

MISSOURI CAMPER

CHAPTERS OF FAMILY CAMPERS AND RVERS

Volume 28 Issue 4

Winter 2023

Message from the President

Linda & Mike Van de Riet

I am excited to start my tenure as the new President of MSCA and look forward to meeting all the members of Family Campers & RVers.

Just a few notes about myself and my family. I am a native Missourian, I was raised in South St. Louis and have lived in Jefferson County, MO in Eureka for the last 32 years. My husband (Mike Van de Riet) and I have a combined family of three children, Christopher – married with 2 children, Patrick newly married and Julia married. Mike and I have been RV camping for the past 16 years and before that we tent camped for 6 years. Our kids have basically grown up in a RV, my daughter learned to ride a bike in CO around a small campground overlooking the beautiful mountains, our kids have become well rounded visiting many states as they were growing up and meeting people from as far away as Canada.

Even though we are empty nesters now, we still thoroughly enjoy traveling all over the United States in our home on wheels and try to get out every other weekend and take long vacations every summer. We are not retired yet but, hope to be in the next 4 years. We have a dog (Molly) that travels with us everywhere, she looks forward to our trips as the co-pilot in the back seat.

Next, I want to welcome the new Officers for FCRV, Jerry & Kathy Tannehill will be our new 2nd Vice Presidents, Don Hopkins will be our new Treasurer, and Beth Musselwhite will be our new Secretary. Mike Croxton will continue as our 1st Vice President.

For events, please see the list below, we would love to have everyone attend:

March 15 – 17, 2024 – FCRV Retiree Rally Early Days – Mineola Civic Center – Mineola, TX

March 18 – 23, 2024 – FCRV Retiree Rally – Mineola Civic Center – Mineola, TX

Spring MSCA – May 3-4, Leave on 5/5 – Big Red Barn, Carthage, MO

June 21 – 22, 2024 – 75th FCRV Campvention Early Days – Herkimer County Fairgrounds – Frankfort, NY

June 23 – 29, 2024 – 75th FCRV Campvention – Herkimer County Fairgrounds – Frankfort, NY

Sept 20 – 22, 2024 – Fall MSCA – Lazy Day Campground, Danville

Remember to encourage your friends and family to become members, the more the merrier. My husband and I truly enjoy sitting around the fire with everyone and potlucks are more tasty with every new recipe added to the table not to mention more people around the fire means more types of bourbon to taste.

I look forward to upcoming events where we are together and I hope you come and introduce yourself. I hate to say, my husband and I don't know many of the members in the other groups but, we would like to change that.

Wishing you all a very Merry Christmas and a Happy New Year with your families. Please stay safe and well! We look forward to camping season with you next year.

In Memoriam

Susan Ward

The Slow Traveler Retiree Chapter is sad to announce the passing of one of our members. Susan Ward passed away on October 30 2023. We just recently learned that she had been battling cancer. Susan and her husband Roger were active members of the Slow Travelers for some years. She

loved her family, loved traveling and she loved quilting. She was a warm and wonderful person and will be missed. No obituary available.

Linda Claycomb

Dr. Linda Susan Claycomb, age 75 of Linn, MO, passed away surrounded by family on Friday, November 10, 2023, at Capital Region Medical Center in

Jefferson City, MO.

Linda was born June 25, 1948, in Mount Morris, NY, a daughter to the late David and Helen (Moyer)

Johnston. Linda graduated from high school in Mount Morris.

On June 23, 1989, Linda was united in marriage to Don Claycomb in Sarasota, FL. Their marriage was blessed through the blending of their families – Scott, Sean, Donna, and Dana – and with the birth of their son, Steven.

Linda received her nursing diploma from Highland Hospital School of Nursing in Rochester, NY. Linda worked as an RN for several years, specifically in the OR, ER, and ICU. She was also a nursing instructor at Sarasota Vocational School, Columbia College, and State Tech in Linn. She also worked in Nursing Administration. She enjoyed mentoring young nurses as they started their careers. Linda was fondly known as a “nurse’s nurse”.

She was a founding director and grant writer for three different community health centers in Linn, Jefferson City, and Sedalia.

