WELCOME!

The years of preparation and excitement have finally arrived! On behalf of myself, my co-chairs, our team and the whole Great Lakes Region, I'm delighted to welcome you to the 63rd International Campvention in Richmond, Indiana! Richmond is known as the Rose City and we've certainly enjoyed planning with a rose theme. From the parade to our beautiful stage, you'll find roses popping up everywhere this year. But beyond that, we've found comfort in going back to our roots and bringing back favorite programs, like the site decorating contest.

We've prepared a full week of activities, so whether you choose to see what Richmond and the surrounding areas have available or if you choose to remain on grounds and enjoy seminars, activities, and entertainment, you'll have a wonderful time.

As we prepare to celebrate our 75th anniversary of FCRV next year, we are delighted to honor our history while looking forward to our future.

We hope you enjoy attending as much as we enjoyed preparing Campvention for you!

Connie Black & Linda Hennie
63rd Campvention Chairmen

As President of Family Campers and RVers, let me join the Campvention Team in welcoming you to the 63rd Annual Campvention here in beautiful Richmond, Indiana. The Campvention team welcomes you to the Richmond area with its many wonders. Enjoy all that Campvention 63 has to offer during your stay here in Richmond with us. The Campvention team has worked hard to bring you a fun-filled week of good entertainment, time to get reacquainted with friends that we have not seen in a few years, as well as make some new friends. Join us at the Opening Ceremonies on Sunday evening. We will see you at the evening entertainment as well as at the many Hospitalities throughout the week. Along with the many FCRV activities that Campvention has to offer, we ask that you enjoy all that Richmond has to offer. Enjoy Dining, as well as Biking, Amish Destinations, along with the local Farmers Market.

You will also find Live Music, Antique Shops, Art, and Performing Arts abound. Enjoy the fine Chocolates and the Chocolates Trail, along with the Heartland Wine and Ale Trail. You will find a Farmers Market with local produce and items. If History is your thing, take a moment or two, and enjoy the abundant local History and Museums. As you can see the things to do will be endless, so we ask that you join in and make the 63rd annual Campvention a great success.

As you can see, you will have no trouble having a full schedule during your stay here in Richmond, Indiana. Most of all, take advantage of all that the Team has put together for you during your stay at Campvention.

Enjoy your stay!
Gerry Pfirsch
FCRV International President

First Timers

We are so pleased that you are making the 63rd Campvention your 1st!

The whole Campvention committee is committed to making your first time your best time! So don't be afraid to ask anyone on the committee for anything that will help you enjoy your stay!

Below are some commonly used words or phrases. Please utilize this Glossary as needed.

First Timers Meetings

Friday 1:00 pm

Be sure to attend these meetings to help you navigate Campvention!

Glossary of Terms

Adult & Family Center - A fun space for all attendees to enjoy activities. Often a gathering place to play board games, do puzzles and chat with other attendees.

Adult Games - Yard Games for friendly competition between adult members.

Advisory Committee - A group of appointed volunteers that advise the Trustees on specific portions of FCRV.

Aluminum Tabs- The tab at the top of a pop (soda) can that can be twisted off and turned in for Ronald McDonald House Charities.

Announcements - A time before evening entertainment to announce updates, changes, and general information.

Any Hat (or Red Hat/Hard Hat) Luncheon - A catered meal open to anyone who has pre-registered.

Band - FCRV has a group that comes together to put on a concert at Campvention each year. Anyone who plays an instrument is welcome to join. See the schedule for practice and performance times.

Bulletin Boards - Places throughout Campvention where you can see announcements about changes in activities. Check them frequently, especially if you miss the Announcements at the Evening Program.

CAMP: Campers Actively Moving Program also Camp Walk - This program promotes FCRV members being active. Since we originated as a camping and hiking association, the primary activity is walking or hiking and is often organized and listed in the program each morning as a "Camp Walk."

Campvention - Official term for the annual convention/rally for FCRV that moves between regions each year.

Campvention Office - Centralized location for clerical activities during Campvention. Staffed through the day by Campvention Committee members. Helpful resource and a good place to start if you need help. Usually near the Information Center.

Continued...

Central Registration (or Registration) - Once parked, central registration follows up with actual registration to the campout. This is done to alleviate slowdowns and lines at the gate when coming in. You can register for most “pre-registered” activities here. Bring money or checkbook to cover luncheons, crafts, etc... Also, a good place to offer to volunteer on activities that need help throughout the week.

