CHAPTERS OF FAMILY CAMPERS AND RVERS

Volume 27 Issue 2

Summer 2022

Message from the President

This is being written on Memorial Day. So, as you read it, the holiday is a memory. And we

hope it was a good one, filled with happiness, pleasant memories, and thoughtful contemplation of the real reason for the holiday.

Comments made by those folks attending it indicated that the Retiree Rally, held in Mineola, TX back in March, was an enjoyable trip worth the time and travel to be there. Some have said that they enjoy going to the Retiree Rally as much or more than attending a National Campvention. If you haven't been before, you might give some thought to checking it out for yourself next year. The 2023 Rally will be held in Dothan, AL next March.

More recently, MSCA's own Spring Campvention was held in Carthage, MO from April, 29th to May 1st. The time we spent talking and relaxing with others in attendance was fun and well spent. And I'm again going to give a big Thank You to Richard and Frances Jackson, MSCA's 2nd Vice Presidents, for the terrific job they did in having the Rally Barn prepped and ready for everything we did there. Saturday's meeting, the meals, the programs, and the evening activities were, I think, enjoyed by everyone. The one downside was the basically low attendance. If I remember correctly, I recall hearing that there were 14 MSCA families there.

Unfortunately, I understand that it wasn't a feasible trip for someone in the St Louis area to get off work on Friday afternoon, hook up to a hopefully already packed RV, and then drive 2/3s of the way across the state, just so they could arrive in Carthage hours

later and set up in the dark. Only to pack it all up on Sunday and

travel back home so they could be at work on Monday. Bottom line, more centrally located campgrounds for both the east and west sides of Missouri will be checked out and investigated for future MSCA Campventions.

There is still time to decide on attending the FCRV's 62nd International Campvention in Pueblo, CO this coming July. It's safe to say that the event and any related activities have been discussed and covered in the current and recent issues of FCRV's newsletter, *Camping Today*. Registration forms can be found in the back of each issue. It's just being realistic to acknowledge that there are some expenses that must be considered when planning a trip from Missouri to Colorado. And some of those expenses are much, much more than they were a year ago. But just know that there are a bunch of nice folks spending a lot of their time and hard work to make sure that the time you spend in Pueblo this year is fun and memorable, if you do decide to head West and go visit with them.

As we head towards Autumn, it will be time for us to get together again for the MSCA Fall Campvention. Again, being held at the Lazy Day Campground (573-564-2949) in Danville, MO, it will officially run from Friday, 9/9 to Sunday, 9/11. Don't hesitate to call Nancy at the campground if you want to verify a reservation, modify one, or make a new reservation for Campvention. Pitch 'n Pull will be doing the Saturday morning breakfast. We'll be talking about Campvention locations for 2023, so bring your researched suggestions, thoughts, questions, and comments to the Saturday morning meeting. And we'll be doing the election of MSCA officers for 2023. A good time shall be had by all..... And don't think of me as being repetitive when I tell you to stay cool, stay dry and safe travels wherever you might go.

Missouri CAMP Director

We really enjoyed the MSCA spring campout in Carthage at the Big Red Barn. It was wonderful to see many friends that we haven't seen in a while. Thanks to all the walkers who participated in the one mile walk on Saturday. We set a good pace and everyone was still smiling at the end. I will get your names turned in to National and will award

certificates at the fall campout at Lazy Days. Hope you will all be there to claim them. Everyone keep active and moving in the upcoming months. Make walking, biking or some simple stretches part of your camping routine. Remember to stay hydrated, especially as the weather becomes hotter. If any chapters are doing any of the approved C.A.M.P. activities, please turn them in to me so that I can get certificates approved for you. Everyone stay safe and see you around the campfire.

Disaster and Safety Awareness Training

At the 2022 Spring Missouri State Campvention, co-director of DASAT, Jack Thomas, gave a presentation on what every camper should seriously consider having in their camper.

Emergency Contact Information. It might be on your phone, or the phone of the person that travels with you, but is it accessible to emergency personnel if neither of you is able to speak? It is recommended that it be identified and securely taped to your refrigerator. If you feel comfortable doing so, you may leave a copy with either DASAT officer (Jack Thomas or Mike Croxton).

It should contain:

Your name, address, phone and emergency contact name and phone number.

A complete (current) listing of your medications and medical information such as pacemaker, hearing aids, diabetic, etc.

A listing of any allergies, whether they are medical, food, or other substance (for example, are you allergic to latex?)

Medical Supplies specific to YOU. When you are packing your camper, **PACK PLENTY OF YOUR SPECIFIC MEDICAL SUPPLIES.** Do not assume that any medical personnel at a Rally or Campvention or EMS, will have any of the exact thing you need. Carry your own insulin, needles, prescriptions (or the bottle for refills on the road).

