

MISSOURI CAMPER

CHAPTERS OF FAMILY CAMPERS AND RVERS

Volume 27 Issue 4

Winter 2022

Message from the President

Thanksgiving was last week, and we hope it was a good day filled with tasty food, lots of family, and good

friends. Christmas will be here all too quickly. Hopefully the weather will cooperate and you'll be able to thoroughly enjoy all the plans that you've made for the Holiday Season. Unless you are one of the few that head South for the winter, your RV has now been winterized and stored away. The cold will settle in for good and we'll all await Spring. It's now time to plan for next year.

The first trip of 2023 for many folks will be the 51st FCRV International Retiree Rally. This year the rally is going to be held in Dothan AL. It is scheduled to run from March 28th – April 2nd, 2023. Early days are to run from March 24th to March 27th.

The next national event will be FCRV's 63rd International Campvention. It is being hosted by the Great Lakes Region at the Wayne County Fairgrounds and Expo Center in Richmond, IN. The 2023 Campvention will run from July 9th to the 14th. Early Bird days are July 7th and 8th. The Pre-registration deadline for Campvention is June 1, 2023. Registration forms for both the Retiree Rally and the Indiana Campvention can be found at the back of the current and last few issues of FCRV's newsletter, *Camping Today*. The forms will have all the information you need regarding costs, arrivals, parking, and things to see and do around each town.

Of more "local"

interest is MSCA's 2023 Spring Campvention. It is going to run from May 5 –7, 2023. It will be held at The Great Escape RV Park and Campground in Higginsville, MO. Last week, I sent out an email to all MSCA members. It has information about registration, site pricing, deposits, and a link to the Great Escape website. Basically, if you want to camp with us next May and be guaranteed a spot, you need to put down a 1night's deposit by the end of next month. December 31, 2022. After that, I was told that they may or may not have a space for you. You have until the end of March to cancel your reservation if it turns out that you can't camp with us. Call them at (660)-584-2649 to make your reservation and take care of this soon.

MSCA's Fall Campvention for 2023 will be held on the 2nd weekend following Labor Day. September 15, 16, and 17, 2023. It will again be held at Lazy Day Campground in Danville, MO. As I've said in prior messages, if you have the time, you can easily set your reservation to go in a day or two early &/or stay a day or two later at either campground. If you're going to be with us at either Campvention, consider making your trip more than the scheduled 2 nights. A bit longer trip makes all the work of loading and prepping the RV and driving from wherever all the more worthwhile.

We want to wish everyone a happy, healthy, and safe Holiday Season. Merry Christmas to all and we truly hope that you have an awesome New Year. It's kind of become my standard closing but I do hope that you're able to stay warm, stay dry, and safe travels wherever you might go. See you all in Higginsville!!

for thoughts on going to water and/or soft drinks. And the possible timing of when to have it. It was determined by the group that in the interest of Conservation, there would be coffee only in the morning and have a dispensing cooler of water and an additional cooler of ice and to please, bring your own cup/glass.

State Director, Paul Standiford encouraged participation at the Retiree Rally in Dothan Alabama, Mar 28-April 2, 2023, and Campvention CV July 7-14 in Richmond Indiana. He gave Recognition Certificate to Mike & Mar Croxton's for 15 years in FCRV.

Old Business – none

New Business – Spring Campvention 2023 location.

Paul Standiford said that last year it was voted that the Spring Campvention would be the first full weekend in May and Fall would be first weekend after Labor Day. He asked we reconsider the Fall date because the last several years the St. Charles RV show coincides with that date. I would like to have a booth there. He made a motion we move the Fall event to the second weekend after Labor Day and Don Hopkins seconded the motion. Discussion reminded all that it may not be a permanent change; just want to see how it shakes out. Voting Delegates approved the motion.

Spring Campvention to be held May 5-7, 2023, and Paul Standiford made a motion for Great Escapes, near Higginsville, MO, and Don Hopkins seconded the motion. Mixed voting results but the motion passed.

President Dave Gish asked for a rescinding of the voting to accommodate further discussion. Paul Standiford and Don Hopkins rescinded their motion and second to allow it. Several campgrounds were mentioned, and voting was then opened to the floor by a show of hands:

Osage Beach - 3

Big Red Barn - 9

Great Escapes - 5

None of the above - 0

Narrowing it down to the top 2:

Big Red Barn - 7

Great Escapes - 8

Location has been voted into Great Escapes Park in Higginsville, MO.

Fall Campvention – dates have been determined.

Lazy Day or somewhere else: Paul Standiford expressed concerns with the issue from last year when campground owner was upset about members making reservations and didn't call to cancel them. He spoke to one of the members involved and they said they did apologize. If we have the Fall Campvention at Lazy Day, Paul would like to speak to the owners about forgiveness of banning them.

Don Hopkins made the motion to come back to Lazy Day for the Fall Campvention. Mar Croxton seconded the motion. Voting delegates passed the

motion unanimously with the understanding that Paul Standiford would talk to the owners about forgiveness of the banned members.

