter campouts moving or cancelled. My chart (started with the chapter reports) looks really altered. Think I have all of the changes though for the record. International Campvention was "virtual" and just wasn't the same. We are already making plans for the trip next summer to Wisconsin.

The Area 2 people are working to make plans for the Fall KCA Campout. If you are comfortable to be around folks outdoors (with space), please come to support them and catch up with everyone on September 25, 26, 27. It is at the Winfield Fairgrounds and will be followed by the Fall Sunchasers at the same location September 28 – 30. The Sunchasers is open to all who can camp during the week and that does mean anyone. The majority may be retired but you don't have to be. Besides, you probably have retired from your teenage year's jobs. Right? We are getting used to wearing masks in the stores & if you are more comfortable wearing them outside and anywhere else, please do so.

We have been working with the National office to get Kansas members updated for membership. You can help us out by checking your membership card and making sure when you are due. We don't want to have anyone "dropped". If you have any question, don't hesitate to give us a call. Don't ever stop asking and inviting your neighbors or friends from church etc. to join you camping. The industry has seen tremendous growth this year because so many other activities are not available, so folks are camping. Get them involved with the group.

Life keeps changing for all of us. We have heard of joys and oh-my-gosh situations all around. We know that there have been births and illness and accidents. Let someone know what is happening with you

or let Linda Smith know directly so that she can include you in the Care Notes.

Camping – you bet. We are ready. Come join us.
Earl and Ivalee Vanderhoff, KS State Director for FCRV

NEWS AROUND THE STATE

AREA I

Campfire Campers:

Campfire Campers

We had our first campout of the year in July at Cedar Ridge Campground, Bloomington East, Clinton Lake. It was so great being out and seeing everyone again. We had ten families there and we spent our time “social distancing” and catching up on all the families news, etc. The weekend was beautiful and the storm went south of us. However, Jerry & Connie Sims, Melvern Lake, were hit by a bad hail storm with lots of damage.

Our August campout was held at Michigan Valley Campground, Pomona Lake with nine families from Campfire Campers. We camped with the Mustangs Chapter – which was really nice to have a chance to visit with all of them meanwhile, keeping our social distance. Many of both groups attended the Vintage RV Rally that was held August 15, at Pomona State Park. This is always interesting to see the creative ideas for those memorable RV’s. Our September campout will be at Arrow Rock Campground, Melvern Lake, Sept. 11-13. Our last campout for the year will be Oct. 9-11, at the Outlet Campground, Pomona Lake.

Mustangs:

In July 2020 the Mustang club met at Marion county lake. 5 families attended. At various times we all made it into the town of Marion to shop and eat. At the camp ground we had good shade and enjoyed visiting, In August we meet with the campfire campers at Michigan Valley on Pamona lake. mustangs had 7 families attend. We all enjoyed visting, and on saturday enjoyed sitting around a camp fire.

Meeting was called to order by the president, Dorothy Cole. There was no meeting in June as we only meet every other month.

There was 5 pounds plastic, 4 pounds cardboard and 20 pounds of paper recycled.

Sixteen miles were walked in May and 10 miles in June.

Dorothy stated she sent the report to Ivalee by snail mail as she stated she did not get them by email.

No other committee reports were given. No old or new business.

Dale made a motion to adjourn and seconded by Faye.

Next campout will be at Big Hill Lake August 20-23 on the Cherryvale side with Dorothy as host.

Kansa Travelers:

Melvorn Lake June 26-28 Powwow

Gary and Jeanne Dennett, Howard and Joyce Cleous, Avis Nelson, Barry and Leslie Bradley, Glenn and Lynda Maier, Gwen Hillis, and Bill and Dianne Buggeln were in attendance.

A lot of visiting took place along with playing a little fast-track and Rummikub. Saturday evening a pot-luck dinner was enjoyed by all.

The Kansa Travelers ventured to Elk City State Park for a powwow held from July 10 to 12. Due to the ongoing

health situation and some hot and rainy weather, Chapter activities were a salad supper on Saturday and visiting. Some went hiking and swimming. In attendance were: Howard and Joyce Cleous, Glenn and Lynda Maier, Leslie and Barry Bradley and son Darin, Bill and Dianne Buggeln and granddaughter Abby, Avis Nelson and nieces Sophie, Lainey, and Lorianna. Avis's camping friends Aaron Miller and Janice Dunn also attended. Everyone enjoyed the facility and is looking forward to a return visit.