A Power of Attorney. Carry (in your camper) a certified copy of your Power of Attorney for each other. Do not assume that a photograph of one, or photocopy will be accepted by the local medical facility wherever you travel. Check with your insurance carrier or healthcare provider to see if they supply one to keep on file for you.

Emergency preparedness kit. A small bag with your emergency supplies of medication and/or medical instruments for you. Having a first aid kit is very important (and not just a box of band aids).

Look Around. Be aware of your surroundings. When you check in to a new campsite, ask them what county it is in. In bad weather, if you don't know where you are, weather announcements are useless. Make yourself familiar with where the storm shelters are located. No storm shelter? Look for a space that will provide protection, such as behind a large rock, or a low area where you could lie down.

Weather radios (or weather apps for your smart phone) that send out notifications are recommended. On the radios, search for the strongest station signal and that will be your area.

Flashlights with fresh batteries (yearly) as well as spare batteries should be in every camper.

Power charging blocks to charge your cell phones. Most cars now have charging stations in them, but if they don't, have a charged power block in your car or camper.

Spare keys to both your camper and the vehicle you drive. They can be attached with the magnetic hide-a-key to several places on the outside of your camper. Check periodically to see that they haven't fallen off.

Fresh water. Many people do not like to travel with a full tank of fresh water, but a partial tank is better than no fresh water during a disaster. Change regularly.

Hello Happy Campers

Well, the spring Campvention has come and gone. It was a fun time for all, despite the bad storm that came through. Jack's safety program was as

informative as always. Learned a new game and made some new friends. Kathy and I completed our 6-week trip around the south, we had a wonderful time.

As we get back into our camping routine, be sure to double check each other. Best way to prevent any unforeseen calamities. Looks as if the weather is finally cooperating.

Kathy and I, as always, are looking forward to seeing you all around the camp fire.

Happy travels.

Jerry Tannhill

We kicked off our camping season with a trip to Linn, MO in the Jefferson City area. New members Don and Linda Claycomb joined us for their first time as well as Paul and Beth Standiford. Welcome

Don and Linda and we are always happy to have Paul and Beth camp with us. The more the merrier!

This trip included S'mores (gotta have S'mores!!!), a trip to the town library where you could purchase a bag of books for \$10 and then off to a local bakery and deli. One afternoon a crafts session was held

followed by dinner at a local restaurant. We also toured the State Technical College of Missouri, where they provided lunch for us. This was very interesting and something enjoyed by all. Dinner that evening was a Fish Fry! The next day the ladies went to several places of interest including a local purse maker while the men had various other options to explore. Then we all gathered for lunch for the local favorite Fried Chicken.

Our next outing will be June 19-24 at Table Rock State Park.

By Beth Standiford
MSCA Chaplain

30 Days of Thankfulness.

Let's give this a try and then please let me know if you liked it or not.

Gratitude turns what we have into enough. We should give thanks with a grateful heart. You may

find that there is a calmness of a life lived in gratitude. I've heard it said that thankfulness is the quickest path to joy. I did something similar on Facebook a couple of years ago and never seemed to run out of things for which to be thankful. I have listed 31 suggested topics but feel free to substitute your own.

1. Salvation
2. Love
3. Family & Friends
4. Health
5. Peace in my little corner of the world
6. Gifts and Talents
7. Home
8. My Senses (sight, hearing, touch, taste, smell)
9. Transportation
10. Music
11. Laughter and Tears
12. My heritage
13. Heating/Air Conditioning
14. Someone who was at the right place at the right time
15. Those who have or do serve our country
16. Leaders, elected and appointed
17. Food
18. Clothing
19. Pets
20. Weather, good and not so good
21. Memories
22. Indoor plumbing
23. Electricity
24. Teachers, Police, Firefighters, EMTs, and other emergency workers
25. Medicine, Doctors, Nurses
26. Someone who has positively impacted your life

27. Coffee, tea and/or chocolate
28. Books; to learn and to entertain
29. Freedom of religion and speech
30. Art in all the many ways it's expressed
31. Clean water

At the end of the day, I am thankful that my blessings are bigger than my problems.

Meatball Casserole – serves 8

Ingredients:

- 1 16 ounce ziti pasta
- 1 ½ pounds frozen cooked meatballs, thawed
- 2 (28 ounce) jars prepared marinara sauce
- 1 cup ricotta cheese
- 1 tsp Italian seasoning
- 1 tsp garlic powder
- 3 cups shredded mozzarella cheese, divided
- ¾ cup grated Parmesan cheese, divided

Directions

Bring a large pot of lightly salted water to a boil. Add ziti and cook, stirring occasionally, about 3 minutes less than the package instructions, about 8 minutes. Drain pasta.

