State Directors Notes

What a summer!!! HOT, HOT, HOT. Oh well, it is Kansas in July and August. Kansas had a great group at the International Campvention in Pueblo, CO in July. There will be notes elsewhere about the activities. Everyone knew that Kansas was there.

The Heartland Regional in August in Aberdeen, SD was small. There were only 2 Kansas couples there, but we did have fun. Wish there had been more. It was hot when we left then, Saturday morning was warm but by evening it was 64 there and 91 here at home. Sunday on our way home, it was 61 in Yankton, SD and 100 here. We did enjoy the break in the temps. Look for some more notes elsewhere.

Our next "big" camp is the Fall State Campout at Burlington, KS. Have your registered? It is followed by the Fall Sunchasers if you can stay during the week. If not, still come for the weekend. **THE ANNUAL FIELD STAFF TRAINING IS SUNDAY AFTERNOON AND ALL NEED TO BE THERE OR HAVE A SUBSTITUTION.** Please bring your Field Directors Manual & notes. Also make an inventory of envelopes, letter head stationery, and enrollment forms, etc. We have some work to do so be ready. Some of the chapters have already begun to plan for next year camping. Please be sure to include the district and statewide campouts in your planning. They work hard to make plans, so we need to support them. We don't want to lose track of any members or former members. If you know of someone that has dropped out of the chapter for health reasons, please keep a contact with them and let us know what is happening. We are still concerned about them but don't always hear when something is going on. Help us keep up with them.

Till we see you camping, take care and try to stay well.

Earl and Ivalee Vanderhoff, Kansas State Directors

NEWS AROUND THE STATE

AREA I

Campfire Campers:

In July the following families attended the Campvention at Pueblo, CO: Denisar's, Failor's, Hitchens, Smith's, Weir's, Wilson's and Young's. We had a great "warm" time. Congratulations to Vern & Pam Failor for receiving the FCRV Citation Award in recognition of their service to FCRV. Our Chapter won First Place for having the most Pop Tabs. Ilene Young presented \$53 from our Chapter Sales at the Market Place to the FCRV Wildlife Program. We had an active part in the Parade Float featuring our International Retirees King and Queen, Steve and Diane Hitchens and also a large Walking Unit. All of us attending could be seen driving the trams, helping with various activities, etc. so we made lots of new friends.

Following Campvention the Failor's, Hitchen's and Smith's attended the YARS Campout at Colorado City for the next three days. YARS stands for Young Active RetireeS and they do various "service projects for

FCRV at Campvention and the Retiree's Rallies. It was a really enjoyable time close to the mountain range.

August 5-7, 2022, Hitchen's attended the Heartland Regional Campvention at Aberdeen, SD and helped with the Kansas Hospitality. Next year the Regional Campout will be in the Kansas area.

Ten families attended our August campout at the Cedar Ridge Campground, Bloomington East, Clinton Lake, August 12-14. We had supper at the unique Clinton Store on Friday evening and filled the place up. Due to the heat, we had a crockpot supper on Saturday evening that was delicious. It was great having Dave & Ginger Tousseau from Florida join us for the weekend and reminisce about times they were camping with us in Kansas before they moved. Joe & Julia Jackson camped in their brand new trailer for the weekend.

Due to busy schedules no campout is scheduled for September. Several of us will be attending the KCA Fall State Campout at Burlington, KS followed by Sunchasers campout, September 24-29. In October we will be going to the Crawford County State Park for a few days. We wish all our fellow campers a good rest of the summer and fall and we look forward to seeing you "down the road".

Dusters: Did not receive report before issue

Mustangs:

On July 15-17 the Mustang club met at Michigan Valley, Pamona lake. 7 families attended. Most members went to Vassar on Friday evening for dinner. All had a nice time visiting. We met again on August 19-21 at Cedar Ridge, Clinton Lake, 6 families attended. Gerald and Linda Smith also attended. On Saturday we had a pot luck lunch, great food. Saturday evening we sat around a fire and broke in Jim Wright's new solo fire pit while enjoying some new adventures.

