STATE DIRECTOR'S CORNER

Rick & Kathy Boatwright

Hi Colorado FCRV,

It's almost camping season and soon we will start getting the RV's out of their winter naps. Checking it twice, finding out what needs to be repaired or not. With only 70 days before the Colorado's Spring Fling and many things to do before camping starts. Many Chapters have planned to start camping in April and some in this month. We all look forward to going out and enjoying nature and friendship with family and friends. Just sitting around a campfire, telling old stories, and making new ones. We have more planning to do before the big state campout of the spring.

We as Field Directors need to remind our members that FCRV dues need to be paid before the end of the month that they are due. National will drop you on the first of the next month. March and April have the most members that need to pay FCRV dues. We will be sending out a new Chapter membership report to all Field Directors in the first week of April. Please review it and make any changes as soon as possible. The membership expiration date is on this report. Let you members know.

Some chapters have members holding offices that are not members of FCRV. You must be a member of FCRV before being part of a local chapter. So, pay your dues two or three months before it is due. This will prevent being dropped by National.

All Chapters need to review their Chapter Profiles and update them. If you want new members, let us know. We use the chapter profiles to assign new members to chapters.

We have many things planned for both Spring Fling and the Fall Statewide for members to enjoy, but we need members to help with the activities and attend the State events. These are your campouts, as Colorado members, and we need more attendance to be able to plan more activities.

May everyone be safe this camping season and have fun.

Happy Camping!

2024 Election Update

It is time to have a say, by voting for the President, Vice President Programs and the Corresponding/Recording Officer. Their bios were in the January/February edition of the Fireside Embers and are also in the March edition.

There are two individuals from Colorado running for office. Gerry Pfirsch, (International President) and Teresa Walorski (Corresponding/Recording Officer). Ed Shaneyfelt from Indiana is also running for Vice President of Programs.

As many of you know Gerry Pfirsch has been a staple in Colorado since 2005, he is currently the FCRV International President and has held many positions in Colorado, to name a few District Director, Field Director, and chapter officer positions. He has also been a State Director and a Region Director.

Teresa Walorski has also been a staple in Colorado since 2004, she is currently the Editor of the Colorado Fireside Embers and the Field Director for her chapter. Teresa has also held numerous positions in her chapter and Teresa and her husband, Rick, helped enormously at the Region 1 - 2022 Campvention in Colorado.

Ed Shaneyfelt has been involved with FCRV since 1993. Ed has not only been extremely active in his state but has also been active at Campventions. If you have ever been to a campvention you most likely have met Ed.

If elected, these three candidates will be an immense boost to the Board of Trustees and help FCRV evolve.

2024 Election Update (CONT.)

You will receive your ballot at the email address you have on file at the national office around 15 March. If you do not receive a ballot, contact your State/Regional Director. They should be able to remedy the situation. You will need your member number to vote, if you do not know your member number contact Rick and Kathy Boatwright or Shirley Kendle. DO NOT contact the National Office, they have enough on their hands and don't need to look up your membership number when we have it readily available. Your Field Director also has this information.

For your vote to count you must be an active FCRV member; therefore, if your FCRV dues expired in Feb 2024 or March 2024, please renew them as soon as possible at:

<https://fcrv.org/membership/>

Be sure to check your junk mail/spam folder if the ballot email is not in your inbox.

You will have one vote per membership.

Your vote must be received no later than April 15, 2024.

2024 FCRV Board of Trustees Election

This year there are three positions on the Board of Trustees that are up for election; International President, Vice President of Programs, and Recording/Corresponding Officer.

The International President, Gerry Pfirsch, is running unopposed. The sitting Vice President of Programs and the sitting Recording/Corresponding Officer are being challenged by Ed Shaneyfelt and Teresa Walorski.

This issue of the Fireside Embers contains the Biographies and Platform for Gerry Pfirsch, Ed Shaneyfelt, and Teresa Walorski. All five candidate Biographies and Platforms will be in the February and March issues of Camping Today.