Linda was a faithful church member using her God-given talents with handbells and choir and serving as a Sunday school teacher and on many church committees.

Linda was involved in many community and nursing organizations, including United Way, Woodhaven Learning Center, Zonta, among others. She was a member of multiple national and state organizations, serving at the member and leadership levels.

Linda enjoyed cooking, baking, cake decorating, crafts, reading, playing the clarinet, gardening, being on the farm, decorating for Christmas, and camping, where she and Don served as campground hosts at different state parks around Missouri. She was a sports mom and was a member of both the soccer and baseball booster clubs while living in Jefferson City. Linda's greatest love, however, was time spent with her children and grandchildren.

In addition to her husband of 34 years, Linda is survived by her mother-in-law, Dorothy Claycomb, of Blythedale; three sons: Scott Blake (Jennifer) of Jefferson City, Sean Blake (Jodi) of Columbia, and Steven Claycomb (Alexandra) of Linn; two stepdaughters: Dana Hill of Denver, CO, and Donna Claycomb-Sokol (Craig) of Alexandria, VA; one sister, Betty Reiber of Pittsford, NY; one brother-in-law, Eddie Claycomb (Sharon) of Princeton, MO; and seven grandchildren: Kayla Hill, Ethan, Abigail, Emily, and Keira Blake, and Scout and Arden Claycomb, as well as nieces, nephews, and many friends.

Visitation will be held from 4:00 p.m. until 8:00 p.m. on Friday, December 1, 2023, at State Technical College - Health Science Center in Linn.

A Memorial service will be held at 11:00 a.m. on Saturday, December 2, 2023, at St. John's United Methodist Church in Linn with Rev. Kayla Kelly-Beard officiating. Burial will be at a later date.

In lieu of flowers and in keeping with Linda's legacy of mentoring young nurses, expressions of sympathy are suggested to the Dr. Linda Claycomb Nursing Scholarship through State Technical College in Linn.

One of Linda's wonderful traits was taking the biggest of strangers and making them feel welcome and not so small. She will be greatly missed by her family and friends.

~ Thinking of You ~

The Slow Travelers attended the fall MSCA campout at Lazy Day campground in Danville. We donned our aprons and served a delicious breakfast to everyone on Saturday morning. Along with other

chapters, we went to Graham Cave State Park. We helped paint some park buildings, picked up trash and painted and straightened site posts at the campground there. This was a wonderful community project. At the state meeting our own Barb Dodson was presented

with a Certificate for 15 years membership in FCRV. We held our chapter meeting, elected officers and planned our camping for next year. We then traveled to Amana Iowa to camp for 5 days. Several members took advantage of the wonderful weather to bike ride everyday. Some toured all the small colonies which make up the Amanas. Lots of shopping was accomplished. We gathered one evening to eat a delicious German dinner at one of the local restaurants. Some competitive games of

beanbag baseball was a great way to spend one afternoon. We also had potluck dessert night. We gathered together nightly for conversation and laughter. It was a wonderful trip. The Slow Travelers also visited Branson for Veterans Week. Everyone had a great time.

Cold weather is fast approaching. If you go south for the winter, enjoy the warmer temps. If you stay home, stay warm. See you all soon.

Pat Crow
President - Slow Travelers

Hello Fellow Campers, I hope you've had a great camping year with your friends and family. By now, your campers are winterized and well into the holiday season.

Some are already planning or have

already planed campouts for next year, as I am too. I always look forward to making new friends and seeing friends over the years as we go to different areas and camp. This is the best part of Family Campers and RVers, the people you meet from all over the state and country. If you're not going to state, regional and National Campouts, you're really missing out seeing the different parts of the country and the FCRV organization.

After attending the 2023 Campvention in Richmond, IN., I was given the task of Campvention 2025. I have asked several people in the region to assist, and they are currently working together to secure a site. We have toured one site, James A Ward Ag Center in Lebanon, Tennessee. It's a huge fairgrounds and it's located just east of Nashville. It will be a great place to vacation at.