AREA II

Kanokliners:

The Kanokliners meeting was called to order by Dorothy Cole on July 3, 2022 at Kamp Siesta, Oswego, KS. Guests were Mercedes Tennyson and Bentley Burnette. The minutes and treasurer reports were read. Evelyn made a motion to approve the minutes and treasurer reports, Dale seconded. They were approved as read. Birthdays were Faye June 9 and Dorothy July 12. Anniversary was Dale and Evelyn Mishler.

Committee reports:

CAMP: 2 miles at Copan

Conservation: Mishlers had paper 20 pounds, plastic 10 pounds, two tires and 11 batteries.

Old business: For the Kansas door prize the Kanokliners have Sand Plum jelly and Amish Candy for the basket.

New business: None.

Dale made a motion to adjourn and Faye seconded.

Our next campout will be August 8-11 with Mishler's as host.

Our next campout with meeting was changed to September 8-11, originally scheduled for September 15-18, with Tennyson's host.

Kansa Travelers:

Our July 8th pow wow at Elk City cancelled due to health problems and heat. Our July 22-24 pow wow was at Crosstimbers at Toronto Lake. Those at the pow wow were Gwen Hillis, Charles and Cleta Winkleman, Avis Nelson and Lorianna Northcutt, Glen and Linda Maier, Dave and Sue Dennett, and hosts Howard and Joyce Cleous. On Saturday Barney and Virginia Barnett drove over to spend the afternoon and evening meal with us. Charley and Clets's friend Dennis and Judy Hein from Yates Center joined us Saturday evening. Friday evening we went into Toronto for hamburgers, Saturday we had a pot luck supper. A Lot of good food. Glen had a short business meeting after supper. Sunday morning Gwen led us in our church service. Had a good weekend visiting, even if it was a very hot weekend.

Our pow wow was at Argonia River Park Ai 12-14 2022, It was a very hot weekend but was a good camp. Those

camping were host Gary and Jeannie Dennett, David and Sue Dennett, Bill and Dianne Bugglen, Howard and Joyce Cleous, Avis Nelson and Loriann Northcutt, Glen and Linda Maier.

On Friday evening we traveled to Conway Springs for Supper at the Stock Tank. Bob and Kathy Schreck, Jeanie Dennett's Cousin and her husband joined us. Back at camp even with the 98 degree heat, we had a campfire. Saturday morning we went to Argonia to Shara Jane to tour her salsa store where she makes and sells all kinds of salsa. She also has brown bag lunches which we all had. Very good. Saturday evening we had supper of meat and cheese sandwiches, a lot of different salads, watermelon, cantaloupe, cakes and cookies. We played card games in the evening. Sunday morning Bill led us in our Devotions, did some visiting then started breaking camp. Even with the very hot weather we had a good pow wow.

Ky O Tees:

Three Ky-O-Tees traveled to Pueblo in July for Campvention - Hilgers, Limpers and Cleavelands. It was really hot while we were there but a great showing by the state of Kansas. Thank You to Bill Cleaveland for the use of his truck in the parade. The six of us stayed on for a few days of sightseeing but as always it was good to get home.

August found six Ky-O-Tees camping at Fall River - Hendricks, Rochats, Limpers, Cleavelands, Hilgers and Milers. Again very hot but as long as we stayed in the shade it was good. Cleavelands hosted this campout with a variety of outdoor games and a hot dog supper with all the trimmings was enjoyed by all.

AREA III

AREA IV

Pratt Fireliters: Did not receive report before issue

Peacemakers: Did not receive report before issue

Sunflower Ramblers:

Eight units, fifteen adults and four grandchildren attended the 2022 Campvention in Pueblo CO July 1/16. It was beyond hot, but everyone survived. Kansas was well represented and were very involved in all the activities. Glenn & Betty Perry were recognized as the oldest couple attending and did that with limited air conditioning. True pioneer spirit!

Some spent time before Campvention checking out interesting areas and other stayed after and played tourists.

Now we have many interesting stories about their adventures. Those that stayed home camped at Smarsh Creek at Cheney Lake. It was super hot in Kansas just like in Colorado.