Kansa Travelers gathered the weekend of 24-26 July at Cheney Lake. Attending were the Maier's, Cleous's, Bradley's, Buggeln's, Koontz's, Avis Nelson and her great-nieces Lainey and Lorianna and Hosts Gary and Jeanie Dennett. Friday was mostly settling in and visiting. Saturday was a few games and we were joined by Barney and Virginia Barnett, Sue and David Dennett, Bob and Kathy Schreck, Earl Vanderhoff, Sharlene Hayes, and Carl and Gail Burger for potluck dinner. We had a visit from the Mashak family and it was great to catch up with everyone. It has been a slow year but we are getting back together and enjoying the company.

Well, this time Kansa Travelers ventured to Spring Lake. Again things were limited by Covid restrictions but in spite of this the following people attended Barry and Leslie Bradley, Keith and Beverly Koontz, Gwen Hillis, Howard and Joyce Cleous, Glenn and Lynda Maier, Gary and Jeanne Dennett, Sharlene Hayes. Carl and Gail Burger were guests of Gwen at our club meeting. We started on the next year calendar in hopes of a better year. Lots of visiting was enjoyed!!

Ky O Tees:

Greetings fellow campers! What a change to our 2020 camping season. Usually April and May are filled with fun get-to-gather's and catching up with people we haven't seen for months. Hilgers and Cleavelands were able to camp at Anthony city lake in May and June found the Hilger's, Cleaveland's and Limper's at Sand Hills east of Hutchinson.

Our first Ky-O-Tee group campout was in July in Council Grove at Canning Creek Shelter #2. Those in attendance were Limper's, Cleaveland's, Hilger's, Tutt's, Newport's, Hendricks and guests the Vanderhoff's. We did practice our social distancing by not having our usual group meals but did one evening where pizza was provided for all. The weather though hot was not as bad as predicted and with a nice breeze we were able to play outdoor games including corn hole and ladder golf as well as dominoes and cards. On Wednesday morning Bill Cleaveland had made wooden napkin holders for all of us to paint. Not only are these perfect napkin holders but are great for holding down the table cloths in the wind.

Evening we had camping trivia contests as well as 3 movie nights. Just like going to the drive ins but setting in our lawn chairs! All in all a fun filled campout with lots of time to visit and catch up with everyone we hadn't seen since 2019. Our August campout was to be at Spring Lake but due to the clubhouse not being open it was decided to cancel and look for someplace with a shelter. Safe travels to all and hope this virus allows us to meet in September for fall state and Sunchasers.

Pratt Fireliters: The Pratt Fireliters were all together for a supper meeting in February, back before we knew our worlds were changing. We talked about Dennis and Linda's 50th anniversary cruise of the Hawaiian islands, members' grandchildren, health issues, future plans - regular stuff.

In August, four of the five families were together again, camping at Anthony City Lake for a weekend that included water sports (jet ski and inflatable boat), a potluck supper and lots of visiting and catching up.

Two families camped at Fall River State Park in July. We noticed several young families in small trailers and tents, maybe supporting news of an increase in RV sales in light of the COVID 19 pandemic.

We're planning to travel to Winfield in September for the fall state campout.

Sunflower Ramblers: 2020 August Sunflower Report –

The hot days of July found us at Kanopolis Lake in Loop D of the Venango Area. Nine units gathered in a new location for us. We did have some breezes early and late in the day. Hosts were Smiths and Mashaks. They started our weekend with an ice cream treat Friday evening which we had to eat quickly before it ran down our arms. Just like when we were kids.

Saturday was spent relaxing in the shade or cool air inside during the heat of the day. There was plenty of walking and talking. That evening we made our own sandwiches and shared salads and desserts. The hosts had watermelon and strawberry short cake.

Sunday morning, we did a potluck breakfast which is always good and plenty.

In August, eight units were at Bemis Creek at El Dorado Lake. (Word of caution: If you go don't put "Bemis Creek" in your GPS. It will take you to the northwest side of the lake in the primitive area. A GPS does not know its way around a lake.) We appreciated pretty sunsets and sunrises with smooth waters around us. We had our usual Friday night treat. Dennis & Judy Hein and DeWayne & Donna Bartel were hosts for the weekend and started us out Saturday with pancakes and sausages.