We have agreed on Campvention Dates of 7/20 – 7/25/25. In order to have a successful Campvention, we need assistance from everyone. We have many positions to fill. If you would like to assist, please contact Paul Standiford or myself. We will be planning to go to Lebanon next year to visit the fairgrounds and hopefully if you volunteer, you will see the fairgrounds. The date of this planning meeting still needs to be determined.

I wish everyone a very Blessed Christmas and Happy New Year,

Debbie Ludwig
SCW Regional Director

State Dir Report – Paul Standiford –

We had a member, Mel Miller (aka "Nickels"), pass away on August 12. Thursday he would have been 89. Another member passed, on August 8 Bruce Trammel (Linda) from Lathrop, lived in Polo. In cancer remission and wanted to travel. Had 14 months & 24 states.

We supported the RV show 2 weeks ago. 20 people signed up for the Get Acquainted meeting and have e-mailed for attendance. 2 can't make it but hoping to get more response. 1 joined FCRV at the show. Will meet them at Perryville. Scott & Elaine Young.

Received an e-mail yesterday from someone asking if the FCRV group was meeting at Lazy Day. They have an interest in joining Slow Travelers. Jon & Sally Lannom.

Brought 2 scrapbooks for all to view. We have many more at home. Taking up a lot of space and not doing anyone any good because we can't carry them for people to see. I would like to have them scanned digitally. It's our history. Scanning would make it available to anyone who'd like to review the history. We are scanning minutes and put them online but these are odd size and we don't have a scanner that would do the job. No idea of the cost. But if the membership feels that's it's worthwhile, we'll get prices and get back in the Spring and see if MSCA is willing to pay for it. Edie Hensley made a motion for Paul to pursue the cost of digitally scanning them. Frances Jackson seconded the motion. Discussion included the possibility of putting them on Google Docs on the FCRV website. Nancy Seifert said we might have county or state places to take them. Genealogists would love them. Edie called question. No one voted against it.

Regional Director, Deb Ludwig – Campvention 2025 falls to our region. Site not yet set. Will need volunteers in the future for chair positions and team leads. When date/location finalized we will let you know and ask for your help.

Steadfastness

Here we are at the end of the year. How did you do on your resolutions for 2023? I must say, mine fell by the wayside many months ago. I was reminded of this recently during a sermon we heard in our church. I start the year with high hopes of being able to keep (or pretty much close to being able to keep) some self-improvement thoughts for the year. To have hope is to have a yearning for an outcome that makes your life better in some way. It envisions

a better future based on the steps you take to make it happen. Hope is a part of everyone's life. It's part of being human. It's looking on the bright side; close to wishing; we want something to happen or be true. Even pessimistic people can be hopeful. It is usually about one issue at a time. It is vital to our outlook on life, to make everyday life better. Hope makes present difficulties easier to bear. It can have a deeper meaning as it can link your past and present to your future. To not have hope is a serious sign of depression. One writer put it this way, "Hope is a match in a dark tunnel, a moment of light, just enough to reveal the path ahead and ultimately the way out." (Dr. Judith Rich).

For Christians, our hope does not depend on us, our actions, or our circumstances. It is a product of the Gospel of Jesus Christ. God, who is steadfast, has chosen you. That Christ, who is our hope, has come and lives in us all and will come again. The

consequence of hope is a steadfastness under trial that expresses faith to others. It animates faith into action. The word “steadfast” literally means “remaining under”. Hope then, is not a release from difficulty and struggle, but it is the strength to remain standing underneath the forces that press down on us. Such steadfast hope in Jesus puts all of life’s troubles into an eternal perspective. Hope sees that even the worst of this world is temporary. Hope is a future-focused experience. Hope anticipates its own end. It waits for Jesus, who delivers us from the

wrath that is to come. On that day, we will be rescued from the hopelessness of the world; hope will cease to exist because it is no longer needed. Think about that. Hope awaits its own demise. Not a world without hope, but a world where hope is no longer necessary.

As campers, we hope (steadfastly) for next Spring, good weather, safe travel, to see our camping friends, good campfires, good potlucks, with the blessings of good health and happiness in your family. That is my steadfast hope for you for 2024.

Acorn Cookies

Along with this, I sincerely *hope* you enjoy making the following very easy cookies.