Paul Standiford talked to the group regarding our social media presence. It was decided at the MSCA Board of Directors meeting to phase out the private Facebook group in favor of a public one. As our webmaster, he will gradually phase out the page in favor of a public group. Then we can use our private group as a repository for forms and files.

Frances Jackson wants to establish locations for 2024 Spring & Fall Campventions. Paul Standiford recommended electronically voting for locations. Frances Jackson moved to decide the 2024 Spring & Fall Campventions electronically. Don Toliver seconded. Discussion as to how to do followed: 1st

step, determine sites. Sending an e-mail asking for recommendations for both. 2nd step, sending an e-mail to all with those suggestions so they can do their own research on those locations. 3rd, send out a Google-vote. Don Hopkins pointed out that voting electronically may require 100% participation. As many people were leaving the meeting prior to its being adjourned, the issue gained no further traction.

President David Gish adjourned the meeting.

Respectfully submitted,

Beth Standiford
Secretary

Christmas Cookies

Along with all the demands of the Christmas season, shop and find those perfect gifts, wrap them, maybe even get them off to the Post Office, grocery shopping as you try to

remember what everyone loves/hates, decorating the outside of the house (in hopefully sunny weather and not when it's belting out a blizzard), and all the decorations that go on the inside of the house, and let's not forget sending out Christmas cards and possibly even writing the annual Christmas letter which should be full of positive platitudes and just a little bragging along with pictures of the perfect family and the dog, then along comes the requirement of baking Christmas cookies.

Whew! I'm exhausted already! How DID those cookies get to be so important during the Christmas season? Perhaps you already knew that the practice of putting cookies out for Santa began in the 1930's during the Depression, as parents tried to instill a sense of thankfulness in their children. Some even left carrots or apples for the reindeer. Decorating cookies with frosting or icing began in the 1600's when bakers used a mixture of sugar and egg whites which, when cooled, looked like ice. Today's buttercream frosting is popular due to its flexibility

and come in a wide variety of colors. Shaped cookies started with Queen Elizabeth I when she decided to have gingerbread made to look like her honored guests and tin cookie cutters made quicker work of providing the shape of a person. And exchanging cookies with neighbors and friends is thought to have started in the US in the early 17th century when they were made to show kindness and gratitude toward each other.

Christmas sugar cookies come in a wide variety of sizes and shapes. One is the popular Christmas tree. Symbolic of the birth and resurrection of Christ, the "evergreen" is viewed as a symbol of immortality as well as the crown of thorns. We decorate the cookie with "lights" to help us remember that Jesus is the light of the world. Another popular shape is the star, which reminds us of the Star of Bethlehem as seen by shepherds and wise men. Bells are yet another popular shape as they ring out the joyous news of our Savior's birth. Candy cane shapes are popular as when turned upside down becomes a "J" for you guessed it! Jesus! The angel is another very popular shape and not just because it's usually the biggest cookie, but help us remember the message they brought to the shepherds on the night of His birth. Even the simple round ones, decorated as a wreath, give a representation of eternal life. Many other shapes are popular that have absolutely nothing to do with the birth of Christ and simply reflect the change in the season or secular events, but nonetheless, express love for our family as we bake them.

Whether you bake cookies or buy them, just serving them out of the package can be an act of love and that's what the season is all about. Love. "For God

so loved the world, that he sent His only begotten Son, that whosoever believes in him shall not perish, but have eternal life.” John 3:16 Wishing you love, not just this holiday season, but always.

Beth Standiford
MSCA Chaplain

Christmas Sugar Cookies

- 1 cup butter (softened but not runny)
- 1 cup white sugar
- ½ tsp almond extract
- 1 tsp vanilla extract
- 1 egg
- ½ tsp salt
- 2 tsp baking powder
- 3 cups sifted flour

Cream together butter and sugar. Add in extracts and egg. Then add salt, baking powder mixing well.

Slowly add in flour. Dough should be thick and sticky. Turn out onto a floured surface, and roll out evenly about 3/8” thick. Cut out cookies and place on sheet. Place in the freezer for 10 minutes and immediately put into at 350° oven for 6-8 minutes. Be aware that cookies will not brown.

Royal Icing

- 4 tsp light corn syrup
- ½ tsp vanilla
- 2 cups powdered sugar
- 6 tsp milk

Blend all ingredients. May be split up after mixing to allow for some different food coloring options. This consistency will “flood” the cookie surface. For thicker icing, add more powdered sugar. The icing will set shiny and firm, then cookies will be stackable.

The Slow Travelers held their chapter meeting and elections at Lazy Day campground. Your new officers are President-Pat Crow, vice-President-Don Toliver, secretary-Beth Standiford, Treasurer-Sandy Toliver. We also set

our campouts for 2023.

The Slow Travelers finished 2022 with great fall campouts. We enjoyed the MSCA fall campout at

Lazy Day. Lots of new activities and the presentation by Graham Cave park ranger was very interesting. Our chapter then traveled to Perryville, Mo. We toured the Vietnam Memorial taking in both the wall and museum there, emotional for everyone. Our vets enjoyed a breakfast that morning also. A big

shout out and thanks to Mike Croxton for setting up our tours that week.

Highlights included: Hemman Winery, which opened their winery especially for our group. Great time wine sampling and pizza eating was had by all.