Rhonda and her sister, Becky, showed how to make delicate flowers using aluminum cans and a pair of scissors. Since it was a spur of the moment deal the painting had to wait till they got home. Understand there were some Mexican trains going thru camp that afternoon.

That evening hot dogs (big & little) were grilled and we all added to the table. The evening was very pleasant for visiting until after dark.

Sunday morning, Barb Geuy lead devotions for us and then we had lunch at Willie's in town.

Kansas FCRV Care Notes – July 17, 2020

To Our Camping Friends,

We hope that you are able to get out and enjoy the summer in spite of the covid-19 virus. It certainly has changed our world. Now more than ever it is important to stay in touch with friends and family i.e. phone calls, notes, etc. We have a couple of notes to share with you:

From the Campfire Campers: "Don Fox, Age 64, passed away unexpectedly Tuesday, July 14. He is the son of Florence Fox. Cremation has taken place and a private family memorial service will take place. A Celebration of Don's Life will be announced at a later date by the family. The complete obituary can be found at www.dovetopeka.com." We were so sorry to hear of Florence's loss. Cards can be sent to her at: 5301 SW 31st Terr., Topeka, KS 66614. Our thoughts and prayers are with the entire Fox family.

From Dallas & Barb Dodson, MO: "Dallas was recently diagnosed with lung and bone cancer. He started radiation this past week, has another week or so to go, then the Doctors will re-evaluate his condition and decide on the next step." I visited with Barb a couple of days ago and their spirits and hopes are as good as they can be under the conditions. They really need our prayers and prayer warriors. Cards can be sent to: 705 Colby St., Willard, MO 65781 or e-mail dallas.dodson@sbcglobal.net.

Kansas FCRV Care Notes – August 16, 2020

To Our Camping Friends,

What a beautiful summer day we've had today in our area – perfect camping weather. We hope you have had some similar days to enjoy this time of year. By now most of you have probably known someone that has gotten the covid-19 virus. It's a big concern and we continue to wish good health for all.

We have a couple of notes to share with you:

From the Kansa Travelers: “Dianne Buggeln fell last week in her yard and shattered her arm just below where her shoulder had once been replaced. She is scheduled for surgery Tuesday, August 18 and plans to be released on Aug. 19th. They plan to do a reverse shoulder replacement. Bill reports that she is in much pain. She will have at least six weeks of immobility followed by weeks of physical therapy. From past experience she thinks it will be one to two years before she has good use of the arm and shoulder.” Many of you have known Dianne and Bill through Sunchasers, and many other activities and events in Kansas as well as Campvention and Retirees Rallies. They both need our prayers right now and in the future as she recovers – it will be a long recovery process. Cards can be sent to them at: 12215 S W Shumway Rd., Augusta, KS 67010-8486, or e-mail buggelnb@gmail.com. Bill also mentioned that a phone call might help brighten her days, Ph: 316-655-4296. We know cards don't take away the pain, but maybe it will help just knowing others are with them through this tough time.

From Dallas & Barb Dodson, MO: “Dallas (was recently diagnosed with lung and bone cancer) reported on August 5 that he had completed 10 sessions of radiation the week before. He says it wasn't too bad, other than draining his strength. He has started Chemo, three different medicines, as a treatment every three weeks and is hoping to recover between treatments. He will continue these treatments until the end of the year. Consequently that might end their camping days for this season.” For those that may not know, Dallas & Barb started with FCRV in Kansas a number of years ago and continue to come back whenever possible for various events. They continue to need our prayers and prayer warriors. Cards can be sent to: 705 Colby St., Willard, MO 65781 or e-mail dallas.dodson@sbcglobal.net.

FCRV 2020 Campvention activities were virtual at <https://fcrv.org/com-camp-with-us/campvention/campvention-2020>. We hope you were able to tune in to some of the activities. Again, kudos to the team for all the work to make this happen.