Chapters - What individual clubs within FCRV are called. Can be activity or location related. Members can belong to multiple Chapters, if they choose to or none at all. Non-chapter affiliated members are called Members-At-Large.

Closing Ceremonies - The ending event on Friday Evening to thank everyone for coming and introduce attendees to next year’s Campvention. Usually followed by a “welcome” hospitality from the region/state/province hosting next year’s Campvention (though not this year, since next year’s Campvention is hosting Hospitality at the Family Dance on Thursday).

Commercial Area - Space provided for businesses that have contracted with FCRV to promote or sell their products at our Campvention. A little like a mall, you can shop from business to business throughout the week. Be sure to stop in early, in case you want to special order something that will take time to complete. Most vendors with special orders can complete the order by the end of Campvention if you shop at the beginning of the week.

Conservation - One of the programs of FCRV. The organization has a strong history and focus on improving the environment. Several contests and activities focus on bringing awareness to conservation at Campvention.

Crafts - Unless specified for another age group, these are creative activities targeted at an adult skill level.

DASAT - Disaster And Safety Awareness Training - A program within FCRV focused on improving members' knowledge, prevention, and preparedness for a variety of disasters, both personal and wide scale. See the seminars for several devoted to this program, such as "The Active Shooter" and "Drug Safety".

Entertainment - Usually held at the Evening Program. Generally, paid local acts that come in for us to enjoy each day at Campvention.

Evening Program - Activity that takes place in the evenings after supper. Usually some form of entertainment, but can be meetings, raffles, games, etc...

Family Funday - An afternoon of fun and games put on by the Trustees. The teens generally sell lunch as a fundraiser. No other activities are scheduled so all of us can come together and enjoy! Excellent time to meet new people!

FCRV - Family Campers & RVers - An organization established in 1949 as NCHA to promote fun, friendship, fellowship, and family feelings for all campers/RVers of all ages and styles of camping. It's where strangers become friends and friends become family.

FFCC - Family & Friends Camping Club - An organization merged with FCRV as their own chartered national chapter.

Food Pantry/Food Bank - Depending on the Campvention, we often do a food drive to drop off non-perishable items to a local food pantry.

General Membership Meeting - Yearly meeting for all members to attend.

Continued...

Goodie Bags - Bags filled with local information, free items and campout information that you receive at Central Registration.

Hospitality - An event hosted by a State, Region or Group to welcome attendees with snacks and beverages on behalf of that group. Note: The line for a Hospitality is a traditional part of the event in which you meet new friends and greet the hosting group before being rewarded with snacks and beverages. If you're new, try to embrace the wait as part of the festivities.

Locator Board - Indicates where each camper is parked. A tool to help find attendees in emergencies or if you need to find someone on grounds for any reason. Also useful for finding targets for TPing.

Marketplace - An event that allows Chapters and Members to sell their wares to the other members.

Name Tags - Can be purchased at Commercial from an authorized vendor. Many different styles to choose from. Should be worn through Campvention to help your fellow campers remember all the names they are learning and getting to know and if worn offsite to local businesses can be used to help promote FCRV and show businesses that sponsored portions of the event that we're supporting them back.

NCHA - National Campers & Hikers Association - The original name was changed to NCHA doing business as FCRV in 1992

Noise Parade - Unscheduled event that happens generally during sleeping hours. A long-standing tradition of good-natured fun that can happen as a celebration for any event or for no reason at all. Any group can have a noise parade. Local laws should be considered when planning one. If you hear one coming, making noise is strongly encouraged.

Opening Ceremonies - The welcoming event on Sunday Evening to prepare everyone for the coming week. Usually followed by a "welcome" hospitality from the home region/state/province.

Parade - A cumulative event where groups/states/provinces/regions can enter floats to walk/drive in. Historically, the parades went through the town we were camping in, but in recent times have stayed on the campgrounds. (Different than a Noise Parade...)

Region - A set group of states or provinces that work together. Often, they host a combined campout rotating around the region and work together when Campvention comes to their region.

State or Provincial Association - A breakdown of FCRV that all members that live within that State or Province belong to. Different from Chapters, as all members are included in a State or Provincial Association.

Trade Items - While standing in line (usually at Hospitality) you may ask your surrounding fellow FCRVers if they have these items. Generally small and easy to keep in pockets, you trade your item for theirs. Having a safety pin or key chain on the trade items would help to hook it to vests, sashes and clothing to allow people to see the many trade items that you had acquired from other members.

