RECIPEEasy RV Dinner Ideas

Enter: the Instant Pot. Our Instant Pot earned its spot on our list of things you don't need in your RV but you'll be really glad you have. That's because cooking with one requires the same skill level as using a slow cooker (you literally just toss in a bunch of ingredients) but the pressure cooker function means in under an hour, you are sitting down to a hearty meal.

Our favorite way to use the Instant Pot when traveling is to plan for meals at home (and prep ingredients at home if possible). When we roll into our campground, I get the ingredients loaded and get the IP cooking while we continue to unhitch, level and set up the camper. By the time we are finished setting everything up, dinner that tastes as good as it smells is ready to eat.

Spicy Honey Instant Pot Chicken:

<https://temeculablogs.com/spicy-honey-instant-pot-chicken/>

4 Chicken breasts cut into bite size chunks	1 Tbsp brown sugar
3 Tbsp honey	1 Tbsp minced ginger
1.5 Tbsp minced garlic	1/4 cup soy sauce
1 Tbsp Sriracha or more if you want or less	1 Tsp Worcestershire Sauce
1/2 onion diced	1 Tbsp sesame seeds—optional to top
2 green onions—optional to top	2 Tbsp cornstarch

Put chicken chunks and diced onion into the Instant Pot. Mix all other ingredients (except cornstarch) well with a fork and pour on top of chicken. Close lid and steam valve and set Instant Pot to high pressure cook for 4 minutes.

Do quick release and carefully lift lid. Put some of the hot sauce in a small bowl with the cornstarch and whisk together, then add back into the pot and stir. Set Instant Pot to sauté, normal and let bubble for a few minutes.

Allow to sit for a few minutes so the sauce thickens.

Serve over rice or quinoa and enjoy!

In Remembrance

Irene Backes, 1928-2021

Irene joined the Colorado Eagles chapter FCRV in 1989. Quite a few of the Eagles remember that they became members through contact with Irene. She was sure to be present and helping out with some task at chapter and state functions. But Irene not only contributed officially, she was always ready to help others. She loved camping, card games, bolo horse shoes and ice cream. In short, she enjoyed life to the fullest and made friends where every she went. She had many talents which she used on behalf of FCRV, her church and other organizations. The way Irene kept going in spite of numerous health problems was amazing. The Colorado Eagles and many others will miss this dear, wonderful lady very much!

Please keep all those involved in delivering and Distributing the COVID vaccine in your thoughts. They all have a huge job ahead of them

In Remembrance

On February 6, the Trailblazers lost Evy Jones to cancer. She fought a long and brave battle. Evy and her husband, Jim, joined the Trailblazers in 2017. There will be no service and no notification in the paper. We are all so saddened. Evy was such a wonderful person, always smiling and upbeat, despite all she was going thru.

Dillion Ice Castles ,Winter Camping and Hiking for the Brave few of us who have enjoyed outdoors despite the cold..Brrrr Just taking the Season in Colorado to get outside to enjoy the Beauty! Bundle up Folks! Before long Spring will be here!!

CHAPTER NEWS

OOPS Family

The OOPS Group continues to hold meetings / get-togethers virtually.

We did a new fun *Sneaky Santa* and drew names and just had items mailed to the family we drew.

Larry Hubbard has been keeping busy making bottle openers.

Rick and Teresa took advantage of extra time off and took a camping trip thru AZ. Visiting the Grand Canyon and other fun spots!

CHAPTER NEWS

Campfire Coyotes

Our wily Campfire Coyotes retirees were able to adapt through the pandemic chaos to get our pack together (howling at a safe distance) in the fall - winter events of 2020.

Our September Campout had five rigs at Riverview RV in Loveland, enjoying the fall weather, gathering around the burning-ban friendly campfire and taking time for shopping and scouting elk in Estes Park.

Wild-Fires disrupted our October plans, but we still had three rigs of hardy Coyotes able to cut through the smoke to camp at Horsetooth Reservoir and visit of the Poudre River Whitewater park (what water?) and the Poudre River Trail in Ft Collins.

Our lip-smacking November event was lunch followed by wine and dessert tastings at Sweetheart Winery, Loveland. 2020 state of affairs! Lots of fun but not enough wine!

