Volume 28 Issue 4

Spring 2023

Message from the President

Linda & Mike Van de Riet

Good evening, Missouri Campers!

I am so ready for a new camping season in 2024, aren't you? The Winter season has seemed to go on and on. My husband and I have already started talking about the places we are going, the people we'll meet and of course, spending time with our camping friends in MSCA. Mike and I are ready to get in some serious campfire time with everyone and

we plan to join in many activities. I know that being President will afford me the opportunity to get to know more people in the MSCA group and I'm excited to get to talk to all of you. I'm also ready for some productive meetings where the members can offer some great ideas for upcoming member activities.

I hope everyone got the notice about the change in location for the Spring MSCA campout from Kathy and Jerry Tannehill in Carthage, MO at Coachlight RV Park from May 3rd thru May 5th.

Mike and I are looking forward to seeing you in Carthage, we'll be counting the days until we can all get together. Until then, stay safe and we'll see you soon.

Hey all you winter couch potatoes (that includes Dave and I), it's time to get moving and ready for camping. For the MSCA campout in Carthage, I think we will do a walk. I have checked out Coachlight RV campground on line and it states roads are asphalt. That is better than gravel. I will map out 1/2 mile and a mile to walk when we get there. This will be weather permitting of course. Can't wait to see everyone again. Till then-take care.

2nd Vice-President

Greetings to all of you Happy Campers! As you all know, Punxsutawney Phil did not see his shadow this year, Hooray!!! That means that spring is right around the corner. So, now is the time to finalize all of our camping reservations for the year.

With that being said, our 2024 MSCA Spring Campout is fast approaching in May. Hopefully, everyone has heard by now that the location of our MSCA Campout has been changed. Originally it was scheduled to be held at The Big Red Barn in Carthage MO. It is now being held at Coachlight RV Park in Carthage MO. The dates of May 3rd – 5th will remain the same.

If you are planning to attend, please contact Coachlight RV Park ASAP. Their phone number is 417-358-3666. Have them add your name to the MSCA Rally Sheet to reserve your spot. The cost will be \$37.50 per night of your stay per RV. They do work on an HONOR system, which means that they do not collect any money up front. The site fee is collected upon your arrival at the park. BUT, they do ask that if for any reason that you must cancel to please call them to have your name removed from the list to free up that spot. This will also help us to keep an accurate RV/head count of members attending for our needs.

As always, Jerry and I are looking forward to seeing all of our camping family again, and also getting to meet all of our new members. It should be a great time. See you all soon!

Kathy and Jerry Tannehill

MSCA 2nd Vice President

South Central West Regional Director (Region 2)

As Winter months are winding down and we're thinking of camping season. A lot of Chapter and State Campouts have already been planned. Have you thought about going to 2024 National Campvention being held in Herkimer

County Fairgrounds, located in Frankfort, NY. The dates are June 23-29, 2024, Early Bird Days June 21-22, 2024. This would be a great chance to visit NW New York State. It's beautiful there and a lot of things to do.

Our Region 2 will be hosting Campvention 2025, in Lebanon, Tennessee. Early Days July 18 & 19th, 2025, Campvention July 20th – 26th, 2025. Please plan on attending so we can make a great showing

for Missouri State. Here's the new LOGO designed by your fellow campers.

We are in the planning stages of the 2025 Campvention and we need help from Missouri State members. If you can help with the planning and at Campvention itself. Please let Paul & Beth Standiford or me know. We would certainly appreciate it.

It's a great way to meet new friends that have the same passion as you do with camping. Trust me you will make friends for life.

Safe travels on this year's adventures

Debbie Ludwig
Region 2 Director

The snow is melting and warmer weather is expected next week. Typical Missouri. But each day of warmer temps makes us long to get camping. But the next best thing was to get together with members of our Slow Travelers chapter.