Start with a package of Nutter Butter Cookies
Cut them in half (two squatty pieces)

Dip cut end in melted chocolate

You can drop some chocolate sprinkles on if you like.

Add just a small piece of pretzel stick to the end that you just dunked in chocolate.

Set on a parchment to dry. Voila! Acorns!

Missouri State Director

Wow! What a busy year. Beth and I started our camping season with a trip to Dothan AL for the Retiree Rally. From there we went to Gulf State Park for two weeks. After that we camped with MSCA, Slow Travelers, Pitch ‘n’

Pull, Gateway... well you get the idea. We also went to the South Central West Regional in Branson and the International Campvention in Richmond IN. Our camping season ended in mid-November with a

Slow Travelers campout in Branson. Since then we had an impromptu get-together with Gateway and another one coming up with Pitch ‘n’ Pull.

So why do I tell you all of this. Because I want all of you to know that there is plenty to do in FCRV besides your local chapters. Make the most out of your FCRV membership by camping with other chapters, going to the state, regional and international campouts. I would be shocked if you don’t have a great time at any of these campouts.

And make sure to share that fun with your friends that don’t know about FCRV. There are people out there just waiting to find a group. We found that out at the Saint Charles RV show. We have signed up five new members from that show and hope to sign up a few more. We were able to introduce FCRV to

another new member at the MSCA campvention in September. We had put the MSCA sign outside the meeting room. A couple from Texas drove by and saw the sign, looked us up on fcrv.org and sent me an email. They not only joined FCRV but also joined MSCA that same weekend. New members in the last year are:

Kevin & Diane Harms (actually joined late 2022)
Doug & Nancy Seifert
Jon & Sally Lannom
Scott & Elaine Young
Tom & Julia Truby
Mike & Karen Kremer
Art & Kathy Ruebel
David & Carol Fisher

Make sure to introduce yourself to them when you see them at a campout and make them feel welcome.

Unfortunately, we have recently lost a few members. You can see the details elsewhere in this newsletter. Always sad when we lose a member. Marilee Thoenen sent the following *"It is with great sadness that I inform you of the passing of Linda Claycomb. She had heart surgery in March and was not able to overcome the complications. I know that most of you did not have the opportunity to get to know her, but she would have been a great asset to our Pitch'n'Pull group."* We were fortunate to meet Linda and her husband Don in 2022. Our sympathy to Don and family.

We also lost Susan Ward in October. Pat Crow, president of Slow Travelers, wrote the following, *"The Slow Traveler Retiree Chapter is sad to announce the passing of one of our members. Susan Ward passed away on October 30 2023. We just recently learned that she had been battling cancer. Susan and her husband Roger were active members of the Slow Travelers for some years. She loved her family, loved traveling and she loved quilting. She was a warm and wonderful person and will be missed."* Our sympathy to Roger and family.

I would like to thank those members who stepped up to run for MSCA office. Our new president

mentioned them in her article so I won't repeat that here. But, I would like to thank the outgoing officers for their willingness to volunteer. Those officers who served last year are:

David & Linda Gish (president))
Mike & Mar Croxton (1st vice president)
Richard & Frances Jackson (2nd vice president)
Edie Hensley (treasurer)
Beth Standiford (secretary)

A special thank you to Edie Hensley who has served as treasurer for many, many years. Thank you for your dedication and service to the organization. We can't fill your shoes we can only try to follow in your footsteps.

I would also be remiss if I didn't thank those members who serve in non-board member positions.

Pat Crow - C.A.M.P program
Beth Standiford - MSCA Chaplain
Mike Croxton and Jack Thomas - DASAT program
Debbie Ludwig - South Central West Regional Director

We do have some vacant positions so if you feel the need to volunteer for a chapter, state or national position please contact me. Many hands make light work.

And finally, one last thing, please see Debbie Ludwig's article elsewhere in this newsletter. She mentions the International Campvention which will be hosted by our Region #2 in 2025. We need a lot of volunteers so we ask you to please step up and do your part in this volunteer organization. You can contact Debbie or me for more information.

Wishing you a Very Merry Christmas and a Happy New Year.

Safe travels and God bless,

Paul Standiford
