It's our turn next!!

Campvention 2022 is in the books. See Angie and Ed Shaneyfelt's articles on page 2 and pictures throughout this issue to see some of the fun that rewarded those who were able to make the trip to Pueblo Colorado. Thanks to all who worked so hard to provide such a fun Campvention!

NOW IT IS OUR TURN!!!

The Great Lakes Region is hosting the 63rd Campvention in Richmond, Indiana, in 2023. The steering committee has already been hard at work doing the preliminary planning, but it will only be a success with the participation of the members of our Region. There IS a job for you...

If you have an area in which you are most interested, please let your wishes be known to Angie Shaneyfelt, our State Director. If you want to help but don't know what you might do, contact Angie and she can help you find the perfect job for you!

Indications from the interest shown at the Registration Booth in Pueblo are very encouraging for a robust attendance. Let's join together to have fun, create memories, and develop the type of Campvention that FCRV will remember for years to come. We've done it before and can do it again. But for it to happen, we need YOU!!

In a world where you can be anything, be a ROSE!!!

From the State Director

Angie Shaneyfelt

Well, Ed and I went to Colorado. As many of you saw, we took Paige and Jimmy's popup camper and got wonderful gas mileage traveling! The air conditioner didn't work the 1st night (we apparently tried to burn the camper down according to the wiring). We found Solar Joe "handy man" from Connecticut and he rewired and changed the breaker. You'll have to read the article that I wrote about him in the Camping Today (it may not be until next month's issue as I believe I missed the deadline by 1 day).

Anyway, it was a wonderful campvention. So good to see our out of state friends. We worked our 2023 Richmond campvention booth in the commercial area and it appears that we should have a good turnout next year!

Also, next year the FFCC camping group that merged with us are planning on attending, their director commented she thinks they will have around 80 units joining us! We are going to GO BIG next year!!! If you are willing to take on a job at campvention, let me know and we will see what team opening there are for you. It takes a village to make every Campvention a success.

I hope to see many of you at the Great Lakes Regional in Michigan. It is August 3-7 at the Hillsdale, Michigan, Fairgrounds. If you haven't registered, come anyway. There will be plenty of spots and I've heard all spots are water and electric. Linda English (Michigan State Director) recently sent out her

See STATE DIRECTOR (Continued on page 4)

From the State President

Ed Shaneyfelt

We made it home from Campvention with no issues (unlike at campvention). When you see Angie, ask her about trying to burn up Paige and Jimmy's pop-up camper.

While we were there, we worked the booth for next year and had a lot of people interested in coming. The new group is going to try to bring 80 units to campvention. They sound like a fun bunch of campers.

Hopefully we will see most of you at Regionals in Hillsdale, Michigan, next week. Angie will need help at hospitality on Friday night. Linda English has plenty of fun planned, knowing her. If I don't see you at Regionals, then I will see you at Cornerstone Campground for the summer camp out. Denise and Stacy have a fun filled weekend planned.

The Fall Invitational would be next and the trustees are planning on a fun and relaxing weekend. Bring your appetite because there will be plenty of food for everyone. While you relax, we will cook for you. Hot dogs and popcorn for hospitality on Friday night, pancakes for breakfast on Saturday morning and supper will be served also. We will also provide bags for you to have filled up while you watch the campground personal make you kettle or caramel corn out of the big kettle.

As you are having club meetings for next year's schedule, remember that we do not have any bids for

schedule of events to all registered members. If you are registered and didn't receive it OR if you may decide to show up, shot me an email and I'll forward the schedule of events to you so you know what to expect.

After the regional we will have our Summer Camp out at Cornerstone Campground the weekend of August 19-21, 2022. It will be hosted by Denise Weiss and Stacy Davis. CHAPLAIN'S CORNER

By Harlan Nigh

Hello Camp Family,

With all the great pictures and stories from the Campvention, next we're off to the Regional in Hillsdale Michigan.

The Coffee Pot Campers Chapter had a campout at Ceraland Campground. Unfortunately, due to Covid symptoms, Richard and Christine Lucas, Lori Springer and I were the only attendees.

I look forward to seeing and meeting many at the Regional Campout.

May your travels be safe and trouble free 🙏.

Until we meet at the campfires,

Harlan Nigh ☺ ☪ 🙏

Join us for the Fall Invitational

Hi there,

This is just a reminder that the Indiana FCRV Trustees are hosting the last campout (Fall Invitational) at Amishville on September 30-October 2, 2022.

Call now to make your reservations!! Let them know you are with FCRV. We are going to be around the circle (inner and outer) so we can use the shelter house. the site numbers are 401 thru 434.

Look on the back page of the CHATTER to get phone number and address.

Deena Felver

ATTENTION

If you have reserved your site at Amishville, let Deena Felver know by email or text.

Email address is cdfelver@metalink.net

Text is 419-203-6627.

Thanks again

Deena Felver.

Indiana was well represented at Campvention 2022!

The Quackers Chapter served at the Trustees' Hospitality.

Indiana FCRV did not have the numbers of members present at Campvention 2022 in Pueblo, Colorado, but we were well represented anyway!

Thanks to Jerry Rozelle who carried the Indiana flag in the opening ceremonies.

Ed and Angie Shaneyfelt were busy serving ice cream sandwiches at the Great Lakes hospitality, serving with the Quackers at the Trustees Hospitality, preparing the hamburgers for Family Fun Day and getting in some relaxation as well! And that is only what was gleaned from Barb Turner's pictures on Facebook!!!

DASAT MOMENT

By Marilyn Rausch

A moment of decision...

It is sad and almost unthinkable that this consideration has to be made. Yet it is more prevalent now and “a word to the wise” is in order. These recommendations come from the U.S. Department of Homeland Security.

An Active Shooter is an individual actively engaged in killing or attempting to kill people in a confined and populated area; in most cases, active shooters use firearms and there is no pattern or method to their selection of victims. Active shooter situations are unpredictable and evolve quickly.

Typically, the immediate deployment of law enforcement is required to stop the shooting and mitigate harm to victims. Because active shooter situations are often over within 10 to 15 minutes, before law enforcement arrives on the scene, individuals must be prepared both mentally and physically to deal with an active shooter situation.

GOOD PRACTICES FOR COPING WITH AN ACTIVE SHOOTER SITUATION

- * Be aware of your environment and any possible dangers.
- * Take note of the two nearest exits in any facility you visit.
- * If you are in an office, stay there and secure the door.
- * If you are in a hallway, get into a room and secure the door.
- * *As a last resort*, attempt to take the active shooter down. When the shooter is at close range and you cannot flee, your chance of survival is much greater if you try to incapacitate him/her.
- * CALL 911 WHEN IT IS SAFE TO DO SO!

HOW TO RESPOND WHEN AN ACTIVE SHOOTER IS IN YOUR VICINITY

Quickly determine the most reasonable way to protect your own life.

1. Evacuate If there is an accessible escape path, attempt to evacuate the premises. Be sure to:
 - a. Have an escape route and plan in mind.
 - b. Evacuate regardless of whether others agree to follow.
 - c. Leave your belongings behind.
 - d. Help others escape, if possible.
 - e. Prevent individuals from entering an area where the active shooter may be.
 - f. Keep your hands visible.
 - g. Follow the instructions of any police officers.

- h. Do not attempt to move wounded people.
- i. Call 911 when you are safe.

2. Hide out If evacuation is not possible. Find a place to hide where the active shooter is less likely to find you. Your hiding place should:
 - a. Be out of the active shooter’s view.
 - b. Provide protection if shots are fired in your direction (i.e., an office with a closed and locked door).
 - c. Not trap you or restrict your options for movement.

To prevent an active shooter from entering your hiding place:

- a. Lock the door.
- b. Blockade the door with heavy furniture.
- c. Silence your cell phone and/or pager.
- d. Turn off any source of noise (i.e., radios, televisions).
- e. Hide behind large items (i.e., cabinets, desks).
- f. Remain quiet.

3. If evacuation and hiding out are not possible:
 - a. Remain calm.
 - b. Dial 911, if possible, to alert police to the active shooter’s location.
 - c. If you cannot speak, leave the line open and allow the dispatcher to listen.

4. Take action against the active shooter. **As a last resort, and only when your life is in imminent danger**, attempt to disrupt and/or incapacitate the active shooter by acting as aggressively as possible against him/her
 - a. Throwing items and improvising weapons.
 - b. Yelling.
 - c. Committing to your actions.

5 MINUTE S'MORES DIP

PREP TIME: 9 minutes
 COOK TIME: 1 minute
 SERVINGS: 8 servings
 (AUTHOR: Holly Nilsson)

This easy S'mores dip is an ooey-goey no-bake treat that is ready in 10 minutes!

Ingredients:

- * 14 ounces sweetened condensed milk 1 can
- * 1 ½ cups chocolate chips
- * ¾ cup marshmallow fluff
- * graham crackers for serving
- * marshmallows & chocolate squares for garnish (optional)

Instructions:

1. Mix condensed milk and chocolate chips in a small bowl.
2. Microwave for 30 seconds. Stir and return it to the microwave checking every 15 seconds until just about melted. (microwaves can vary).
3. Add bits of the Marshmallow Fluff on top of the chocolate and microwave an additional 15 seconds or until it is soft.
4. Using a butter knife, gently swirl the fluff and chocolate together to get a marbled effect.
5. Top with desired garnish and serve warm with graham crackers.

Notes

To cook on the stovetop, melt chocolate and sweetened condensed milk over medium-low heat. Proceed as directed in the recipe above.

DIPPING IDEAS

- * **Fruit:** Apple slices, banana slices, whole strawberries, tangerine slices, or pineapple!
- * **Sweet:** Oreos, shortbread cookies, ladyfingers, peanut butter cookies, & of course, graham crackers!
- * **Salty:** Ritz crackers, pretzel rods, or even thick-cut potato chips or homemade crostini taste great!

MASHED CAULIFLOWER

Ingredients:

- * 1 large head cauliflower cut into florets
- * 3 tbsp unsalted butter
- * 3 tbsp sour cream (or Greek yogurt)
- * 6 cloves garlic
- * 1/4 c. Parmesan cheese
- * Salt and Pepper to taste

Directions:

1. Steam or boil cauliflower until fork tender (10-15 minutes). Drain and cover.
2. Melt the butter over medium high heat. Sauté garlic until fragrant (about 1 minute).
3. Blend cauliflower and garlic in a food processor until smooth. (I use an immersion blender instead...works well).
4. Stir in Parmesan cheese, sour cream, and salt and pepper to taste.

(I usually add more Parmesan cheese that is in the recipe)