An electronic message will be sent by email to all active FCRV members in March 2024 with instructions on how to vote electronically. The message will be sent to the email address that the National Office has on file. If you have changed your email address in the past few years or are not sure that the National Office has your correct email address, contact Shirley at Farwest1FCRV@gmail.com to verify your information.

This Trustee election is one of the most important elections to take place in years. This is the first time in a long time that the current incumbents are being challenged. Why? Because it is time for change. It's time to bring new blood and ideas to the forefront, bring in Trustees that will listen to the members wants and needs, and that standby their platforms.

Make sure your voice is heard and VOTE!!!

**your VOTE
is your VOICE**

Hoping for your support!

Recording/Corresponding Officer –

Teresa Walorski

BIOGRAPHY

Teresa and her husband, Rick, have been married since 2002. Together, they have 5 ‘kids’, 5 grandkids and 1 great grandson. After they purchased a pop-up tent trailer in 2003, they were walking around the RV Show and were introduced to the FCRV Organization. They have been camping with OOPS ever since. Currently, enjoying their Class-A Motorhome and road trips. With OOPS, Teresa has served as President and, currently, the Secretary. Rick and Teresa are the OOPS Field Director. For FCRV, Teresa has been the editor for the Fireside Embers since 2020 and has enjoyed volunteering at different Campvention events. Teresa has been with Mercy Housing since 2005, working with HUD paperwork and vouchers and Tax Credits, auditing low-income files, and has worked with HOAs keeping their minutes and financial statements. With Mercy Housing she can work remotely and sometimes works from the motorhome while camping or on road trips.

PLATFORM

Accurate and consistent record keeping are important to the history of any organization and FCRV is no exception. Currently, I see growth in membership to be the main priority. The generation we are trying to connect with will require some out-of-the-box thinking, planning and implementation on our part. It is hard to know exactly what is needed to bring in more people and to keep them happy and renewing, but working together respectfully is a great start. No one person can know everything, it takes us all working toward the same goal of making FCRV more stable and welcoming. Let’s reach out to those chapters thriving and see what they are doing. Taking in suggestions from all would be eye-opening. We must be more visible, and we have to offer attractive activities for all ages. Keeping school schedules in mind and having activities that include our youth/teens. For our current and future senior members having education in advanced technology, healthy cooking, health in general, computer safety, iPads, Medicare, exercising and such may be welcoming. Road trip ideas, group camping theme ideas, vehicle safety and RV driving instruction (so many women will not get behind the wheel of the motorhome or truck) would benefit us all. We need to set the example of working together respectfully for the good of the organization and having all age groups working together, we learn from each other and **thrive together**.

We are frequently asked, ‘Why stay with FCRV?’ We let them know that we attend and enjoy more campouts as FCRV members because of the comradery and the fact that we plan our future campouts. This is why we are Lifetime Members of FCRV.

I sincerely hope I am given the opportunity to help wherever I can and to apply all my talents to furthering the aim of FCRV. Thank you!

Vice President of Program -

Ed Shaneyfelt

BIOGRAPHY

Hello, my name is Ed Shaneyfelt. I am running for Vice President of Programs. I have been involved with NCHA/FCRV since my family joined in the fall of 1971. Through my years I participated in the youth and teen program and made a lot of friends along the way. Still today I am still making friends that become like family. In 1987 I married my lovely wife, Angie. We raised two wonderful children who participated in the programs also. Our daughter Paige was an Indiana state queen, and our son Fletcher was the first National Teen King. I have been involved or in charge of teen sports for the last 15 years. At the State level, I have been Northern rep, Vice President, President, Past President, and current President for Indiana over the last 25 years. Also, I have been serving as the National Campvention Director for the past 9 years.

PLATFORM

I am excited to embark on this new journey to make sure FCRV survives for future generations. To do this I believe the focus should be to update our existing programs, to ensure that they are best serving the needs of our existing members as well as benefitting new members as we continue to grow and expand. I am looking forward to working with the Program Directors to get this accomplished, whether it is the CAMP, Conservation, DASAT, Adult, Teen, Youth, or Veterans Programs. I will need to fill some open program director positions that are currently vacant. I understand that I would be responsible for those programs until I can find Directors. With the help of the directors and members, I believe we can create a prosperous future for our organization.