The August Campout was hosted by Emory & Rhonda Frey and new grandmother, Becky Andrews at Marion Reservoir August 19/21. The weekend started with a trip to Durham for the Friday night buffet. This has become a tradition for us with the fried catfish being a favorite.

Those scouting the area found a great truck garden with lots of produce and perfect cantaloupe and watermelon. They also made a trip to Barely Makin' It Antiques which is a large collection of everything you need and don't need. Pulled pork topped the list for supper.

The weather was just what we'd been waiting for all summer. The camp sites in Loop H of Cottonwood Point provided good shade (if you moved from site to site) and gentle breezes. No one was ready to go home

Care Notes

Kansas FCRV Care Notes – July 28, 2022

Well it's been awhile since we sent out Care Notes and it seems a lot has happened in the last couple of months. It was great seeing Kansas so well represented at Campvention in Pueblo, CO. If you didn't get to attend, check with someone who did and ask for pictures and stories. One thing we all experienced was the extremely warm temperatures everywhere and we hope everyone has survived the heat and are getting ready for some Fall activities. We have some updates to share:

From the Dusters: “Verne Ratcliff has had a lot of health issues and could use some encouraging notes. He learned in May that he would have to go on dialysis, then several other issues happened putting him in ICU for several days, followed by going to rehab for several weeks. He is currently taking the training for home dialysis and hoping that he might be able to do a few things around home and Onaga again. He currently has Home Health Care to help with some of the adjustments. He shared a couple days ago that it doesn't look like he will be able to go camping for a while. His address is: P.O. Box 314, Onaga, KS 66521.” In visiting with Verne he has had to give up all his activities for a while and is hoping things will get better. We're keeping him in our prayers.

From the Kansa Travelers: “An update on Dianne Buggeln – as you may have heard – she took a nasty fall on July 7, in Dodge City. She fell off a curb, doing a “face-plant”, fracturing the eye socket bone, a possible fracture of bone in her hand, etc. After a stop at the hospital in Dodge City she was air-lifted to the Trauma Unit at a Wichita hospital. She and Bill have just given us an update: The eye socket is healing, the bruising is going away, the eye is responding really well, the hand is healing with the help of a wrist brace for a few more days and the brain bleed is clearing up. They are both thankful for the good reports, the support of friends and their Guardian Angels. Bill reports she is starting to get “cabin fever” and was able to go to the swimming pool today. They are continuing

their camping plans in the next few weeks.” Dianne’s address is: 12215 S W Shumway Rd., Augusta, KS 67010-8486, E-mail: buggelnb@gmail.com. We are so glad to hear the good reports and know that everyone’s well wishes are greatly appreciated by the Buggeln’s.

A Safety Reminder: After seeing Dianne’s accident and a reminder from our Primary Care Physician, it is beneficial for all concerned that you keep a copy of your medications readily available both at your home and a copy with you while away from home. Also, if you have other health issues, those should be available also. We would hope we never need to provide this information, however, in case it is needed it could be life-saving. Don’t put this off !!

We wish everyone a pleasant rest of the Summer with some good times visiting, eating, sight-seeing, etc.!

If you know of someone that should be remembered in the Care Notes, send us a note so that we might share the information. Staying in touch is one way to help keep our organization a little stronger. Please pass the above information on to those that might not have received the Care Notes. Sometimes the Care Notes end up in your SPAM file (cyber gremlins) – so check your SPAM folder often. Thanks! Good Health and Safe Travels and we’re looking forward to seeing you “down the road”!

2022 Heartland Regional

The regional was held in Aberdeen, SD August 5 – 7. We had a great time with almost 30-degree lower temperatures than Kansas was experiencing. Steve & Diane Hitchen and Earl & Ivalee Vanderhoff were the only Kansas folks there, but we still had fun. The highlight was probably the tour of the Ethanol plant close by. Lots of info, noise, and walking. Look at the pics of some of the activities.

