STATE DIRECTOR'S CORNER

Rick & Kathy Boatwright

Greeting Campers of Colorado FCRV,

We have been your State Directors for almost one year. I'm not going to tell you it's been easy but we have worked hard and long trying to bring more things back to the State events.

We have started to plan for the 2025 season. We need more members to support the State events. As of now we plan to have a planning meeting around the 1st or the 8th of February 2025 to get thing figured out. Not sure if we will have it in person or on Discord. We should know by the next issue of the Fire-side Embers.

We all still need to work together to grow the membership in Colorado. As of September 1st, we only have about 297 members. We can't do anything about the members aging out and not being able to camp anymore, but we all need to start finding ways to get more family's involved in FCRV.

Fall is right around the corner and the temperature is going to get colder so remember to check your heaters, batteries and propane. You don't want to be out and be cold. For some of us, we still have a few more camping trips planned before we have to put the campers to bed and winterize them. Don't forget to remove all water filters and remember your ice maker too.

The Colorado Fall Campout is coming up and we have many things planned to have fun.

Until we meet again at a campout, have fun camping and drive safe.

Rick and Kathy Boatwright
Colorado State Directors

Colorado Field Staff Meeting

Colorado Field Staff met at Riverview RV Park in Loveland, CO in Aug 2024. Seven members camped and the rest came for the day. Rick and Kathy went back to basics and discussed the Field Directors and Staff duties and the upcoming Colorado Fall Campout, while Elbert and Eileen talked about all the fun everyone is going to have at the Southern Colorado Retiree Rally. Discussions were held on how to include new members into the chapter outings, especially when they join midseason when the campgrounds are full, the importance of submitting articles for the Fireside Embers to use as a marketing tool, and other topics. Two Chapter Anniversary Awards were presented to the Camp Stars and the Rocky Toppers.

CHAPTER NEWS

Silver Foxes

The Silver Foxes had their July 18-24 campout at Grape Creek campground In Westcliffe with 6 rigs and 2 guests attending. Our daily walks totaled 45 miles. A ice cream social, crafts, games, chili cook off, contests for best chili, hat and baby photos were enjoyed by all. Some went to a rodeo and brunch at the Alpine Lodge. Thank you to the hosts Eckdale and Stewart for their hard work.

CHAPTER NEWS

Rocky Toppers

Rocky Toppers had their third campout of the summer at Four Seasons in Salida on June 20-25. Eleven campers attended. A good time was had by all. On our first night, we enjoyed catching up and sitting around a blazing firepit. On Saturday, our hosts, Dennis and Norene Hoglin and Michael and Pat Davis, cooked up a storm and treated us to a yummy meal of spaghetti, seven-layer salad, and a scrumptious raspberry dessert. They also provided a continental breakfast the following morning. The ladies spent time decoupageing napkins onto vases under the direction of Pat, our craft connoisseur. Several members hiked a river trail, and a couple tried out the Salida Aquatic Center. The group played multiple rousing games of Mexican Train. The trip wouldn't be complete without checking out the river surfers downtown. Just being by the river with good food, good friends, and conversations made our stay a memorable one!

CHAPTER NEWS

Good Timers

The Good Timers retirees spent the past week at Stagecoach State Park in Steamboat Springs. We had a great time going to the beautiful Yampa Valley Botanical Gardens, and visiting Fish Creek Falls. We rode the gondola to the top of Mt. Werner, and enjoyed the breathtaking views and wild flowers. Our host had us fix our supper one evening, all done by Dutch oven cooking. He also had a Boy Scout afternoon where we tied knots and other fun activities. Once again, a fun adventure was had by all.

CHAPTER NEWS

RV Rascals

Can we throw a lasso around the calendar to bring it to a screeching halt?? It seems like “camping season” just started and it’s already September!!

Spring Fling at Brush in May was fun as was the Northern Retiree Rally at Loveland in June. We may not be athletes on par with Olympians, but in the Golden Skillet contest and bolo horseshoe, beanbag baseball and fly swatter volleyball categories.... the RV Rascals members can bring home the gold (skillet).

Our July campout at Golden Gate Canyon St. Park was definitely a “cool” outing. (Too cool for the Bennett’s to get any kayaking done.) Instead, the Snyder’s took them on a back-country drive, somehow missed a turn, and ended up back in Boulder!

There are also artifacts of the Lakota and Cheyenne Indian culture displayed in the James H. Cook collection of gifts from Chief Red Cloud. These gifts were given by the Lakota to James Cook when they visited him at the Agate Springs Ranch.

We anticipated hot temperatures for our August outing, but experienced another “cool destination”. The Rascals traveled to Mitchell, NE for the 10th annual Old West Balloon Festival. The day before start of the Balloons, we drove north to the Agate Fossil Beds National Monument. Remains of prehistoric animals which became extinct 23 million years ago were found in this area and the diorama in the visitor center shows these mammals true to form and size.

Rainy weather plagued the Balloon Fest all weekend, although it brought our many little toads for the Merritt’s grandson, Zack, to catch! Even though we Rascals were disappointed that the balloons never got to launch, imagine the frustration of the pilots,

many who came long distances from NM, TX, KY, SD and CO. Still, we enjoyed the opening Night Glow and the final morning when many of the balloons did inflate so we could ooh and ahh over their size and colorful (& whimsical) designs.

CHAPTER NEWS

RV Rascals

Grandson Colt Merritt is shown pulling the burner in a balloon basket.

There was also a street craft fair with vendors to tempt us..... but the “funnest” activity was the Weiner Dog Races. There was LOTS of audience laughter from watching unexpected reactions of those little doggies.

So, off another fun outing for the RV Rascals. We hope everyone can still cram in some camping before snow flies.

Remember: “Camping with friends is a great escape from reality.”

Only a few of the Silver Foxes took part of the August 12-16 campout to We Are Champions RV Park in LaVeta and had Heddy and Ron as guests. We did our daily walks, had ice cream, a great cook out, ate at Skinny's restaurant and played lots of games indoors. Thank you for Hannelore and Roy for a good time.

Discord

National and our leadership has moved on from using Zoom as our go to product for Video Communication and moved over to using Discord. Along with using Discord as our main source of video communication comes a slew of other benefits that Zoom did not allow.

Discord is a FREE social media platform that allows users to communicate in real time using text, voice, and video through public or private servers. You can find servers for all types of hobbies, from anything like knitting, bee keeping, video games, or sports, to things that FCRV exhibits like camping, RVing, wildlife and conservation. Your trustees, National Office and 'Camping Today' team have been using it for the last few months to test it out and get experience with using its features before we opened our server up to membership and the general public.

Discord, while giving us a platform for our leadership and members to communicate also comes with a MUCH needed benefit of moving FCRV into spaces used by younger generations. Discord has 3 options for using its services. Those options are a phone app, an app for pc/mac, or you can even access it right through a web browser. So it makes communication VERY easy and FAST with how accessible it is compared to Zoom.

Using Discord requires creating an account for it. Please make sure to take measures to log the name and password you create to reference logging back into it whenever needed. Also please keep in mind that the minimum age to create a Discord account is 13 years of age.

For more information, here is a great video explaining what discord is while showing off its features: [youtube.com/watch?v=xRMD8ley3ZE](https://www.youtube.com/watch?v=xRMD8ley3ZE)

You can get the discord apps at:
