## Presidents Notes

Hello fellow campers. We attended District 2's Spring Thaw but it felt more like spring freeze. The wind and cold weren't very comfortable but the fellowship was great. A special thank you to Bill and Diane Buggeln for overseeing Spring Thaw this year. We really appreciate all the hard work that everyone put in to making it a great weekend. The sad thing is there were only eight families camping. Due to the low participation in the last few years for Spring Thaw it has been voted to do away with it. Area two is so lucky to have the Ky-O-Tees who have been and are always Johnny-on-the-spot to prepare meals or anything else that is needed.

Hope to see a lot of you at Spring State beginning May 3 in Burlington. Vern and Pam Failor have a lot of fun things planned for the weekend. Bill and Diane Buggeln are hoping as many as can stay for retirees Monday May 6 to May 10. A lot of work goes into planning a campout so please make sure people know you appreciate all they do.

District 1 campout is June 14-16. Everyone is invited to attend, you don't need to be a member of that district.

Happy camping and hope to see you at future campouts.  
Forrest and Faye Tennyson

## State Directors Notes

Spring is supposed to be here but sometimes the temperature has been deceiving. Regardless, CAMPING SEASON is here. PLEASE – if you haven't made plans to attend the Kansas Campers Spring Campout or the Spring Sunchaser's or both – DO IT!!! Show everyone that Kansas Campers are active. Besides, you get a chance to visit with others from around the state. The dates are May 3 – 5 and May 6 – 10.

We didn't get to attend the International Retirees but Kansas was well represented. Thanks to all of you that did go. We came home and have had plenty of appointments. Some issues became apparent during the Retirees meeting. We heard about them right after the campout ended and continue to hear more. If you haven't heard, please go to the following and read the letter from the trustees. Go to the FCRV.org website and click on the News which will bring up the April Camping Today. At the bottom of the letter from the International President Gerry Pfirsch, you will find a link. Open the link and read the special message. Personally, we are disappointed that they have reached the decision that they have made. The major changes we will see is that there will not be a prayer at the opening and closing of the International Campvention and the International Retiree Campout and the FCRV Prayer will not be printed in the program books. If you agree or disagree with their statements, write to each of the trustees and let them know how you feel. Addresses for each of them can be found under Contacts on the FCRV.org site. Members can have an influence. We do wonder what they will change or allow in the future.

We are not sure how much we will get to camp this summer but we sure hope we get to see each of you sometime soon. Take care.

Earl and Ivalee Vanderhoff

## AREA I

### Campfire Campers:

In March we ended our winter meetings with breakfast at BoJo's in Topeka with additional guests from the Mustangs. Then the group moved on to the Heartland Air Museum. We had two great guides and really appreciated their knowledge and stories of the planes in the exhibit. Six families and a guest of our chapter attended the Retiree Rally in Mineola Tx where it was a bit cool but great fun was enjoyed. Our first Chapter camp out of the season was at Hillsdale Lake where the Weirs hosted the weekend with a progressive supper. I am sure folks in the area wondered what we were doing moving from camper to camper as we partook in a 5 course supper. We had a really great time with lots of laughs and visiting. All this while welcoming our guests Geff and Brenda Karkendall who are long time neighbors of John and Georgia Denisar. A few couples drove into Osawatomie and stopped at the John Brown museum where we learned of his extreme passion to end slavery during the civil war. It was a great weekend.

We are looking forward to the Spring State Campout in Burlington Ks at Kelley Park. Hope to see a lot of folks at this annual event.

Mary Ann moved, and David W. seconded that the treasurers report be approved as presented. Motion carried.

Old Business: A suggestion was made to change our By-Laws regarding the election of officers. Harold Johnson had worked with KCA regarding the same issue. After some discussion, a motion was made by Harold and seconded by David W. to adopt the same wording as KCA. (See attached wording) Motion carried.

At a previous meeting, discussion was had regarding when to elect officers and if they could be elected in opposite years. President and Treasurer on the even year (2024) and Vice President and Secretary on the odd year (2025), thus allowing for consistency of ones who may be new to the position to have someone who had been on the officer's team to be of help to new officers. Motion made by Mary Ann. Wilma Fast seconded. Motion carried.

Camping Schedule: The August 16-18 campout is to be held in Kinsley, KS, at the 4-Aces RV Park. Tom and Kathy Howard will be the hosts. The number to call for reservations is 620-659-231, but we are awaiting more information from Howards, soon.

Our March 15-17 Campout will be held at Battlehill RV Park, Galva, KS. Fee is \$25 a night, includes full hookups, 50- and 30-amp service and a cabin with showers, etc. Our business meeting will be inside! Mary Ann Musselwhite is the host.

The October 18-20 Campout is also at Battlehill. Since they have an annual Chili Cookoff, the Cabin will not be available on Saturday night for our meeting. It has been suggested that we have the business meeting on Friday night after everyone has arrived. **PLEASE** make your reservations for this campout as soon as possible as spots will be limited due to the Chili Cookoff Event. There will be more information regarding this weekend soon.

Kammie Wendler gave an update on Kevin. He is home and doing much better.

Meeting adjourned 1:45 p.m.

## **SPRING THAW 2024**

Spring Thaw was held April 19-21 at Lake Afton near Goddard, KS and lived up to it's name as a cold front came thru and temperature went to the 50's with 25 mph + winds on Thursday and Saturday and in the low 40's at night. Those attending were the Hilger's, Cleaveland's, Limper's, Failer's, Tennyson's, Buggeln's, Hendrick's, and Ivalee Vanderhoff. The Newport's drove in on Friday and we had the Gary Dennett's and Travis Hoover on Saturday as guests. A good time was shared by all with both eating at in D'Marios and China Grill in Cheney as well as meals shared by all. WE went to the Lake Afton Observatory Friday evening and Souter's Museum on Saturday afternoon (well worth the time) . Games were played daily and alot of laughter. It was decided by the group that due to lack of participation and closeness to Spring State this would be the last Spring Thaw. We closed on Sunday morning with a worship service and then clean up. Leaving the building a lot cleaner than we found it. It was a great time.

## **Camping Further Out:**

District One and the Mustangs Chapter lost another really good friend and camper. Jim Wright, 85, passed away suddenly March 22, 2024 at his home. He is survived by wife, Judy Glasgow, daughters, Janet (Chris) Shaw and Joanna (Jon) Brady, son, Jamie Wright and Step Children, Brad Reynolds & Bethany Fritzson and families. The Celebration of Life was held Wednesday, April 3, 2024 at the Kansas Avenue United Methodist Church, Topeka, KS. The complete obituary can be found at [www.dovetopeka.com](http://www.dovetopeka.com). You can also sign the Guest Book at that address. Judy and Jim have been Presidents of the Mustang Camping Club for several years, were active in the District One activities and the FCRV Dinner Groups. Thoughts and prayers go out to their family.

From the Duster's Chapter: "Verne Ratcliff, 82 yrs old, passed away Saturday, April 20, 2024 at the Via Christi Village Nursing Home in Manhattan. His wife, Patricia preceded him in death on May 7, 2013. He is survived by three daughters, Machelie, Crystal and Staci and son, Bill and their families. His Visitation was Tuesday, April 23, 2024 at the Chapel Oaks Funeral Home, Onaga, and the Funeral was Wednesday, April 24, at the First Congregational Church, Onaga. Verne worked for the Union Pacific Railroad thirty years. After retiring from the railroad, he drove a school bus for the Onaga school for twenty years and was a Foster Grandparent with NEKCAP for ten years. He also was a volunteer firefighter for the Onaga Fire Department for fifty years. The complete obituary can be found at [www.chapeloaksfuneralhome.com](http://www.chapeloaksfuneralhome.com)." Verne & Pat were FCRV Field Directors for over thirty years and he continued on after Pat passed away. He was proud of that position and of the Dusters Chapter. He sent in the last Chapter Monthly Report about November, 2023. He loved attending Campouts, i.e. Campventions, State and District Campouts. At the Campvention in 2019 in Hutchinson he was so tickled to be able to drive his pickup in the noise parade and laughed the entire route (I think he went around at least 3 times.) He fought a long hard battle with loss of one eye, diabetes and was on dialysis for some time. He will be sadly missed and our thoughts and prayers continue to be with his family.

## **Kansas FCRV Care Notes – April 24, 2024**

It has been many months since I sent out the Care Notes and I apologize for that. Life certainly has happened in our family as it has in many other families. We hope those that are able to camp have been out this Spring or getting ready to go camping. I wanted to share the following information:

We wish safe travels and good camping for all of you this summer..

We're sure there are others that we need to keep in our thoughts and prayers. Don't hesitate to let us know so we can share with our camping friends. Staying in touch is one way to help keep our organization a little stronger. Please pass the above information on to those that might not have received the Care Notes. Sometimes the Care Notes end up in your SPAM file (cyber gremlins) – so check your SPAM folder often. Thanks! Good Health and Safe Travels and we're looking forward to seeing you "down the road"!