Visited the Lutheran Heritage Center and Museum in Altenburg, Mo. We learned about the 700 German-Lutherans that settled in this area and formed the surrounding communities. A one room log cabin where Concordia College was founded is there. The tour of the church and listening to the pipe organ was inspiring.

Next day, it was the Catholics turn as we visited the historic Saint Mary's of the Barrens Church. Beautiful church and grounds, our tour guide was so knowledgeable as she explained the gorgeous paintings and stained glass throughout the sanctuary.

We enjoyed a pot luck dinner one night and some fire pit nights that included s'mores and eclairs on a stick. It was a wonderful week. Some of our members never seem to go home and are out camping all the

time. So some took off for other campouts and some of us headed home. Most all of our group went to Branson for Veterans Week in November. The weather was perfect all week so it was great for sightseeing, shopping, shows and veterans activities. Everyone did their own thing but we gathered together every afternoon to talk and laugh. We held a fish fry on Wednesday courtesy of the Toliver's and

Jack Thomas. FCRV members from Kansas and Illinois were also at the campground so it was great to visit with them. Goodbye to our great weather on the day of the Veterans Day parade, so we all were bundled in our winter clothes. A heartfelt THANK YOU to all our veterans for their service to our country. Our next year looks to be a good camping year. So, if you can, join the Slow Travelers at a campout in 2023.

Pat Crow

Slow Travelers president

I hope everyone had a great Thanksgiving and we're wishing all of you a wonderful Christmas season.

Pitch-N-Pull's last campout of the year was in Winterset, Iowa at the Winterset City Park

Campground. The weather was gorgeous and a good time was had by all. There were many things to see and do while there. The town of Winterset is quite charming with a wonderful town square including the Iowa Quilt Museum. Of course, there were the Bridges of Madison County. We went on a guided tour of some of the bridges and a few of our party traveled to see the remaining bridges not included.

The scenery around the town and bridges is beautiful, especially in the fall.

We also visited the John Wayne Museum and Birthplace and the Madison County Historical Complex. There was so much memorabilia to see in each of these sites, it was really interesting. Some of the group also visited the Iowa Aviation Museum and checked out the cars at the Dennis and Marlene Schildberg Antique Cars building in Greenfield, Iowa.

It was a beautiful fall campout and enjoyed by all who attended. We're making plans and looking forward to the new year. We hope we see some of you in our travels along the way.

Linda Gish

Missouri State Director

Well, here it is the first day of December and time for a newsletter article. As I mentioned in the Fall issue of Missouri Camper, we had some downtime when

Beth had some issues with vertigo. Those issues are finally under control - although not gone completely - so we were able to begin camping again. We spent another three weeks at Lost Valley Lake. Then came MSCA Fall Campvention followed by Slow Travelers in Perryville. We left Perryville and went to Double J by Springfield Illinois with Gateway. We left Double J and drove all the way to Winterset IA with Pitch-N-Pull. Unfortunately, we did contract Covid while in Winterset so we had a couple of weeks off while we recuperated - both from Covid and from camping. We finished the season camping with Gateway at Lakeside 370 and then with Slow Travelers at Treasure Lake in Branson. And then that dreaded word... winterization. Fortunately we do have several winter get togethers with our camping family and definitely looking forward to that.

I had planned to tell you about some of the upcoming national and state events but that has been mentioned elsewhere in this newsletter and can also be found on page 12 of this newsletter.

Note to all chapter presidents - Please send a complete list of all chapter campouts as soon as possible. If you don't have a complete list please send what you do have. I also need a list of all chapter members. Again, please send as soon as possible.

Items not mentioned elsewhere are the Regional Campout and the Saint Peters RV show.

The Regional Campout is tentatively scheduled for June 27 - 30, 2023 at ABC Campground in Branson MO. The team will hold another meeting soon to decide if there is enough interest to hold this regional. At the present time it is iffy. So, if you think you might like to attend please send me an email soon.

At the Fall Campvention I requested and the membership approved moving the MACA Fall Campvention to the third weekend after memorial

day. This was to allow for us to plan and attend a booth at the Saint Peters RV Show. In the past we had a booth at the RV show in downtown Saint Louis. However, many of the members staffing the booth expressed concern over certain issues surrounding this RV show (high cost of parking, safety going to and from the convention center at night, etc.) These issues are, for the most part, eliminated by having a booth at Saint Peters RV Show. We have begun to make phone calls trying to get more information from the forum but to date have not heard back. When we do finally hear something we will contact the "Easties" about helping to set up and staff the booth.

And, to the "westies", I would urge someone on the west side of the state to check about RV shows where a booth could be set up to advertise for FCRV and boost the membership. There is a cost to this but there is money available from the national organization and also from a State Director's fund to cover the cost. Let me know if you are interested in organizing something on the west.

I hope to see many of you at the winter get togethers and definitely would like to see many of you at the Retiree Rally in Dothan AL. **REMEMBER, YOU DON'T HAVE TO BE RETIRED TO ATTEND THE RETIREE RALLY.**

Wishing all of you a Very Merry Christmas and a Happy 2023. God Bless and safe travels.