I'm here to represent the membership, please let me know your concerns if I'm elected so your voice will be heard.

Your vote would be greatly appreciated.

FCRV International President - Gerry Pfirsch

BIOGRAPHY

Joined FCRV in 2005. I been an involved in function of FCRV as Chapter Officer, Field Director, Northern District Director, Assistant State Director, Regional Director, Co-Chair on two Campvention's, and President of this wonderful Organization. We have seen challenges and successes. It has been an honor to serve as the International President. We have embarked on moving FCRV into the 21st century. This endeavor has presented us with challenges and growing pains that we must navigate through to be successful. Past experiences in service have proven to be a great asset in serving as President in my second term. I also thank the past Presidents for their reliable council in navigating the future. They are a valued asset and a source of experience. It would be an honor to serve another term as President and thank you for the opportunity to do so.

Gerry Pfirsch
FCRV International President

PLATFORM

I would like to thank all my FCRV family for their support during this term as President. We have worked diligently to bring FCRV into the 21st Century and will continue this path to see FCRV succeed. I will always place what is best for FCRV over my personal desire in every decision. I believe that we must listen to what you as members tell us in our decisions and trust that the information you give us is honest and true to form our decisions as your leadership. We try to change identified items as needed and will continue to strive to make FCRV better. Knowing that the work we do will change over time requiring us to look at the future needs for the organization. This is the reason that your continued feedback is needed. It is my greatest desire to see FCRV succeed for another 75 Or 100 years and then some. I would like to say Thank you for your support and help in the future success of FCRV.

Gerry Pfirsch

Chapter News Trailblazers

The Trailblazers celebrated Christmas at the Golden Corral in Colorado Springs, where we hold our Winter luncheons and meetings. We had Christmas bags for all our members, which are then filled with cards and gifts of candy, cookies, and homemade crafts from our members. We've had to go to bigger bags with all the wonderful goodies that everyone shares with each other!

At our January luncheon and meeting, we made our final plans for our 2024 camping season. In April, the Trailblazers will be at the Pueblo South KOA. In May, we can be found in Buena Vista, at Snowy Peaks RV Park. We are all looking forward to attending the Colorado Retiree Rally in June, at the Riverview RV Park in Loveland. In July, we'll be enjoying the beautiful mountain views from Grape Creek RV Park in Westcliffe. A new destination for the Trailblazers in August, will be at the Monarch Spur RV Park, near Salida. In September, we'll be traveling to Taos, NM, staying at the Taos Valley RV Park. The Trailblazers haven't been to Taos since 2016, so it was time to visit again. Our last campout of 2024, will be in Del Norte, CO, at the Woods and River RV Park, another unexplored destination for us.

We are all looking forward to the 2024 camping season and making more memories with our camping family.

Irish Potato Candies

Yield: 38 to 40 candies

INGREDIENTS:

- 4 oz cream cheese, at room temperature
- 4 tablespoons unsalted butter, softened
- 1 teaspoon vanilla extract
- 1/2 teaspoon salt
- 1 lb confectioners sugar - about 1 and 1/2 tightly packed cups
- 7 oz sweetened shredded coconut
- 1/4 cup ground cinnamon

Line a baking sheet with parchment paper. Set aside.

Place the cream cheese, butter, vanilla and salt together and mix on medium speed until fluffy, about 1 minute. Reduce the speed to low and slowly add the confectioners sugar until fluffy and incorporated. Add the coconut and mix on low until just incorporated, about 1 minute.

Using a tablespoon measure, spoon out level tablespoons of the candy mixture onto the prepared baking sheet. Using your hands, shape each spoonful into an oval potato shape.

Place the cinnamon in a medium bowl. Roll each potato candy in the cinnamon until fully coated and place back on the prepared baking sheet. Chill the candies in the refrigerator for 30 minutes before serving.

You can refrigerate the candies in an airtight container between layers of parchment or wax paper for up to a week.