Members from the east side of the state got together for dinner at Stefanina's Italian restaurant on February 17th. Along with 10 members, we welcomed prospective Slow Travelers members Mike and Karen Kremer. It was a wonderful dinner with lots of laughs. Some of our group have had various surgeries, so it was good to have them able to join us and see them doing so well. In March

many of our group will be heading to the Retiree Rally in Texas and then on to Gulf State Park. Can't wait to see everyone around the campfire. Until then take care and safe travels.

Pat Crow
President - Slow Traveler

Pitch 'n' Pull concluded the year with a holiday lunch on December 5th at Silver Dollar Restaurant in Eldon MO. Great food and great friends.

We welcome spring as Pitch 'n' Pull looks forward to the 2024 camping

season!

The Club's first campout will be at Binder Park in Jefferson City, Missouri from April 22nd through the 26th. From June 9th through the 13th, we will be camping at Blue Springs Ranch in Bourbon, Missouri. You can find us at the Corps of Engineer's Damsite Park Campground at Pomme de Terre Lake in Hermitage Missouri from October 9th through 14th. Pitch 'n' Pull would like to invite campers to come join us at any of our campouts. Experience

what the campground and area has to offer as well as the camaraderie of our group.

Dietary Restrictions

by Beth Standiford

Hey Campers! It's that time of year again. No, I don't mean tax time – well, yeah, that, too, but time to think about going camping and what to fix for those fabulous potlucks we all so enjoy.

This year, we need to be a little more aware of other campers with food sensitivities. Some of our members are allergic to specific foods or have dietary restrictions. It would be nice if when a dish is prepared, you might note somehow (post-it on the item, include the recipe, etc.) if it has cinnamon, lots of sugar, chocolate, shellfish, or nuts. Please keep in mind some of our campers are diabetic or require a gluten-free option. If you would like to make a gluten-free dish, please avoid cross-contamination of pots, pans, cooking utensils, countertops, and ovens/fryers of all kinds. We also should set those gluten-free dishes on a completely separate table to keep them safe for our campers.

Wondering what to prepare? Taste of Home.com offers a wide variety of ideas. Summertime faves like Five-Bean Salad, Broccoli Salad Supreme (LOVE those grapes), Beans & Sausage, Slow-Cooked Ham & Pineapple. Something easy like chicken simply

baked & seasoned with salad dressing and onion soup mix. Fresh fruit. Or how about a charcuterie board with fruits, gluten-free salami, shrimp, ham, and turkey, a few crackers (always check the label) and some York peppermint patties?

Come on, Campers. You're a creative bunch. Just a little time and effort to make our fellow campers comfortable, welcome and well fed!

Feed My Sheep

By Beth Standiford (MSCA Chaplain)

Has anybody else had rough times to go through this winter? I am so looking forward to Spring and the renewing hope it always promises. Sometimes it seems as though the times that are harder, breed more hard times. Like dominoes laid out in a row, they seem to trail on and on. The gray days without sunshine close in. They color my mood. I

look out the window at muddy brown lawn & bare trees that give no shade or reason to think they will come back to life. I plainly see the squirrels circling the tree trunk oblivious to the weather, cavorting in what looks like merriment. Stupid squirrels. Or are they stupid? Life goes on moment by moment, and we must sometimes carry the sunshine in our hearts. Remembering the warmth of sunshine, its effects on the growth of all things. The good times we had in the sun (and the rain) while camping. Yes, I am looking forward to camping. Cool nights around a campfire with friends. Somehow the stormy grayness of life doesn't seem quite so intolerable

then. The storms of life affect us all. But we must remember even storms are good for something. The disciples of Jesus were caught in a storm, when through the torrent, they see Jesus walking towards them ON the water. And in a totally outrageous move, called Peter to get out of the boat and walk to Him. Obediently, Peter gets out of the boat and starts walking on the water to Jesus. But then, the storm catches Peter's attention and Peter starts to sink. He is letting the weight of this storm and surroundings get to him. As Peter's going under, he cries out to the Lord for help. And reaching down, pulls Peter up. So, look at it this way; Jesus wasn't just walking ON the water; Jesus was walking ON THE STORM. He knows we have storms to get through and He calls us to come to Him in their midst. And sometimes we respond and do so, but then, we falter and look at the storm and start to sink. Only by reaching out to Him can He save us. Sometimes He calms the storm; sometimes He calms the child. He knows what is needed. He didn't promise smooth sailing – only safe passage. So, here's to our upcoming camping season and no matter where we go, what the weather, you have my prayer for safe passage.