Continued...

Tram - Public transportation within the Campvention. Usually a golf cart but can be any motorized vehicle used for moving participants from different areas of the grounds. Volunteers always needed.

Trustees - The governing group of elected officials of FCRV.

Seminars - Educational opportunities on varied subjects offered at a campout.

Teen - Any attendee between the ages of 13-19. Teen activities are geared specifically for teens and attendees from other age groups are not permitted to attend teen activities unless invited by the Teen Staff.

Teen Center - Area designated for teen activities. A general hangout or meeting location to gather all the kids that are 13-19 years of age.

Vendors - Businesses that have contracted with FCRV to promote or sell their products at our Campvention.

Vendor Bucks - A gift certificate from Campvention to encourage shopping in the Commercial section of Campvention. (Not for use at Marketplace)

Youth - Any attendee between the ages of 0-12.

Youth Center - Area designated for youth activities. Where fun games, crafts, and playing can be found for the children ages 0-12.

Amy DeCamp was the chairperson from FFCC for the merger with FCRV. Amy led the movement to merge the Family and Friends Camping Club (formerly Starcraft Camper Club) into FCRV as a chapter. During the process she was instrumental in convincing both clubs of the advantages the merger held. As a result of her leadership, approximately 80 families joined FCRV. FFCC was formerly a manufacturer's club made up of owners of Starcraft equipment. As mergers, sell-outs, bankruptcies, etc. took place the club membership went from single manufactured equipment owners to multi-brand owners. When sponsorship withdrew, FFCC was no longer in a position to financially continue to hold annual National Rallies. Through Amy's leadership, the club family members have successfully found a new home in FCRV.

For her untiring commitment to this goal,

ENTERTAINMENT!

Blue Compass RV is a proud sponsor of the Entertainment Stage

Monday: Michelle Robinson Band

Nashville recording artist, Michelle Robinson has been singing her entire life. As a preacher's daughter, she was fortunate enough to hone her skills singing her heart out in church. With that experience she picked up the guitar, bass, and can keep a nice beat on the drums! Everyone in her band brings a unique style and twist to the music that is performed. Every now and then you will hear a mix of pop/rock and other genres thrown in to fill the sound that is...
the Michelle Robinson Band.

Tuesday: Matt Waters & the Recipe

Matt Waters is a rock & soul artist from Cincinnati, OH who found love in music at an early age and got pushed onto the stage for the first time at 14.

The Recipe came together in 2017 to accompany Matt on his first road gigs.

Thursday: Dancing Through the Decades

With a live band (Stays in Vegas) playing from 7pm to 10pm, this will be a dance party celebrating the decades our membership represents. Stays in Vegas will be playing our favorite songs from Motown to modern pop, and we hope to see everyone out there dancing the night away. Stays In Vegas is an entertaining 6-piece dance band co-fronted by the sassy & soulful Shannon Kramer and energetic entertainer, Jesse Moore.

DRESS CODE: The decade you attended prom, got married, OR just your favorite decade. You can dress up in fancy gowns and suits or dress down in your rolled up jeans and white t-shirts. and we'll have prizes! (Best Dressed Single, Best Dressed Couple & Best Dressed Ensemble)

Friday: Comedian Scott Long & BBQ Meal

Scott considers himself "The Top Corporate Comedian in Fly-Over Country". He has performed for Fortune 500 companies like State Farm, John Deere and GE to rave reviews. He also performs at fundraisers and is committed to raising money and awareness for worthy causes. One major thing that makes a Scott Long performance stand-out versus other comics is about how his daughter on the autism spectrum has taught him the most in life. It's why one reviewer described his show...

"Scott is a true class act and absolutely hilarious. His material is ahead of its time, and the manner of his presentation is humble, yet captivating."

Remembering Our Past... Celebrating Our Future

Region 5 cordially invites you to the 2024 Campvention in Herkimer, NY. We are excited to be the host for next year as NY was the host for the very first campvention.

As we celebrate our Jubilee year of existence we have many new things planned as well as the favorite things done at Campvention.

There are some awesome places to visit in the area. Golf courses, diamond mines, water park, a zoo, and waterfalls.

Because Campvention is before July 4th this year there are even more awesome things to do in Western and Central NY. Much more of this information will appear in upcoming issues of Camping Today.