Preheat the oven to 350 degrees F (175 degrees C). Lightly grease a 13x9 inch baking dish.

Heat oil in a skillet over medium heat and cook meatballs until browned on all sides, about 5 minutes. Add marinara sauce and ricotta cheese; mix to combine. Add cooked pasta and mix to combine. Season with Italian seasoning and garlic powder.

Cover the bottom of the prepared baking dish with a layer of sauce without meatballs. Sprinkle 1 cup mozzarella cheese on top. Add another layer of sauce with meatballs on top and sprinkle with 1/3 cup mixture on top, followed by remaining 1 cup mozzarella cheese and 1/3 cup Parmesan cheese. Cover baking dish with aluminum foil.

Bake in the preheated oven until cheese is melted, 20 to 30 minutes.

Remove foil and bake until cheese starts to turn golden brown, 10 to 20 minutes. Enjoy!

In Memoriam

Luella Beverly Sprague, 82, of Kansas City, Missouri passed away peacefully with family by her side on Sunday, April 24, 2022. Luella was born to Arthur and Helen Williams on August 11, 1939 in a small farmhouse outside of Bosworth,

They were married on January 24, 1959 in Oklahoma and spent the next 39 years creating a life together. To this union came 7 children. Luella loved her family fiercely and did whatever it took to care for them. She held jobs over the years at Commerce Bank, Fotomat and Ben Franklin five and dime. All while maintaining her role as a homemaker and raising not only her kids, but her “bonus” neighborhood children as well.

Luella enjoyed traveling and explored often with her family. She loved camping and spent time backpacking in the mountains. Luella was a member of National Campers & Hikers Association / Family Campers & RVers for over 50 years. She and Don held various positions for the Missouri State Campers

Assoc. including Teen Directors and State Directors. Luella was a long-time member of the Pitch “N” Pull camping club in MSCA. Luella served as a member of the National Executive Board for FCRV. Luella was a leader in the Boy Scout High Adventure Explorer Post 845. Luella was a very talented seamstress, making clothes and matching holiday outfits when her kids were young. She also enjoyed crocheting, knitting and cross stitching. She was a kind soul and will be missed greatly by all her family and friends.

Luella is survived by her daughters, Dianne Evans (Jim), Denise Evans (Charlie), Debbie Sprague, Donna Bollinger (Steve) and Dawn Mayse (Todd); sister, Joyce Williams, 10 grandchildren and 1 great grandchild.

Missouri State Director

What a busy year it has been since the last newsletter was published. First, we went to the 50th Retiree Rally in Mineola TX. What a great time we had visiting with old

friends and making new friends. From Mineola we headed to Gulf State Park for two weeks with the Slow Travelers. Next stop was Lathrop MO for the Area 1 Western Council April Fools Campout. But wait, there's more. From Lathrop we headed to the Big Red Barn in Carthage MO for the State Spring Campvention. Our new Second Vice Presidents, Richard and Frances Jackson, did a great job of planning this campout. We were able to visit quite a few of the attractions they listed in the last newsletter. I look forward to seeing what they plan for the Fall State Campvention. After we left the Spring Campvention it was on to Wanderlust RV Park in Eureka Springs AR with the Slow Travelers. From there we drove to Linn MO to camp with Pitch-N-Pull. It was a busy four days in Linn. After Linn, we headed to Babler State Park for a Gateway Campers campout. The weather didn't cooperate but we still had a great time.

It doesn't look like we will be slowing down. In about a month we will be heading to Pueblo CO for the International Campvention. The Campvention team has been planning this for several years and from articles published in *Camping Today* and on Facebook it appears that this will be a great campvention to attend. Last day to preregister is June 15, 2022, after that they will not have time to process. HOWEVER, you can register at the gate so don't let that stop you.

I know that fuel prices are high and that may be prohibitive for travel. But, even if you can't travel to

Colorado or take that trip you were hoping to take don't let that stop you from camping local with your FCRV chapter(s).

MSCA election of officers will be held at the Fall Campvention in Danville MO. If you are interested in running for one of the offices, please contact MSCA President, David Gish, and let him know that you are willing to serve. The time required is minimal but is very rewarding. And without volunteers the organization will cease to exist.

It has been a pleasure to give membership awards to seven MSCA families so far this year. (See photos elsewhere in this newsletter.) Please join me in congratulating the following members:

Christy McMillen and Joe May – 15 years

Debbie Ludwig – 35 years

Don and Edie Hensley – 50 years

Larry and Beth Coleman – 5 years

Ron and JoAnn Wheeler – 5 years

Glen and Margie Marley – 15 years

John and Cheryl Barnes – 15 years

And more to come....

Hope to see you around the campfire soon.