If you know of someone that should be remembered in the Care Notes, send us a note so that we might share the information. We also like to get happy news, i.e. weddings, Special Anniversaries, etc. Staying in touch is one way to help keep our organization a little stronger. Please pass the above information on to those that might not have received the Care Notes. Also, it has been called to my attention that sometimes the Care Notes end up in your SPAM file (cyber gremlins) – so check your SPAM folder often. Thanks! Good Health and Safe Travels and we're looking forward to seeing you “down the road”!

I would like to take this time to thank everyone that sent a card, e-mail or called when my son Donald passed away unexpectedly. Your kindness meant a lot.

On average, 37 people are killed in wrong way collisions each year on California's highways. Most wrong way incidents are caused by drivers who are severely impaired and occur in the left-hand lane for vehicles traveling in the correct direction. — *SOURCE: Caltrans*

LET'S GO CAMPING

Plans are being made for FALL STATE 2020 – September 25/27

We have moved the activities from the grandstand to more of an outdoor venue. We will be having most activities in Building 10 at the Fairgrounds. Cost will be \$20 per day/night you attend. \$3 for a drive-in. Activities are being worked on by Eileen Naasz, Ivalee Vanderhoff and Mary Ann Hilger. It is going to be a little different from the past due to Covid. Masks will be optional for all who attend. We will be looking for you. NO ADVANCED RESERVATIONS – all payments made at state.

Plan also to attend SUNCHASERS 2020 – September 28/October 1.

Again we have moved the activities to the outdoor venue. We will be having most activities in Building 10. Cost will be \$20 per day/night. Activities are being planned by Steve & Dianne Hitchens and Mary Ann Hilger. Again, masks will be optional for all who attend. NO ADVANCED RESERVATIONS – all payments made at the campout.

ON A PERSONAL NOTE – Dianne and I had planned to be very involved in the planning and camping activities, but due to her accident and surgery we are unable to. First, a big thank you to all who will be helping with the campouts. Second, things will not be as structured this year as in the past due to Covid. In my discussions with the others, we felt the first thing was just to camp and relax with a good time of fun and fellowship.

Dianne and I hope to be around, but it all depends on how the recovery goes. Again, we say thanks and have a great time.

We love you all,
Bill & Dianne

We hope everyone can stay for Sunchasers after Fall State! We will have donuts Monday morning, Walking Tacos (\$2.00 each) on Tuesday, Biscuits and Gravy on Wednesday morning and order in Pizza (\$2.00 a slice) on Wednesday night. Pack a Brown Bag lunch on Thursday and we can all eat together! The rest of the meals are on your own! Here I come Braums!!!!!!

We will have Trivia, a Scavenger Hunt, and lots of other things to do. We left time to sit and enjoy each other's company to talk or play games. Hope everyone will have a great time!!!

SOUTH CENTRAL WEST REGIONAL KIDNEY FUND and FALL STATE

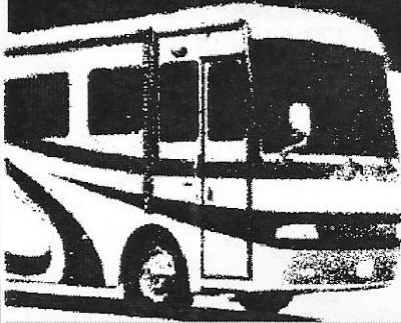

Remember the SCW Regional Kidney Fund? When Kansas was a member of the SCW group, we were part of the building up on the Kidney Fund. It actually was originated here in Kansas to help a member who was on kidney dialysis. Kansas members are still eligible for help from the Fund even though we are currently in a different region.

At the moment, we have three members who are eligible for help. The only requirement is to have been a member for over 1 year and certified by a doctor as needing kidney dialysis. One patient receiving help has been a member since 1976 and another since 1993. Another one (member since 1973) is just getting started. One of them receives a check to help with transportation to appointments or extra supplies needed every month on a rotation basis.

Where is this going? **WELL let's help the fund during Fall State.** We are planning a brown bag auction with ALL money earned to go to help this fund help OUR members. *Bring a nice item you would like to have in your camper or your home.* Don't bring old castoff garage sale items. Let's make sure they are worthy of bidding on. We can have so much fun seeing what items come out of the sacks AFTER purchasing. This will be on Saturday but not sure of the exact time as of now. Check the program sheet when you register. Let's get ready. We can keep our distance and even wear our masks if we need to and STILL have fun.