Missouri State Director

Spring is here. Don't believe me? Earlier this week, February 26, the temperature was 82 degrees here in Saint Peters. Of course, the next day it dropped into the 40s but it looks like Spring is coming early. And that is good news

to campers everywhere. So start getting your rigs ready for your first trip.

For Beth and I that will be a trip to Mineola TX for the Retiree Rally. But don't let the name fool you. You don't have to be retired to attend. Of course, if you are still working you will need enough vacation time but it is well worth the time.

Another great trip adventure occurs in June with a trip to Herkimer County Fairgrounds in New York for the Campvention celebrating the 75 anniversary of FCRV.

Of course, back then it was NCHA. Check out the history of NCHA/FCRV on the website. <https://fcrv.org/history/> Beth and I were members of NCHA back in the mid-seventies and attended a couple of Campventions - 1997 in Duquoin IL with 1,780 families attending and again in 1978 in Elbert CO with 5,280 families attending. The highest attendance was in 1972 at Camp Atterbury IN with 7,842 families attending.

Unfortunately, membership and attendance has dropped over the years. This is not just an FCRV problem but for camping clubs in general. There are a lot of theories about why this is happening in an age where there are more RVs on the road than ever before and sales reaching an all time high in the past few years. I won't get into my theories here but I will tell you what we need to do.

We need to share the story about FCRV to everyone you see in a campground. We need to exemplify the motto of FCRV. Where Strangers Become Friends and Friends Become Family. Perhaps it sounds a bit trite. But in our 10 years since we have rejoined FCRV, we have seen this to be the case time and time again. If you want some examples, just ask me and I can give you five or six just in the last couple of years.

So, why am I telling you all this. Because FCRV needs your help. It is a great organization but we need to do something to boost the membership and RETAIN the membership. I've already talked about telling everyone you see to help boost the membership but what's this about retaining the membership.

Yep, we need to keep the members we have. Most of the people that leave FCRV do so because they are not getting the full benefit of their membership. They camp strictly at the chapter level. Now, don't get me wrong. Camping at the chapter level is great. For the last 10 years we have camped with all four chapter in Missouri. For the first 5 years we camped strictly with Gateway Campers and didn't miss a campout. Of course, then came retirement and we started to camp with the Slow Travelers also. And we started to attend the national Retiree Rally and Campvention. Also during that time we went to ALL of the MSCA State Campventions. WHY?? Because they are fun and we meet more new people who are now part of our camping family.

So, people who are active in the organization are the ones that stay with the organization. And not just active from a camping perspective. We need you to be active in the leadership of the organization. We have positions that need to be filled. Three right now that are vacant that we would like to have filled are the DASAT (Disaster and Safety Awareness Training) position, The Conservation position and the Wildlife position. If any of these seem like something you can do please contact me. Also, consider running for one of the MSCA positions (see page 2 of this newsletter for a list) And don't assume that just because it is currently filled doesn't mean you can't run for the office.

But most important is to come the chapter campouts, come to the MSCA campouts and if possible come to the Retiree Rally and Campventions. I am certain that if you come to all of these you will have a great time, make new friends and be part of a great family.

And finally, give some consideration to attending the Western Council Campout in Lathrop MO on April 19 - 21. The campout includes a tour of the Jesse James Farm/Museum. If you would like to go send an email to pak.n.go@mofcrv.org and let them know you want to attend.

Safe travels and God bless,

Paul Standiford
Missouri State Director