KANSAS AT THE 2022 INTERNATIONAL CAMPVENTION

When we had our picnic lunch, we added a few that were on their own. We also invited the Robert & Joleen Baker from Nebraska, Sherry McGuire from North Dakota, Dale & Karen Huston from Iowa, and JeAnne Selby from North Dakota.

There were a number of prizes and bragging rights that came home. Marty Mashek won 1st in Cornhole, and John Denisar won 2nd in Washer Toss. The two of them won 2nd in Doubles Washer Toss, Becky Andrews won 1st in Ladder Golf. The Campfire Campers received a 1st for the Chapter with the most pop tabs totals turned in. Elinor Smith won 1st in 0-5 Posters and Conner Smith won 1st in 6-8 Posters. The teens also worked hard, and Ember Wyant won 1st in Cornhole, and Rylie Ward won 2nd. In Cornhole Doubles, Rylie Ward placed 1st with a girl from Florida. Ember Wyant & Hunter Wyant received a 1st their volleyball team. Hunter Wyant & Conner Black also won 2nd in Doubles Cornhole. Hunter Wyant & Rylie Ward were on the 2nd place Softball team. A number of the teens also did some volunteer work in the community and were given credit for 3.5 hours of community service.

Each state was asked to bring a basket for the door prizes. The winners were: Failor, Johnson, Limpers, Tennyson, and Vanderhoff. Earl Vanderhoff was one of four winners in Card Bingo and got a sack of goodies. In Bingo, Donna Bartel, Georgiana Denisar, and Judy Hein were winners. In the Wildlife Raffle, Tom & Ilene won one of the birdhouses.

One of the big awards given to members is the Citation. There are few given each year and their names and records are submitted by other members. This year Vern and Pam Failor received one for their involvement in the organization. The biggest award given to members is the Plaque. Again, the member is nominated by someone of the organization with lots of paperwork submitted showing their involvement. It is for outstanding contributions over the years by a member. Earl & Ivalee Vanderhoff were the recipients of the plaque this year. The parade float was built by Bill Cleaveland, Steve & Diane Hitchens, and Ivalee Vanderhoff. Earl Vanderhoff and Keith & Beverly Koontz supervised and advised during the process. We had a dirt storm come through overnight and had to patch the decorations and clean Bill Cleaveland's truck so we could go. Participants in the parade were:

Banner Carriers on Scooters – Keith Koontz and Earl Vanderhoff
Truck Driver – Bill Cleaveland
Golf Cart Drivers – John Denisar, Harold Johnson, and Judy Ellenberg (from TX but she joined us)
Riders – Steve & Diane Hitchens, Linda & Garold Smith, Pan Failor, Beverly Koontz, Georgie Denisar, Conner Smith, and Ivalee Vanderhoff
Walkers – Ann Limper, Judy Cleaveland, Mary Ann Hilger, Ilene & Tom Young, Daryl

Riders – Steve & Diane Hitchens, Linda & Garold Smith, Pan Failor, Beverly Koontz, Georgie Denisar, Conner Smith, and Ivalee Vanderhoff
Walkers – Ann Limper, Judy Cleaveland, Mary Ann Hilger, Ilene & Tom Young, Daryl & Joyce Wier, Marty Mashak, Faye & Forrest Tennyson, Mary Ann Musselwhite, David Hyle, Rhonda Frey, Beck Andrews, Lori Johnson, Mercedes Tennyson & Bentley. We also had JeAnne Selby and Sherry McGuire from North Dakota to help swell our numbers.

Barbara Mashek was also there but was taking pictures and did lots of walking to see everything.

Vern Failor was around because he was the Assistant Parade Chairman so was working to get everything together and running. Thanks, Vern for volunteering.

I sure hope I didn't miss anyone but if I did, let me know.

Joke:

I just got over my addiction to chocolate, marshmallows and nuts. I won't lie ... it was a Rocky Road.

Trivia:

The first football helmet was, by some accounts, constructed in 1893 by an Annapolis shoemaker at the request of U.S. Naval Academy cadet Joseph Mason Reeves, who'd been told that one more blow to the head would end his naval career and maybe his life.