Our Christmas Holiday event was a Zoom Party, with our virtual pack of Coyotes calling in from all directions!

We continue to Zoom and email to put the finishing touches on our 2021 schedule. While we hoped our "Final" schedule was complete, we are already adjusting our plans, since several of our planned 2021 venues have already been sidelined by COVID. We are looking forward to a season with many extended campouts.

CHAPTER NEWS

Trailblazers

Trailblazers October Campout

The Trailblazers celebrated Octoberfest (pandemic style!) in La Veta, CO, at Circle the Wagons RV Park. Thank you to hosts Donn and Josee Cairns and Bob and Cathy Vegvary. A good time was had by all!

Some of the activities for Octoberfest were a German Beer and Wine tasting, a pumpkin carving contest, an Octoberfest Luncheon and a Continental Breakfast provided by and served by the hosts. Of course, no Octoberfest is complete unless you do the Chicken Dance!

For the pumpkin carving contest, there were four teams. Each team was provided a pumpkin and pumpkin carving kit. Thank you to Donn and Josee for providing the pumpkins and carving kits! Teams were able to carve and then decorate with whatever they found around the campground and in their rigs. The winners were the Ludkes, Fiedlers, and Bill and Barb Jones.

A big thank you to Becky and Blake, owners of Circle the Wagons RV Park for picking the winning pumpkin!

During this campout, we welcomed into the Trailblazers John and Peggy Fulks as new members.

New officers were also installed, Jerry Ludke-President, Denise Fielder-Vice President, and Joyce Lueder-Member-at-Large.

A cake was served at the end of the meeting to thank all past and present officers for their service to the Trailblazers.

To end our campout, we held our Annual Tortilla Toss! Our winner this year was John Fulks with a distance of 72 feet! Russ Skillman presented the trophy to John.

As of this writing, we have not been able to be together as a group since October. We sure do miss each other, but look forward to camping in 2021. The Trailblazers wish everyone good health, happiness and many new adventures this year.

Essential steps to De-winterize your RV

Flush your water system—De-winterizing your water system is one of the most crucial steps of RV spring preparation. If you added anti-freeze directly to the fresh water holding tank, the first step is to drain the tank entirely. Add potable water back into the fresh water holding tank and then follow these steps for how to flush anti freeze from your camper water system:

1. Turn the water pump on.
2. Open all water faucets, including sinks and indoor and outdoor showers.
3. Allow water to run through the system for several minutes.
4. While the pump is running, flush the toilet a few times.
5. When the water comes out clear, close the faucets and turn off the pump.
6. Take the water heater out of bypass mode.
7. Replace all water filter cartridges that you removed for storage.
8. Dump your gray and black water holding tanks at an official dump site.

If your water heater was not put into bypass mode for winter storage, you will also need to drain the RV antifreeze from the water heater tank and collect it for disposal. Do this before replacing the water filters.

After flushing your water system for several minutes, your water should taste clean and fresh, but if it still has a residual antifreeze taste, you can add baking soda to help remove this unpleasant flavor. Simply sprinkle baking soda directly into each drain or dissolve it in water and pour it down the drains. Flush the system again until the water tastes clean.

Sanitize your water system— The second essential step is to sanitize your water system. Even if you did not use antifreeze, sanitizing your water system is still important for removing any bacteria or mold that could have grown during the months in storage.

1. Close all drains and install drain plugs.
2. Measure one-quarter cup of household bleach for every 15 gallons your fresh water tank holds.
3. Pour the bleach into a one-gallon container and fill it up with water.
4. Add the bleach water mixture into the fresh water tank fill.
5. Fill the fresh water tank entirely with potable water.
6. Turn on the water pump and open all faucets.
7. Run the water until you can smell the bleach and then close the faucets.
8. Let the solution sit for up to 12 hours in the water tank and water lines.
9. Drain all of the water from the system.
10. Refill the fresh water tank with potable water.
11. Flush the system by turning on the water pump and opening all faucets.
12. Allow the water to run until it no longer smells like bleach.

See all recommended steps as provide by the KOA website:

Signs of Spring

This spring Peony is going on a field trip with her class to the state park. Her teacher gave the class a list of things to look for in the woods and meadows, but the words got all mixed up. Can you help Peony unscramble her list?
